Who Is Kidding Who?

Attorney General Robert Kennedy stated before the Senate Commerce Committee that, according to FBI and Justice Dept. records he "had no evidence" that any of the top leaders of the Major Civil Rights groups were communist or communist controlled.

—New York Post, July 25, 1963

CIVIL RIGHTS RED FRONTERS

Martin Luther King, president of the Southern Christian Leadership Conference, a participant in the activities of Highlander Folk School, Monteagle, Tenn. This school is actually a communist training school. The closing address at its 1957 25th anniversary seminar was made by King. Pictures taken at that time show him together with Abner Berry, Negro member of the Central Committee of the Communist Party and columnist for the Daily Worker. Pete Seeger, participant in the N. Y. State Youth Board of the Communist Party (Daily Worker, Feb. 22, 1949) and long time CP member, entertained the delegates.

Marilyn R. Allen, (P.O. Box 2243, Salt Lake City, Utah) in her "I Love America" series No. 20:

"Agitator Martin Luther King has 60 communist front citations, as documented by Karl Prussion, ex-FBI counter spy for 22 years, who says M. L. K. 'is a member of more communist front organizations than any communist in the United States.'"

The N. Y. Post, July 11, 1958 reports an interview with King (who is a student of Hegel, German-Socialist) by Mike Wallace in which King asserted: "I'm sure that integration will lead to intermarriage. I don't deny that"

Bayard Rustin, King's manager, deputy director of the August 28 March on Washington, is a former communist, organized the 1958 pacifist drive, and "who would have been proud to have joined them in Red Square." Rustin not only is one of eight "impartial observers" who attended the 16th National Convention of the Communist Party USA, but also was identified as a member of the American Forum for Socialist Education, cited as a communist front by the Senate Internal Security Sub-committee, Dec. 19, 1957. (American Legion Firing Line magazine, July 15, 1958, p. 56.)

A. Philip Randolph, Vice Pres. NAACP, 38 communist fronts; Roy Wilkins, Ex. Sec. NAACP, 9 communist fronts; Ralph Bunche, Nat. Dir. NAACP, 7 communist fronts; Thurgood Marshall, Spec. Coun. NAACP, 5 communist fronts; Channing Tobias, Asst. Treas. 43 communist fronts.

W. E. B. DuBois, one of the original founders of the NAACP in 1910, 72 communist fronts has this to say:

"I seek a world where the ideals of communism will triumph—each according to his need: from each according to his ability. For this I will work as long as I live. And I still live."

WHAT IS A COMMUNIST FRONT?

The House Un-American Activities Committee has ascertained that a communist front is an organization, committee, or group of people, or a printed publication, which is substantially directed, dominated, or controlled by the Communist Party. It is primarily operated for the purpose of giving aid and support to the Communist Party, a Communist foreign government, or the world Communist movement." CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as Conde McGinley and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

My Answer to Communism and Crime

How to Beat Communism

St. Petersburg, Fla.
Sept. 9, 1963

The Federal Bureau of Investigation
Washington, D. C.

Gentlemen:

I am aware that freedom of the press is one of our national privileges, often abused and always upheld. However, there is a trespass law, I believe, which was designed to protect property owners from any sort of unwanted intrusion. I consider it an act of trespassing when someone throws junk into my car.

I found the attached, which belongs only in the city dump, in my car when I came out of Church yesterday morning. I read it completely so that I might complain with authority. I'm sure that mine was not the only car thus intruded upon by this leaflet which I believe to be subversive to the ultimate degree.

While I read it with disgust and entire disbelief, I am afraid that many very young, uneducated, or restless and dissatisfied persons, accepted the contents without question. Wide acceptance could only lead to the very thing thoughtful and patriotic Americans consistently avoid - unfounded suspicion, distrust, and accusation which can only bring about mental, spiritual and national chaos which, in my considered opinion, is the very result the communists wish to achieve. Therefore, I strongly suspect that this flimsy sheet was spawned by a communist sympathizer if not by an active member of the party.

This is not the first time such material has been forced upon me and others. Sometimes it arrives in the mail, but mostly it is left on private property by a person or persons who, obviously, have reason for remaining anonymous. I realize that your department knows exactly what it is doing, but is there no defense for the common citizen? The editor's name is in the left hand corner of the back page and so is the address of the publication. If the man is guilty of subversion, and how subversive can you get, why is he not stopped in the interest of America's well being? No doubt this paper and others like it have invaded homes and cars all over the country.

I know there are gigantic issues in existence which must be dealt with and resolved, and this seems small in comparison, but I think if the little things were eradicated in the beginning, the big ones would never evolve. There could be no oaks without acorns, no chickens without eggs, no disease without germs, ad infinitum.

A reply to this letter is urgently requested. There must be some sort of ammunition that people such as I can use in self protection and to aid the government. And there must be some means to shield people who are not for certain reasons, able to see through such printed brain washings. There are many citizens of this country and others who are, through ignorance, capable of much harm through just such propaganda as this.

In large letters on the front page of this paper is printed COMMUNISM IS TREASON. I agree with that as far as America and her allies are concerned, but in my book, this publication, itself, is treason. There used to be a penalty for that. What has become of it?

The Hidden Enemy of Christianity

Secret Criminal Organization Plotting A New World Order

Republished from—
Intelligence Digest, London, England

Despite many promises from the Soviet Union and some assurances by American officials, the Soviet Union has not quit Cuba. It is now essential to put this plainly. Several extremely dangerous missiles remain on the island and very substantial USSR personnel as well. The attempt to remove them has been a failure. As usual, the USSR has lied. It must also be said that far from the dangers to Latin America having receded, they are far greater than at any previous time. This trend will proceed with greater speed within the next two or three years. Short of an entirely new approach, we can expect the Communization of a very large part of Latin America.

In the Middle East the USSR is pouring in military aid to the Arab bloc. Germany also is helping Egypt on a very substantial scale and is therefore working alongside the Soviet Union in this. The Arab bloc intends to invade Israel as soon as it is ready. This is a certainty. Only the date is uncertain.

In Southeast Asia, the entire compromise policy of the United States has collapsed and will end in total ruin. There was never the slightest chance of success. Report after report warned the U. S. government about this but President Kennedy did not heed these reports.

In the meantime, America has made the mistake of withdrawing from key bases in vital strategic areas. Whereas the USSR has not withdrawn from Cuba, America has withdrawn—or is withdrawing—from the very bases which, until now, have held the Soviet Union in check. Almost unnoticed, the USSR has enforced a treaty on Persia which gives free passage for military supplies to the Middle East. Unhindered by American bases in Turkey, this advantage will be of immense importance. Scarcely one in five million people realize this; yet it could and may prove decisive.

It is quite clear that America and Britain will find themselves virtually alone when the awakening at last comes. Not content with this series of blunders, the American and British governments are actively promoting the fortunes of our most dangerous enemies in Africa and perpetuating a quarrel with our only friends. Having destroyed Katanga, they are now beginning to isolate South Africa and destroy Portuguese Africa and Southern Rhodesia.

One would scarcely believe such incredible folly to be possible. But that is what is happening and it is largely sponsored by the American and British government in an apparent joint attempt at Anglo-American suicide in world affairs. All this is not a mere accident. Nor is it all the work of secret Communist agencies which have penetrated our public life. There is more to it than that. The evidence that other influences have been at work is now overwhelming. There seems to be a powerful network of persons and institutions which one cannot say is Communist, but which, for all practical purposes, has had some coincidental aims. This net-

work has been active in promoting all the policies which have proved so disastrous.

The objective of Force X is to achieve absolute power; and Communism has been used as a weapon to destroy the old order which stood in the way. This force is closely co-ordinated. It is of one mind; it is in control of immense resources; it is convinced, passionate, efficient and deadly. It fears only one thing—public opinion. It tried to control this and to stop anyone from arousing it.

The leaders of this force occupy positions of the highest respectability and the ordinary person would find it hard to believe that the cultured and charming person they meet at the White House or Admiralty House has direct connections with control of the vilest vice rackets of San Francisco, Marseilles or Glasgow. This group is not recognized by authority because authority is afraid to investigate too closely. The rot has gone too deep, too many are involved. No government will ever investigate. A legal action to track down and destroy the group itself would now be impossible. No government which attempted such a task would survive. Every device

of propaganda would be laid on to destroy it.

In the near future, Nasser will considerably extend his Arab empire. Jordan is unlikely to survive. The new Nasser-led pan-Arab union will in due course probably embrace the larger part of the North African coast. Persia can now be counted out of the Western alliance. Turkey is now virtually, useless. Apart from technical work on certain armaments which is not yet complete, the scene is nearly set. When it is, there will be a joint invasion of Israel; and it can be said that Israel has not the smallest chance of survival short of full-scale intervention by outside power.

Khrushchev is feeling the pull of this magnet to a greater extent than ever before. In recent Kremlin discussions, this subject has been rammed more deeply into his thinking than ever before. China does not like this but cannot stop the process of events. This has had the effect of making her still more aggressive in her Asian planning. We should therefore expect India's problem to increase as the year progresses.

Indian public opinion is unhealthy and the economic system is deeply corrupted. If India is to resist China, resistance will be successful only if new and less corrupt men take power in the key places of state and industry. The successful defense of India may well depend upon breaking up the Nehru-Menon partnership, which is one of unusual intimacy. Both men have been under the influence of the organization associated with many disturbing activities elsewhere.

On April 13, 1963, the British press disclosed the extraordinary story of a pamphlet distributed by a group calling itself "Spies for Peace." The pamphlet reached about 5,000 people in Britain. It revealed a large number of official top secrets, describing some of the government's most secret emergency plans, including the locations of regional headquarters, plans for mobilizing services, and other highly secret matters.

The fact is that government services are so riddled with unreliable men that the government simply cannot stop the leakages. Not one thing is secret from Moscow.

The danger in America is similar. Very important emergency plans have been made. They, too, are being leaked to Russia. No one acts. Those who warn are either disregarded or smeared. We suggest that every American reader send a copy of this grave and urgent warning to every friend who has a wife and child to protect. It is they whose security is being sold out by dangerous agents instigated by men who are without scruple.

It has come to our knowledge that a plan has been devised by an extremely powerful anti-American group with the object of subverting the national character over the next few years. The plan is to infiltrate into churches of all denominations a large number of Sunday school teachers who, while apparently devout, will have the task of suggesting to children that matters hitherto considered essential

For The Record

From the—

"THE AMERICAN HEBREW," Sept. 1920

"The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."

—o— Please turn to page 2 —o—

Hidden Enemy of Christianity

—Continued from page 1—

In religion and social conduct are, in fact, nonsense and oppressive to youth. To this is to be added a suggestion that parents have been misleading children and that parental authority should not be fully accepted.

The idea is that this will not be discovered by parents until great damage has been done. It is also calculated that the scheme will not be recognizable until the infiltration is nation-wide. Those who have devised this plan are not, in fact, Communists, nor had Russia any original knowledge of the scheme. It was devised by other interests far more powerful in every respect. Russia, naturally, will look benevolently upon the plan. In this case, we do not believe that any direct assault on the instigators would prove successful, except by those with exceptional knowledge of the whole design. Such action is best left to well-informed experts.

It may be added that those who have devised this scheme to undermine the Sunday schools are closely associated with those who were active in arranging a large increase in the importation of drugs to the American market, with the object of perverting young people in particular. The instigators were the same and took orders from the same quarter. The danger of this scheme is that it can be worked out and put into operation without discovery until millions have been influenced—by which time it would be difficult, if not impossible, to overcome.

Reports show that the Southeast Asian situation is getting worse. Anti-Communist resistance is slowly collapsing. Nearly all the newly independent nations of Africa are collapsing, because of corruption, into tribal war.

Southern Rhodesia is moving closer towards the Republic of South Africa. Anti-British and anti-Commonwealth feeling is rising. In America, anti-leftists are again making headway in many areas. This may prove a decisive factor in world affairs. The Conservative Party in Britain is slightly less unpopular at the upper and middle-class level, but has not made headway at other levels. The Socialist Party is gaining some new support, but remains almost equally unpopular except as a stick with which to chastise the Conservatives. In Latin America, the Soviets have strengthened their position in Cuba. Brazil is fast slipping.

The code name of Organization X is: P. P.; R. D. T. W.; S. W. I. H. P. It is basically a criminal group which is mixed up in politics and has made use of Communism. Its power far exceeds that of Communism. Without its aid, Communism might have collapsed sometime ago. Since World War II, it has persuaded the Western Powers to be relatively soft towards Communist expansion. Not dozens, but hundreds of apparently separate agencies have been employed. In many cases, the agency used has not been wholly given over to such purposes but has contained officers acting upon instructions from Organization X.

In New York, four private banks have acted for the organization. It directs the entire drug traffic of the world. The police have been incorrectly working on the theory that there are separate drug rings. This is not so. If the police forces concerned would take out all their files and lay them out on one table (so to speak), they would find that in each apparently separate ring at least one contact leads to the same center. There is also a single control of all the main call-girl rings in America, Britain, France, Germany and elsewhere.

The entire African nationalist movement is instigated by this organization. This has both financial and political motives. In finance, it is calculated that very large contracts can be manipulated. The extremist race integration movements in America are directed by the organization. The Alabama riots were planned and directed by its agents.

In the USSR, Trotsky, Zhdanov, Beria and Litvinov were all elect agents of Organization X. Their loyalty was not exclusively to the Communist Party.

The combination of convinced Communism, those who support it freely to seek revenge upon the old order, and those who intervened merely for cash, inevitably led to all kinds of contradictions. The essential point is that a powerful central organization used and instigated all these otherwise opposed influences and did so for power and money. It is not surprising that intelligent men who are nevertheless ready to abandon all morality for the sake of power and money should, at the same time, nurse an intense dislike of an old order of society which placed (or tried to place) duty before advantage.

This organization believes that sex and money are the two most powerful factors in human affairs. They often go together. At the present time, immense sums are being earned by the mass production of sex-inflaming literature. This is particularly true in America.

In America, the organization now plans to infiltrate executives into a considerable number of the five thousand foundations which exist. Every foundation should scrutinize applicants for employment mindful of this. There is also to be an attempt at planting speakers at Kiwanis Club lunches, and to gain control of the lecture bureau. Groups signing up lectures ought to screen applicants. We have seen four hundred groups on our list which we know to be targets of a planned attack. Some of them are big organizations; some quite small.

Most people realize that there is something gravely wrong with the world. Few have any idea what it is. The attempt to explain everything that occurs as merely a Communist plot does not stand up. The Communist world is itself in confusion.

Look where you will, no precise design emerges. None the less, it is equally clear that a great many occurrences bear the marks of organization. Mere accident has to be ruled out, yet nothing, on the face of it, seems to fit into a pattern.

Glance at the contradictions. Germany says she will never desert the West. She proclaims total commitment to NATO, etc. Nevertheless, she is engaged upon inconsistent trade contracts with the East and is an active—if unofficial—partner with the USSR in helping Nasser to prepare for the invasion of Israel.

The Arab leaders proclaim their utmost devotion to the ideal of unity, but, in fact, Nasser and Ben Bella did not hit it off too well, while powerful Iraqi and Syrian groups cannot fully agree with Nasser's concept. Nasser and his Arabs attack local Communists, but are deeply involved with the Soviet. The USSR and China, although both proclaim ultimate unity against the West, are at

each other's throats on a score of issues in many parts of the world.

The U. S. Government, while purporting to lead the anti-Communist world, has allowed State Department appointments which are wholly inconsistent with such a policy—for example, Wieland, Strong, Emmerson, and Bohlen. Wieland is documented as 100 per cent pro-Castro; Strong as having helped the Chinese Communists; Emmerson (said General Wedemeyer) was in full sympathy with Communism; Bohlen is a strong defender of the Yalta agreements. The official position of the Kennedy Administration would seem to be at variance with such appointments.

The British Government has a Foreign Secretary in Lord Home who is an anti-Communist, but other ministers who believe that an evolved Communism would not be unacceptable. It tries to be in favor of both the Common Market and a Commonwealth system although it is impossible to have both.

The African nationalists accept large bribes from both Chinese and Soviet Communists, plot with Nasser, accept London's hospitality, and very often follow courses which are inconsistent with the wishes of all these patrons.

The facts show that no particular ideology has control of the situation, any more than either of the two main power groups has over-all physical superiority. Nevertheless, there is a clear pattern throughout the confusion. Certain occurrences bear a repeated resemblance to each other. The same sort of things happen over and over again; the same devices are used; the same sort of people are involved; the consequences are much the same. The largest financial gains can be made from confusion. If the whole world were Communist or American controlled, the scope would be far less. What is needed is confusion. This can best be generated by first backing this group and then another. That is what is being done. The confusion is, if not a managed one, nevertheless instigated. Immense profit and great power are derived from it.

Those who seek to explain everything as a Communist plot have fallen into difficulties because that is not the explanation. If it were, the problem could be solved with relative ease. We are faced with a powerful criminal coordination beyond and above and separate from Communism.

Few, if any, responsible people any longer believe that all our troubles are a mere accident or due to stupidity. It is too incredible to believe that all our elected leaders are fools. They are not. They find themselves up against a flood-tide of evil which they cannot control and do not know how to expose. Our leaders were not unresponsive to the suggestion that the whole position is due to a single Communist plot, but on investigation they found that key people involved, who ought to have been Communist to prove the theory, were not. Yet evil was, in fact, done. If it was not done by Communists and if Communism is now itself a victim of the same confusions, who or what is responsible?

Organization X really does not mind what it supports so long as money can be made and power achieved. Recognizable power is not the present aim. The object is de facto power, plus command of immense resources. Thus, Beria was quite ready to betray the Communism he served. During the 1930s, the leader of the French Croix de Feu was ready also and did sell out his own organization. He was an agent of the force to which we refer.

In December, 1941, Japan had offered far-reaching terms of peace which were never discussed. Both President Roosevelt and General Marshall possessed advance information about Japan's proposed attack on the American fleet in Pearl Harbor. As everyone knows, neither warned Admiral Kimmel and General Short. President Roosevelt believed that an attack on the U. S. fleet was necessary in order to unite the country for war. For that reason, no peace terms, how-

THE ONLY THING THEY FEAR IS PUBLIC OPINION

Newark News (N. J.), Aug. 1, 1963:

"ISRAEL AGENCY SOUGHT TO SHAPE OPINION"

Under this heading came to light the disclosure the Senate Foreign Relations Committee, Senator William Fulbright, Chairman, is investigating how the two Zionist agencies—American Zionist Council and the "American Section" of the Jewish Agency (registered with the Justice Dept. as a Foreign Agent) sought to create a "favorable image" of Israel among "molders of public opinion in the United States."

The "American Section" of the Jewish Agency (this agency is an arm of the Israel Government) under sworn testimony in secret hearings divulged the information the American Zionist Council had received slightly more than \$5 million during the eight years which ended Dec. 31, 1962 . . . and "underwrote more than 80 percent of the Zionist Council's budget until January of this year."

ever far-reaching, were considered discussible and Admiral Kimmel and General Short had to be left in ignorance of the coming attack.

Unless America entered the war, the Soviet Union could not be saved. Communism would collapse. To save the USSR, American intervention was imperative and that intervention would be impossible unless a dramatic event united the nation. General Marshall testified on oath that he could not remember where he was on the fatal December 7. In fact, he was for several hours in conference with Litvinov, who had just arrived in Washington. Litvinov was a key member of Organization X.

Eisenhower was also persuaded by the same influences to sponsor the Morgenthau plan. If this had been carried out, the present defense of western Europe would have been almost impossible. The plan was put forward at a meeting in England on August 7, 1944. Fred Smith, former Assistant to the U. S. Secretary of the Treasury, has said: "Actually it was General Dwight D. Eisenhower who launched the project."

There was one distinguished man in particular who saw part of the truth. He was James Forrestal. He was virtually murdered because he knew too much. At least, he was hounded to his death by deliberate actions with that intent.

The foregoing facts, which disclose the extent to which General Dwight Eisenhower was misled, do not, however, represent all. In 1949, Herbert Lehman formed the National Committee for a Free Europe. This sounded just the thing. In 1950 this committee became semi-official and sponsored Radio Free Europe. The fund-raising campaign was headed by General Clay and built around Eisenhower, who delivered a national radio speech to raise cash. Very great pressures were used to induce the two Generals to adopt this posture. They little knew what would be done with the money.

On the evening of December 11, 1951, R.F.E. broadcast the following: "In our 'The Living Hungarian Cultural Column' Hungarian poets will speak to the nation . . . We shall now read the poem of Laszlo Szabo, poet of the People's Democracy. Its title is 'The Age of Stalin'. The poem was pro-Communist. Space permits quoting the last verse only:

"My country, I am speaking to you now . . . Soviet blood was shed in glorious battles so you can become a country . . . now at last . . . etc., etc."

That was the propaganda for which the American people paid at Eisenhower's nationwide request.

THE DEVIL'S AGENTS

From the book, "You Gentiles," Maurice Samuels, page 155:

"We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you will do will meet our demands. We will forever destroy, because we need a world of our own . . ."

The Jew, Rene Groos, in *Le Nouveau Mercure*, Paris, May, 1927, says:

"There is a Jewish conspiracy against all nations."

Walter Rathenau, Jew, one time financial dictator of Germany, stated in "Wiener Freepress," Dec. 25, 1909:

"Only 300 men, each of whom knows all the others, govern the fate of Europe: They elect their successors from their entourage. These Jews have the means in their hands of putting an end to the form of any state which they find unreasonable."

Adolphe Cremieux, president of *L'Alliance Israelite Universelle*, in "Les Archives Israelites," stated:

"Nationalities must disappear, religion must be suppressed. But Israel must not disappear, for this little people is the chosen of God."

SHEDDING THE BLOOD OF CHRISTIANS

"YE OUTWARDLY APPEAR RIGHTEOUS"

The greatest triumph yet achieved by the Pharisaic Conspiracy to subjugate the world is to transform Christianity into the instrument of ITS OWN destruction!

Have today's corrupted Christians strayed so far from the TRUTH that we are actually ASHAMED of Jesus, dying in agony on the Cross for US? Are we EMBARRASSED because His sacrifice reminds us of WHO caused Our Blessed Savior to be crucified? and why THEY committed this Satanic atrocity? Are we so blind in our arrogant ignorance that we fail to see that a living Red Hell is gradually being drawn around US right here on Earth?

The Warnings of the Martyrs

Let us heed the undeniable words of St. John the Apostle:

"For this purpose the Son of God was manifested, that he might destroy the works of the devil," I John 3:8.

"Ye (Pharisees) are of YOUR father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it," John 8:44.

Christians, would YOU dare deny these indispensable words of wisdom with which Christ Militant exposed the Pharisaic Conspiracy? words which for 1,600 years protected His followers from the evil conspiracy of the Synagogue of Satan!

In addition to the repeated warnings on this all-important subject contained in the books of the New Testament, the other early Scriptures of the Church are steeped in this theme.

"Wherefore the Son of God came in the flesh for this cause, that he might fill up the measure of their iniquity, who have persecuted his prophets unto death. And for the same reason also he suffered," General Epistle of Barnabas 4:15.

To explain to our modern, uninformed, brotherhood-blinded Christians, who are no longer able to grasp the penetrating significance of this revelation, we repeat a portion of the most fearless words of TRUTH ever spoken, Jesus' point-by-point exposure and damnation of the Pharisaic Conspiracy — THE 23d CHAPTER OF MATTHEW!

"Voe unto you, scribes and Pharisees, hypocrites! because ye built the tombs of the prophets, and garnish the sepulchres of the righteous, and say, 'If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets.' Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then

the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" Matthew 23:29-33.

The early Fathers of the Church understood full well the treacherous tricks of the Pharisees. St. John warned Christianity for all time:

"I KNOW the blasphemy of them which say they are Jews, and are not, but ARE the synagogue of Satan." Revelations 2:9.

No organization has EVER had a synagogue but THE PHARISEES!

To bring you up to date we present these words of enlightenment from The Jewish Encyclopedia under Pharisee:

"Henceforth Jewish life was regulated by the teachings of the Pharisees; the whole history of Judaism was reconstructed from the Pharisaic point of view, and a new aspect was given to the Sanhedrin of the past. A new chain of tradition supplanted the older, priestly tradition. Pharisaism shaped the character of Judaism and the life and thought of THE JEW FOR ALL THE FUTURE."

Nicodemus, the same who assisted in the burial of Jesus, wrote:

"O Satan, prince of all evil, author of death, and source of all pride, thou shouldst first have inquired into the evil crimes of Jesus of Nazareth. Why didst thou venture, without either reason or justice, to crucify him?" Gospel of Nicodemus 18:12-13.

St. Ignatius, a disciple of St. John the Apostle and second Bishop of Antioch, wrote several epistles of final instructions while he was en route to his martyrdom in Rome. Several of these epistles are identical as to subject matter, standing as an undeniable Rosetta Stone translating early Christian terminology.

"It is absurd to name Jesus Christ, and to Judaize. For the Christian religion did not embrace the Jewish, but the Jewish the Christian. These things, my beloved, I write unto you; not that I know of any among you that lie under this error; but as one of the least among you, I am desirous to forewarn you, that ye fall not into the snares of false doctrine." Epistle to the Magnesians 3:11-12.

"Not that I know there is anything of this nature among you; but I forewarn you, as being greatly beloved by me, foreseeing the snares of the devil." Epistle to the Trallians 2:6.

"But I arm you beforehand against certain beasts in the shape of men whom you must not only not receive, but if it be possible must not meet with. It will therefore become you to abstain from such persons; and not to speak with them neither in private nor in public." Epistle to the Smyrnaeans 2:2, 18.

St. Ignatius' restatements of this same idea in slightly different words leave no doubt whatsoever that Pharisaic Jews, the devil, and Satan were used interchangeably by the early Christian Fathers, and that these "beasts in the shape of men" posed the most crucial danger to Christ's Church. These are interdictions FORBIDDING Judeo-Christian brotherhood!

St. John likewise FORBADE brotherhood with the anti-Christ (II John 9-11). Every Christian MUST study the First and Second Epistles of John in order to comprehend the damnable PRESENT-DAY perversion of Christian brotherhood by the SAME Synagogue of Satan!

Let us marvel at the commandment of Barnabas PROHIBITING brotherhood with the Pharisaic Conspirators:

"Thou shalt not keep company with such kind of men as know not how by their labor and sweat to get themselves food: but injuriously ravish away the things of others; and watch how to lay snares for them; when at the same time they appear to live in perfect innocence." General Epistle of Barnabas 9:4.

The Blood of Christians

— Continued from page 3. —

For those who fail to understand about WHOM Barnabas wrote thus, we repeat more words of wisdom from the Master Himself:

"For they (the Pharisees) bind heavy burdens and grievous to be borne, and lay THEM on men's shoulders; but they THEMSELVES will not move them with one of their fingers. Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation. Ye outwardly appear righteous unto men, but within ye are full of hypocrisy, and iniquity." Matthew 23:14, 28.

The Subversion of Christianity

That today's great infiltration into Christianity by the Pharisaic ensnarements has reached an advanced stage SHOULD be self-evident to all who have eyes with which to see. The Revised Standard Version of the Bible is a Pharisaic alteration of Christian Scriptures "for partisan purposes," a victory about which the anti-Christ bragged esoterically in the National Jewish Post, Feb. 22, 1957, page 13. The National Conference of Christians and Jews is nothing more than a one-sided feast of the Lion of Judah upon the Lamb of Christ!

That the enslavement of the clergy of the Christian Churches is a vital objective of the American Jewish Committee is expounded in their secret annual budget reports. We quote from their 1953 Budget:

"Christian religious education, a subject OF MAJOR CONCERN to the American JEWISH Committee within the past few years, has likewise enjoyed a phenomenal development.

"As the church gains strength new responsibilities obviously devolve upon OUR (Interreligious Activities) Division if WE are to help influence the attitude of Americans through their church experience. The religious school, which now embraces a substantial segment of American youth, bears even more careful examination than in the past. As a result of our closer association with religious educators, we are in a better position to encourage them to assume greater responsibility, both for eliminating prejudicial material and for making constructive intergroup (inter-racial!) education a part of their programs.

"OUR (!) Christian educators have come to regard OUR agency as having special competence in intergroup education and have no hesitation in calling upon us for counsel.

"The Production and Magazine Division (of the AJC) frequently supply us with materials for use in Protestant and Catholic press; stories and illustrations for curricular materials, etc. (OUR SUNDAY SCHOOL LESSONS!!!)

"The Radio and Television Division (of the AJC) furnishes guidance in religious programs and alerts us to objectionable material used by these media in programs having religious content, particularly during Christmas and Easter.

"The Legal and Investigative Department from time to time furnishes us with information sought by church groups, particularly those confronted with the problem of reactionary opposition to social action programs (COMMUNISM!).

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions—Christian Life and Work; and the Division of Christian Education.

"Our primary Catholic contact is with the National Catholic Welfare Conference, particularly the departments of Education and Press. We also work with the National Catholic Biblical Association,

Catholic University of America, other Catholic universities, and individual chanceries.

"Other resources include the World Council of Churches, State and City Church Councils and Ministerial Associations, the Religious Education Association, the Catholic and Protestant press, the Protestant Film and Radio Commission, National Conference of Christians and Jews.

"We are concerned, therefore, not only with what is taught in Christian education, but with the attitudes of the educator who trains the teacher, and of the teachers themselves. The environment surrounding the learning process also concerns us.

"Thus, what WE are concerned with is not simply CHANGING what is said about Jews and Judaism in the literature of Christian education, but INTRODUCING A NEW and positive view of Jews and Judaism into the dynamics of Christian education. Our approach seeks to take advantage of the group life fostered by church organizations.

"Meetings with top Protestant leadership have now been established on a REGULAR basis. The SUCCESS of our meetings with Protestant leaders on a national level points to the desirability of extending this effort locally."

American Jewish Committee Budget, pages 96-102.

Remember the words of Our Lord Jesus

when he said to the agents and dupes of the Conspiracy:

"And because I tell YOU the truth, ye believe me not." John 8:45.
Armageddon approacheth! The ravenous Lion of Judah is fast devouring the fatted Lamb of Christ!

The Whole World Is Confused

THE ONLY PEOPLE NOT CONFUSED IN THE WORLD TODAY ARE THE ELDERS OF ZION

If you want to understand WHO directs this organized confusion, READ—

The Protocols of the Meetings of the Learned Elders of Zion

translated from the Russian of Nilus by Victor E. Marsden

Before your daily Bible reading, we suggest you spend 15 minutes reading the—

PROTOCOLS OF THE ELDERS OF ZION.

Henry Ford, in an interview published in the New York World, February 17, 1921, referring to this work of Nilus, put the case tersely and convincingly thus:

"The only statement I care to make about the Protocols is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW."

Who Is Kidding Who?

Attorney General Robert Kennedy stated before the Senate Commerce Committee that, according to FBI and Justice Dept. records he "had no evidence" that any of the top leaders of the Major Civil Rights groups were communist or communist controlled.

—New York Post, July 25, 1963

CIVIL RIGHTS RED FRONTERS

Martin Luther King, president of the Southern Christian Leadership Conference, a participant in the activities of Highlander Folk School, Monteagle, Tenn.—This school is actually a communist training school. The closing address at its 1957 25th anniversary seminar was made by King. Pictures taken at that time show him together with Abner Berry, Negro member of the Central Committee of the Communist Party and columnist for the Daily Worker. Peto Seeger, participant in the N. Y. State Youth Board of the Communist Party (Daily Worker, Feb. 22, 1949) and long time CP member, entertained the delegates.

Marilyn R. Allen, (P.O. Box 2243, Salt Lake City, Utah) in her "I Love America" series No. 20:

"Agitator Martin Luther King has 60 communist front citations, as documented by Karl Prussion, ex-FBI counter spy for 22 years, who says M. L. K. 'is a member of more communist front organizations than any communist in the United States.'"

The N. Y. Post, July 11, 1958 reports an interview with King (who is a student of Hegel, German-Socialist) by Mike Wallace in which King asserted: "I'm sure that integration will lead to intermarriage. I don't deny that"

Bayard Rustin, King's manager, deputy director of the August 28 March on Washington, is a former communist, organized the 1958 pacifist drive, and "who would have been proud to have joined them in Red Square." Rustin not only is one of eight "impartial observers" who attended the 16th National Convention of the Communist Party USA, but also was identified as a member of the American Forum for Socialist Education, cited as a communist front by the Senate Internal Security Sub-committee, Dec. 19, 1957. (American Legion Firing Line magazine, July 15, 1958, p. 56.)

A. Philip Randolph, Vice Pres. NAACP, 38 communist fronts; Roy Wilkins, Ex. Sec. NAACP, 9 communist fronts; Ralph Bunche, Nat. Dir. NAACP, 7 communist fronts; Thurgood Marshall, Spec. Coun. NAACP, 5 communist fronts; Channing Tobias, Asst. Treas. 48 communist fronts.

W. E. B. DuBois, one of the original founders of the NAACP in 1910, 72 communist fronts has this to say:

"I seek a world where the ideals of communism will triumph—each according to his need: from each according to his ability. For this I will work as long as I live. And I still live."

WHAT IS A COMMUNIST FRONT?

The House Un-American Activities Committee has ascertained that a communist front is an organization, committee, or group of people, or a printed publication, which is substantially directed, dominated, or controlled by the Communist Party. It is primarily operated for the purpose of giving aid and support to the Communist Party, a Communist foreign government, or the world Communist movement." Reference: House Document No. 118—86 Congress, 1st Session.

William Z. Foster, former head of the Communist Party in USA, declared in his book entitled:

"TOWARDS SOVIET AMERICA"

"The American Soviet will of course abolish all restrictions upon racial intermarriage The revolution will only hasten this process of integration, already proceeding throughout the world with increasing tempo."

Zionists & Reds Lead Racial Movement

Duped Christians Aiding Communist Program By Cooperation With Integration Push

A drive for drastic unconstitutional civil rights legislation is now the chief aim of the Kennedy Administration. There certainly is no doubt that such legislation if passed would be upheld by the present socialistically inclined Judiciary. Under such alarming circumstances, Congress becomes the key to the preservation of the rights and liberties of all Americans, including those of responsibility, as laid down by the founding fathers in the Constitution.

It appears that every mass communications media has been mustered for a secretly controlled effort by the press services to condition Congress and all America for this great sellout of personal liberty—the passage of the proposed Kennedy Civil Rights legislation, and its general passive acceptance by the American public.

This issue of Common Sense is dedicated to absolute proof of the truth that Civil Rights agitation and Integration pressures were started long ago by communists as a part of their program to create revolution in America; that the negro is being used as a communist and political tool; and that communism is a disguised Zionist creation to eventually establish their long awaited Jewish controlled slave state.

We have given you this proof many times and in many ways during the past 17 years. The speed with which so-called Civil Rights pressures are being pushed politically now demand that we urge every reader to awake and fight today for the preservation of your freedom and for your inherited rights, based upon responsible and productive citizenship.

FULL IMPORT OF INTEGRATION

Integration is world-wide in extent. Communism is but one expression of that Marxist drive for a STATELESS WORLD, a CLASSLESS society, a dictatorship of the PROLETARIAT and a SLAVE state, with government by directives. Races as such will not exist!

Robert T. Ingram states as follows, in his introduction to "ESSAYS on SEGREGATION":

"For it is not only the races that must disappear and be brought into conformity with the requirements of a world state; so with SEXES, so with PARENTS and CHILDREN, so with NATIONS, STATES, TRIBES, and EMPIRES. All must go and be swallowed up in the maw of the great monad"

There is here a warning to neophytes that the Marxist Civil Rights drive calls for nothing less than the obliteration of the white race. There will be no middle ground or compromise. Miscegenation will be the order of the day! The Negro leaders will settle for nothing less. The Communist program calls for nothing less.

GETTING DOWN TO CASES

Fall 1963 portrays an ominous picture indeed, as Satan's agents launch final plans for the final take-over. Attempt after attempt

THE SLEEPER

is being made to upset the so-called "racial imbalance" in schools. As a bolder Marxist move, pending legislation will empower the Federal government to withhold funds as a punitive measure. Though merely a REPORT by a Marxist dominated Committee, the Gesell Report is being treated with the full force of law. The simultaneous launching of all these moves rules out any possibility of chance. F.D.R. said things don't happen; they are planned that way.

SATAN'S MASTER STROKE

Civil Rights Bill S1731 calls for an executive power grab unheard of in the history of Constitutional government. How Bill S-1731 brazenly violates our Constitution in areas hitherto thought to be inviolate, is here shown. Below are excerpts from the July 11th speech of Senator John Stennis of Mississippi on the President's Civil Rights Bill. We compare his remarks with the Constitution.

WHAT THE BILL SAYS

"Title 1 of the Bill deals with the voting rights and the registration and qualifications of electors. There is not a word in our Constitution which vests the Federal government with the power, authority or right to determine the qualifications of electors. The proposed legislation would authorize the Attorney General to institute suit at Government (taxpayers') expense—to obtain the appointment of Federal voting referees who would have the authority to declare that thousands of individuals were qualified to vote"

WHAT THE CONSTITUTION SAYS

Article 1, Section 2:

"The House of Representatives shall be composed of members, chosen every second

year by the people of the several states and THE ELECTORS IN EACH STATE SHALL HAVE THE QUALIFICATIONS REQUISITE FOR THE ELECTORS OF THE MOST NUMEROUS BRANCH OF THE STATE LEGISLATURE."

Article 2, Section 1:

"Each state shall appoint, in such manner as the legislature thereof may direct a number of electors"

WHAT THE BILL SAYS

"Title II deals with public accommodations, including hotels, motels, restaurants, lunch counters, theatres and all retail establishments. This provision, if passed, would toll the death knell for the right of the individual owner of property to use his own private property in the manner which he chooses. . . ."

WHAT THE CONSTITUTION SAYS

The Fourth Amendment states: "The right of the people to be secure in their person, houses, papers and effects, against unreasonable searches and seizures, shall not be violated."

WHAT THE BILL SAYS

"Title III deals with the enforced desegregation of public schools. It would be the Attorney General who would be vested with the power to institute litigation at taxpayers' expense.

"Title IV proposes to create an unneeded new agency This would authorize the hiring of a group of bureaucratic meddlers to provide assistance to communities and persons in resolving disputes relating to alleged discriminatory practices"

"Title VI would authorize the President to inflict punitive punishment against the indigent population of a State and against the State itself, by the withholding of financial assistance, grants, loans, etc., from Federal funds, if it were decided that discrimination existed"

WHAT THE CONSTITUTION SAYS

In answer to the three articles above, we quote the 9th and 10th amendments to the Constitution:

"9. The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people."

"10. The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

For the purpose of political expediency those in federal executive authority have chosen to forsake their oath of office and their sense of moral integrity to satisfy and secure the vote of the falsely inspired negro and his demands made by a negro leadership that is communistically impelled; and that has duped do-gooders and ecumenical Christianity into furthering their unnatural cause of sacrificing personal responsibility

Jews and Integration

Read what the Jews themselves say about integration and then ask yourself: IS INTEGRATION JEWISH?

Every rabbi in Norfolk has spoken forth from his pulpit that integration is decent, human, moral, American, and Jewish. Rabbi Joseph Goldman in The National Jewish Post and Opinion, Jan 9, 1959, p 11.

Rabbi Joseph Goldman told me that he was amazed at the viewpoint of the Jews as contrasted to those of the non-Jews. He said that almost without exception, the Jews were for integration in the schools, while the non-Jews were just as united in the opposing view against school integration. We found that the Jews were not taking a position in the matter. The Negroes and those who feel that the schools should be integrated have the feeling that the (local) Jewish groups are being traitors. The rumor was going around at the time that Arthur B. Spingarn, the president of the National Association for the Advancement of Colored People, was Jewish. I was asked if it were true, with a sense of relief that bordered almost on a life-and-death question when I replied in the negative (!!!). From the people who really took down their hair and were willing to confide to me, I learned that most of the Southern Jews in Norfolk were opposed to school integration. Editor Gabriel Cohen in NJPO, Dec. 26, 58; p 10.

We were wrong. Spingarn is Jewish and doesn't hide it. Ed. Cohen in NJPO, Jan. 16, 1959, p 10.

From what we can observe, it seems that the Jewish homeowner, when he sees Negroes moving into his area, takes flight. This has happened over and over again in many a city. The glib way in which a Northern Jew will condemn a Southern Jew is sheer hypocrisy. Ed. Cohen in NJPO, Feb 20, 1959, p.10.

A leading Southern rabbi charged: "It is characteristic of the attitude of the American Jewish Congress that legislation may be used not only to enforce accepted ethical principles and constitutional law, but also to compel people, despite their objections and protest, to behave in accordance with the desires and the objectives of groups like the American Jewish Congress." The rabbi (William S. Malev) also rejected "any claim on the part of the National 'defense' organization to impose martyrdom upon the unwilling Jews of the South and to bask in their reflected glory of their self-sacrifice. No one has the right to martyr somebody else for the cause he believes in," the rabbi bade the "defense" leaders "to come down South and try it (martyrdom) for themselves" if they think so much of it. NJPO, Jan 9, 1959, p 3.

One rabbi in Montgomery, Ala., screamed that the ADL's interest should be Jews and Jews alone. "You have no right to endanger one hair on a Jewish head to save Negroes!" NJPO, Nov 7, 1958, p 1.

queazy Jews who have resented the blocking together of Jews and Negroes; who claim that the Jews of the South have enough to overcome without being saddled with the Negro. We recall an Orthodox brother in the South who reminded us of the law of shatitz and admonished us not to hitch a horse and an ass together. Rabbi Jacob J. Weinstein in NJPO, Oct 24, 1959, p 10.

In the London Jewish Chronicle of Jan. 14, 1949 it stated: "The Anti-Defamation League's best results were obtained by disguising anti-Semitism under the wider, all-embracing cloak of 'racial discrimination' as a whole."

SEWING DOWN OF INTEGRATION URGED: After pointing out that in Europe where emancipation of the Jew was gradual, it was more successful than where it was decreed by the government, Harry Simonoff challenged the decision of the Supreme Court on desegregation from its practical application. Simonoff said the Supreme Court's ruling was just in principle and

flowed from the Declaration of Independence. Yet, he adds, "it is an open secret that the Court was impelled by the exigencies of world politics rather than forced by internal compulsions." Asking what can be accomplished by a desegregation that is forced upon an unwilling dominant majority, Simonoff asserted that he had come "to the conclusion that the colored students are happier, or at least more relaxed, in their own separate schools." NJPO, Apr 3, 1959, p 2.

"Discrimination and segregation are despicable anti-democratic (!) practices in Mississippi, Birmingham, and Little Rock. Our primary job is to finish the process of integration (of the goyim) as quickly as possible". Emanuel Muravchik, Director of the Anti-Discrimination Dept. of the Jewish Labor Committee, in AE, Feb 6, 1958, p 3.

ALL JEWISH GROUPS URGED TO CONSULT ON INTEGRATION

The view that consultation between all the Jewish agencies and the Jews of all parts of the U. S. on problems involved in the school integration fight was desirable was expressed by several speakers at the 17th plenary session here of the National Community Relations Advisory Council. The NCRAC is the over-all Jewish agency involved in community relations work. National Jewish Post June 20, 1958.

Delegates from 18 western states to the annual Jewish War Veterans convention here Sunday approved a resolution endorsing Negro sit-in demonstrations in the South. The members also called on the individual states to enact group libel laws to protect religious and racial minorities from defamation, libel and slander. Nevada State Journal, Dec. 9, 1960.

RABBIS SUPPORT INTEGRATION
The Reform Rabbinate came out squarely for integration in schools at the 69th annual convention of the Central Conference of American Rabbis. The rabbis indorsed a resolution submitted by the Joint Social Action Commission and urged Jews in all parts of the country to use their influence in their communities to make the integration decision of the Supreme Court effective. Herald Tribune, June 21, 1955.

FROM THE JEWISH YEAR BOOK OF 1956 (On Page 631). Article by Dr. John Slawson of American Jewish Committee.

"Earlier, I said that the Desegregation Decision of the Supreme Court was one of the major events of the year affecting OUR work. This historic ruling is a significant high water mark in the battle against discrimination on racial, religious and ancestral grounds—A battle in which THE AMERICAN JEWISH COMMITTEE has long been among those LEADING THE ASSAULT. It was most fitting therefore that WE were VERY CLOSELY INVOLVED with the Supreme Court decision. Not only were WE active, along with other organizations, in the filing of an AMICUS brief, but WE CONTRIBUTED MATERIALLY to the SOCIAL THEORY upon which the desegregation decision was based. The ruling, you know, gave great weight to SOCIOLOGICAL and PSYCHOLOGICAL factors. It was from the Mid-Century White House Conference on Children and Youth, headed by Melvin A. Glasser, that MUCH of the SOCIAL THEORY which INFLUENCED THE COURT'S DECISION EMERGED. The fact finding studies from which this THEORY developed probably WOULD NOT HAVE BEEN MADE WERE IT NOT FOR THE AMERICAN JEWISH COMMITTEE."

Excerpts from a Communist Booklet distributed by the Communist Party in 1954 and published by New Century publishers, N. Y.

"The American Way to Jobs, Peace, Equal Rights & Democracy—The Program Of The Communist Party"

We urge prompt federal action to wipe out every form of discrimination in employment and job opportunities for Negro workers in Government service and in-

dustry. This can help end the practice of hiring Negro workers last and firing them first, of denying them opportunities for advancement as skilled workers, or of employment as white-collar workers or professionals. A federal FEPC, strictly enforced, can help prevent the corporations from pitting one group of workers against another and from reducing wage standards for all workers.

We further urge federal legislation to outlaw poll-taxes and all restrictions on registration, voting and election activity which operate to disfranchise the Negro citizen in the South.

We urge federal civil rights legislation and executive and administrative orders to outlaw lynching, segregation and Jim Crow. We urge an immediate end to segregation in the educational system, health and hospitalization services, in transportation and housing, in meeting houses and public parks in the South and throughout the land.

We call upon wage workers, working farmers, the Negro people, small business and professional people, upon the women and the youth, to join hands in a common fight against the ravages of economic depression, against the menace of McCarthyism—for jobs, peace, equal rights and democracy. We urge support for the anti-depression demands of the A.F. of L. and C.I.O., for the progressive farm demands of the National Farmers' Union, for the democratic demands of the National Association for the Advancement of Colored People, for every proposal, every action, which can help save our people from threatening economic ruin, fascism, and war.

and moral obligation for the socialist idea of demanding privileges for themselves that en masse they are not ready to receive and that will take away many rights and liberties of other more responsible people and businesses.

True Christian Americans must become informed and exert dedicated action now to save the negro from himself, to put the church back on its true soul-saving mission, to maintain individual rights and liberties for all people; and to bring about a moral and spiritual rebirth in America that will kill the power of the present controlling influences that are bringing chaos to the American scene, creating human hatreds where they did not exist, and promoting mob law breaking and moral decay where respect for law, order and decency have previously reigned.

The irony of it all is that our Nation's Capitol has been promoted into the greatest example of such moral and social decay, until today it is unsafe for decent women to be on the street or in their own homes alone. Decent people are moving out. The great fear of those promoting the negro march on Washington was outbreak of violence. They know the great hatred they have instilled into their negro stooges. These promoters took every precaution and were on complete edge all day for fear of such an outbreak that would reveal their true image. The Kennedys spent taxpayers money like water to prevent this and to hide the true image of promoted negro hatred for the white man. Constantly the controlled press hides the high rate of rape, promiscuity and general crime among negroes in Washington and the large cities of America.

Negroes will never be legislated into economic and social equality or satisfaction. Such trial legislation will result in failure and chaos. Negroes will attain their real economic, social and moral status when they individually and collectively grab the burning desire coupled with personal ambition to meet the obligations, to work honestly and prudently for it, and invoke for themselves the principles of business venture, economic acumen and social responsibility that will allow them to live where they wish and go where they please without degrading the existing social atmosphere and trying to enforce the sin of integrated homes which is now being promoted by Red Frontiers such as Dr. Ralph Bunche, Congressman Adam Clayton Powell and others who have been forced into these places of power to implement in America the wishes and designs of the Marxist Jewish planners.

The majority of responsible Americans know the present Civil Rights agitation is false, and that it was started by subversive elements. The great cry is, "But what can I do? This you can do, and for the sake of America, you must. Write Congressmen and Senators now. Let them know how you feel. Demand that your local church leadership wake up, get the facts, rebel against their powerful overlords, and promote real Christianity." Send copies of this issue of Common Sense to your friends and neighbors. Get them informed. An informed citizenry will guarantee a free America.

ISRAEL DOES NOT PRACTICE WHAT IT PREACHES

Hypocrites and Deceivers

Here we reproduce a few of hundreds of indications that the Pharisees who call themselves Jews are deceivers. Jews are the brains and original promoters of desegregation in the U.S. so as to confuse and divide our people to make us easy prey for communism. Nowhere in the U.S. are the negroes treated to any degree like the dark Jews in Israel. Something like the nine

Is This Not Proof?

EARL WARREN, Supreme Court Justice who rendered the infamous Black Monday decision on integration, with Dr. Louis Finkelstein of the Jewish Theological Seminary. According to the New York Times of 9/14/57, Warren studied Talmud Law and took a course of instructions in "judicial decision-making processes more than 2,000 years old." Felix Frankfurter took Warren under his wing and no doubt advised him in many of his decisions.

judges on the Supreme Court who voted to force negro and white children into the same schools, yet send their own grandchildren living in Washington to segregated schools in Virginia.

APPEAL FROM DISTRESSED INDIAN VICTIMS IN ISRAEL

Merciful Brothers and Sisters,

We the deceived Indian victims were never persecuted in India and never knew what persecution was.

Soon after the state of Israel was created the religious agents of the Israeli Government started coming to Bombay and holding private meetings in Jewish Schools and Synagogues.

During the meetings they promised us on Oaths that in Israel we would be provided with work according to our profession, decent houses to stay and good education to our children. In the meetings they used to recite portions of the TORAH (Holy Bible) and used to explain the wrong meanings, as we were ignorant to understand the Hebrew meanings then. Knowing that we were religious and God fearing they took advantage of our ignorancy to understand the meanings and explanations of the Holy Bible they told us everything to corrupt and charm us. The sole idea being that we should immediately immigrate to Israel.

Believing and having faith in the religious agents of the Government of Israel and also thinking them to be faithful and also the Angels of the Holy Land we took every word of them to be Holy. We started resigning our old and long service jobs which we used to enjoy and sold all our belongings at very low prices and started packing for the Holy Land.

We are professionally Fitters, Turners, Weavers, Spinners, Carpenters, Typists, and English Clerks of all types.

Soon on our arrival in Israel first of all we were blessed at the airport with ARMY SERVICE BOOKS that is compulsory invitation to serve the army. Secondly we were removed to very far off places and given Tin or wooden huts to stay with no light, water, and sanitation. Work as promised was not provided neither of our profession nor any other kind. Education to our children as promised was also not respected.

In the whole we were totally fooled, bluffed, cheated, robbed and deceived.

Waiting with patience for a very long period and spending all our lives long savings and also selling out our womenfolks golden ornaments in the hope of a good turn

but no, there was no hope for the future.

We appealed to the President of the State, the Prime Minister, Labour Minister and the Labour Exchange of the Government of Israel to help us and provide us at least with work either of our profession or any other kind of work so that we should eat and live but of the hundreds of appeals to all the above mentioned gentlemen, we never at least received any acknowledgment from any of the above gentlemen. We appealed to the President of the International Court of Justice, the President of the United Nations Organizations, the Chairman of the United Nations Conference on Human Rights begging them to take up our Case and give us FAIR JUSTICE but these gentlemen also neglected us and never replied.

After trying at all possible centres for help and as we could not find any, we held PEACEFUL SITDOWN STRIKES on many occasions at the doors of the Authorities but on every occasion we were mercilessly beaten by the Police and driven by force.

There is COLOUR BAR in Israel and we Indians are discriminated.

When we are not given employment, when our sick are not given proper medical treatment, when our children are not given proper education, when we are treated worse than SLAVES, and where grievances and voices are not heard by the authorities then what is our and our childrens future? How long can any decent man tolerate? WE ARE STARVING and the Government is busy building villas and buildings for the Ashkenazis.

In conclusion we Indian Jews were deceived to immigrate to Israel for the only reason that they wanted our young sons and daughters to serve their army and for no other purpose. Therefore to cut our long story very short we beg and request all HUMAN loving people to come to our aid and help us to repatriate back to India, and save us and our children from slavery and starvation.

It is a LIE and a big LIE to believe that everybody is treated alike in Israel as claimed by the authorities here. We are ready always to prove that there is PARTIALITY and we Indians are discriminated.

There is many work of our profession in Israel and still we are not provided in spite of our appealing and crying and in spite of the promises on oaths given to us before our immigration. Why at all we were promised when they could not respect it? If the authorities will claim that there is shortage of work then why all the HUE and CRY for more immigration? From where they would provide work for the new immigrants? Definitely there is sufficient of work but for whom, the authorities know better. This is another STUNT to get more money through the U.J.A.

Thousands of persons are fleeing the country, who are they? and why are they fleeing the country?

Finally we are treated worse than animals in Israel and we have nobody to help us so we are left at the mercy of the merciless deceivers who made us beggars by the false promises and propaganda, who made us leave our long service and permanent jobs which we were enjoying, who ruined our and our childrens good and bright future and who made us their victims by false Oaths in Synagogues and made us their slaves for their own benefits and that is to swell their army with our young sons and daughters.

Once again we appeal in the fair name of humanity to everybody to come forward and help us to return to our MOTHER COUNTRY INDIA, for we are ashamed to call ourselves JEWS in this so-called JEWISH STATE.

We beg to remain,

DISTRESSED INDIAN VICTIMS IN ISRAEL.

Integration Not For Jews

One only has to read Zionist papers to find out what Jews think about marrying Christians. The Minneapolis Morning Tribune, Aug. 3, 1963 carried an interesting item under the headline "RABBI CALLS DATING NON-JEWS DANGEROUS," and we quote:

"A rabbi complained of an 'extremely dangerous' trend towards dating between Jewish and non-Jewish students at the University of Minnesota. Rabbi Louis Milgrom said experience in counseling Jews at the university leads him to believe that 'the degree of intermarriage as well as interdating continues to rise and will not abate until something is done on a fairly large scale throughout the community.'"

Brotherhood Israel Style

Newspapers throughout the country recently carried items to show the world how tolerant Jews in Israel are of their Christian brethren. The New York Times of Sept. 11, 1963 reported that at least 200 Ultra-orthodox Jews stormed into the Church of Scotland school in Jaffa beating the children and causing considerable damage. Riots against Christian missionary activities took place in three Israel cities. The Jewish youths, who were students devoted to the furthering of Orthodox Jewish education, broke into the courtyard of the Catholic Missionary School of St. Joseph, a Christian Brothers School, a Finnish Lutheran Mission School causing considerable injury and damage.

Reds Spark Racial War in 1920

HERE IS PROOF OF THE RED NEGRO PLOT AGAINST THE USA

"...the Communist negro drive was started in the United States in 1920. According to James W. Ford, negro Communist Party leader, as stated in the House Un-American Activities Committee report of July 21, 1947).

Negro Leaders Trained in the Soviet

Many U.S. negroes were sent to Russia in 1928 for training in revolutionary tactics by order of Stalin who with other Soviet leaders believed that the negroes constitute the most potential revolutionary force and planned to thus use them. "COMMUNIST PARTY IS CHAMPION OF WORKERS, WORKING FARMERS, NEGRO RACE

The Communist Party considers it its historic duty to unite all workers regardless of their color against the common enemy, against the master class. The Negro race must understand that capitalism means racial oppression and Communism means social and racial equality."

Excerpts from DAILY WORKER, (Official Communist paper in America) Saturday May 26, 1928.

Reds use Students in Movement

"... Communists in this country are continuing to exploit this nation's racial difficulties. The sit-in demonstrations in the South were a made-to-order issue which the party fully exploited to further its own end. The Communist Party strategy was not to openly advocate picketing, inasmuch as this would tend to expose its members, but

rather to get behind the movement by urging college students to take the initiative."

J. Edgar Hoover, FBI director testimony presented to a House Appropriations Subcommittee, March 6, 1961.

RED PROPAGANDA IN 1928

Below we reprint the Forward section of a communist booklet titled "American Negro Problems." A program of racial strife for the United States presented by a representative of Moscow named Joseph Pogany (alias John Pepper, alias John Schwartz, alias John Swift, etc. etc.) published in 1928 by Workers Library Publishers, 35 E. 125th Street, New York.

American Negro Problems

By John Pepper

Worker's Library No. 9 — Forward

The Communist Fight for the Negro Cause. The two major capitalist parties, the Republican and Democratic, and their small brother, the Socialist Party, have an unwritten "gentleman's agreement" on the Negro question. According to this sacred "gentleman's agreement," which no capitalist politician has dared to violate in the present election campaign, there is no Negro question in the United States, there are no problems of social and political equality, no questions of discrimination against the Negro masses. During the whole course of the election campaign there has been only one political party which has had the courage to violate this "gentleman's agreement" to keep a deadly silence on the Negro question. The Workers (Communist) Party of America has come out in its election platform and in its whole election struggle as the fearless champion of the Negro masses.

The southern states are stirred up by the political struggle of the communist speakers and organizers for the Negro masses. Communist anti-lynching leaflets are being distributed everywhere.

The candidates of the Communist Party are everywhere putting up a courageous fight for the full social and political equality of the Negro race.

The meetings of the Communist Party have been broken up in Arizona, in Texas, in Delaware, and in other southern states, because the communist spokesmen dared to tackle the Negro question and were bold enough to call the Negro workers to their meetings.

The Ku Klux Klan, the American Legion, the forces of police and other organs of governmental terrorism are mobilized everywhere against the communists, because the Communist Party is the only party of the working class and of the oppressed Negro masses.

One, if not the most outstanding, feature of the election campaign of 1928 is the fact that communist speakers, organizers, and candidates for President, Vice-President, and Governor are being jailed everywhere because of their uncompromising struggle for the Negroes.

To this brief forward to the following essay on some of the basic Negro problems in America, we wish to add the principal demands for the oppressed Negro masses as embodied in the Platform of the Workers (Communist) Party of America:

1. Abolition of the whole system of race discrimination. Full racial, political, and social equality for the Negro race.
2. Abolition of all laws which result in segregation of Negroes. Abolition of all Jim Crow laws. The law shall forbid all discrimination against Negroes in selling or renting houses.
3. Abolition of all laws which disfranchise the Negroes.
4. Abolition of laws forbidding intermarriage of persons of different races.
5. Abolition of all laws and public administration measures which prohibit, or in practice prevent, Negro children or youth from attending general public schools or universities.
6. Full and equal admittance of Negroes to all railway station waiting rooms, restaurants, hotels, and theatres.
7. Federal law against lynching and the protection of the Negro masses in their right of self-defense.
8. Abolition of discriminatory practices in courts against Negroes. No discrimination in jury service.
9. Abolition of the convict lease system and of the chain-gang.
10. Abolition of all Jim Crow distinction in the army, navy, and civil service.
11. Immediate removal of all restrictions in all trade unions against the membership of Negro workers.
12. Equal opportunity for employment, wages, hours, and working conditions for Negro and white workers. Equal pay for equal work for Negro and white workers. J. P.

NAACP Program in 1954

(From press dispatches covering the 45th annual convention of the NAACP at Dallas, Texas, June 4, 1954).

1. Continued "social progress" of negroes.
2. Enactment of F.E.P.C. and other civil rights legislation.
3. Methods of implementing and extending the school segregation ruling of the Supreme Court.
4. Elimination of racial barriers in housing, including privately-owned housing developments.
5. Removal of segregation in trains, buses, waiting rooms, etc. including local and intra-state transportation.
6. Elimination of segregation in public parks and other recreational facilities with emphasis on children's playgrounds and parks.
7. Combatting of racial restrictions in hospitals, health services, etc.
8. Curbing of racial discrimination in employment.
9. Political action techniques.

"Free by '63" is the slogan of the NAACP and other pro-negro, left-wing organizations most of whose leaders are Zionists or Red Fronters.

Dear Mr. Hoover:

I am writing to you in regard to a newspaper registered in the U.S. Patent Office under the name of "Common Sense". This paper is published twice monthly by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey.

I refer more specifically to issue No. 414, dated October 1, 1963. On page 3 of this particular issue, there is a two-column article under the heading "UNICEF Promotes Communism". There are charges in this article which have given some of our church members cause for concern. Three of these statements are "The great majority of the money it raises goes to Communist Dominated Countries and is used against us by our enemies!" Another is "It is another Trick to deceive Americans into financing their own destruction". And finally, "Hearings of the Senate Internal Security Subcommittee have revealed a number of communists and pro-communists working for the UNICEF."

These are only three quotes from this article, but they give a good representation of the writer's feelings regarding UNICEF and communism. I would like to know:

1. Is this a reputable newspaper?
 2. Is UNICEF communist dominated?
 3. Do the communist receive the major benefit of UNICEF collections?
 4. Should our church and denomination be a part of the support of this organization?

Dear Sir:

I have recently received a copy of "National Committee of Christian Laymen", P. O. Box 5056, Pheonix, Arizona and a copy of, "Common Sense" Union, New Jersey.

These publications accuse certain people and organizations of being a part of and the promotion of Communism. Also is a listing of known Communist organizations known to the public? If so, I would appreciate a copy.

REC'D-READING ROOM
FBI

Dear [redacted]:

I received your letter of October 31st.

With regard to your inquiry concerning "National Committee of Christian Laymen" and "Common Sense," I would like to point out that the FBI being an investigative agency of the Federal Government neither makes evaluations nor draws conclusions as to the character or integrity of any organization, publication or individual. I regret I am unable to help you and hope you will not infer either that we do or do not have data in our files relating to these publications.

In response to your request, I am enclosing a copy of the list of organizations which have been cited as subversive by the Department of Justice of the United States pursuant to Executive Order 10450. You may also wish to secure a copy of "Guide to Subversive Organizations and Publications," prepared and released by the House Committee on Un-American Activities. In it are listed groups and periodicals which have been cited by various state and Federal agencies, and a copy of it can be purchased for seventy cents from the Superintendent of Documents, United States Government Printing Office, Washington, D. C. 20402.

NOTE: Bufiles contain no identifiable information concerning [REDACTED]. There have been many inquiries concerning "National Committee of Christian Laymen" which were prompted by differences among denominational groups. It has never been investigated by the FBI and correspondent is referring to a copy of their publication. "Common Sense" is a violently anti-Jewish, anti-Negro, and anti-Catholic hate sheet which is printed in Union, New Jersey. Copies of this paper have been brought to the Bureau's attention in the past. It is a semimonthly newspaper and was printed by Mr. Conde J. McGinley, Sr., who died on 7-1-63 at the age of 73. Newspaper had been published by McGinley for 17 years and will probably continue under the leadership of his son, Conde, Jr.

Is South Vietnam Another U.S. Sellout?

THE VIETNAM CRISIS

"This is not only a strange sort of war, the most difficult and frustrating type to fight; it is also a war that the U.S. is not yet winning and that could still be lost."

—U.S. News & World Report 9/30/63

In this guerrilla war that has been seeing back and forth for years, American investment has been high. Some fifteen thousand men and many tons of material and equipment have been thrown into the fight. The "war" is costing us \$1,500,000 a day.

Obviously our purpose is to help South Vietnam win the fight against communism in as short a time as possible, and with least possible bloodshed. There has been a black-out of real facts attending our mission there. This fact, coupled with the occasional situations that have developed—culminating in the present crisis we now face, all add up to one word: a MESS. Since an undetermined number of American lives and amount of property is at stake, not to speak of the fate of all Southeast Asia, it is necessary to take a long hard look at our foreign policy, and our entire approach to the South Vietnam venture. Is it mere mismanagement, inexcusable blundering, or planned systematic treason?

No one denies President Ngo Dinh Diem is waging an aggressive fight against the communists. He is perhaps the only leader in South Vietnam capable of so doing. On the spot reporters have come back convinced he has the people with him.

"Foreign Policy is everybody's business,"
—Dean Rusk

The Vietnam war is widely referred to as the war we are not winning. We believe Americans are entitled to the answers from Washington to the following questions, especially with respect to the present crisis.

Why are not all the actions of the Diem government looked upon from the viewpoint of a country in total war against communism, under which circumstances total war policy is followed?

Why is the internal Buddhist-Diem conflict being publicized as a religious war, instead of the internal conflict it is?

"Foreign Policy is everybody's business?" Maybe Mr. Rusk will explain the following: Thirty-two Christians appealed to the American Embassy in Moscow in January of this year for refuge. After travelling 2,000 miles they sought religious liberty. They were refused! They were sent home! Need anyone guess as to what their fate is today? Eight months later two Buddhist Monks applied for refuge to the American Embassy in South Vietnam. They were granted asylum over the protest of the Vietnamese government! Evidently Washington didn't want to offend Moscow. How about some sympathy for the thousands of Christians who are living and dying under communist tyranny 90 miles from the U.S.A.?

Why this sudden concern for the Buddhists? Is the Administration aware of the affinity between the Buddhists and communists?

— A REAL FIGHTER —

Ngo Dinh Diem, President of South Vietnam, has been fighting for Vietnamese independence most of his adult life—first against the French, then against the Japanese, finally against the Reds. At 53, he is a dynamic ruler, a faithful friend of the United States.

According to Holmes Welch (Time, Aug. 9, 1963) "Many Buddhists believe that Buddhists and communists have many points in common. They practice some things that the communists so far have merely talked about—no property, a communal life, and devoting oneself to the people and world peace. It may be true that Buddha differed from Marx, but such a difference can be rationalized." THE NATIONAL OBSERVER, Sept. 2, 1963, notes that many South Vietnam Buddhist monks attended a communist congress in North Vietnam last year, and in nearby Thailand it was found necessary to lecture some 400 Buddhist abbots against communist propaganda. The Burmese philosophy which is very influential in Southeast Asia is based on the synthesis of Buddhism and Marxism!

If the spilling of Buddhist blood is so painful to the Administration, because it abhors "religious persecution," why was not the same concern shown for the plight of Christians, mainly Catholics in their flight from North Vietnam in 1954, thousands of whom were killed or drowned by communists?

Let the EVENING OUTLOOK of Santa Monica, Calif., tell the story if the kept press won't:

"Thousands upon thousands put to sea in hold-sinking boats and fragile rafts, and were rescued outside the three mile limit by American and French warships. Some drowned, others were killed or kidnapped by the communists. Families were torn apart. This happened because the reds blocked the roads although they promised in the Geneva Agreement to permit and assist anyone wishing to leave. . . . Yet the story of it received scant coverage in the press."

Is the Administration unaware that a person can become a Buddhist "monk" by, simply deciding to become one?

Is the Administration aware that true Buddhist teachings bar violence? The Ambassador to the U.S. from Thailand, himself a Buddhist, speaking before the Tenafly, N.J. High School Foreign Policy Club on Sept. 10, stated that the monks and nuns who burned themselves to death were not following Buddhist teaching. The Ambassador said the Buddhist doctrine is against killing of any kind—"A Buddhist never resorts to violence." Does it not stand to reason there is a sinister purpose entirely separate from religion behind this self-burning of monks and nuns?

Is it true the entire policy maneuvers of the U.S. in South Vietnam are being directed from the sixth floor of the State Department by the newly appointed Assistant Secretary of State for Far Eastern Affairs, Roger Hillsman, Jr.?

WHAT ABOUT MME. NHU?

What is behind the campaign of vilification against Mme. Nhu in the American Press? What has she done? Mme. Nhu is an elected member of the Assembly. She is a courageous Christian who hates communism and is working for ultimate peace in her country. Mme. Nhu has a list of positive legislative accomplishments to her credit. Among other things she has helped pass bills making adultery a criminal offense, outlawing polygamy, banning prostitution and abortion. But she made a recent statement that may be the "cue" to the liberal cry that she must be stopped. In a recent speech to her woman's army she called Buddhist agitation "an ignoble form of treason which reduced Buddhism to the despicable rank of Phariseism!" (Time, Aug. 9, 1963) Is this the answer?

According to "Trend," a column in the N.Y. Journal American, Oct. 6, 1963, the chief Administration headache is: "How to cope with a Viet Cong 'peace offensive' expected momentarily, with Reds seeking 'deal' like that accorded in neighboring Laos to communist Pathet Lao."

"Pact in Laos, worked out by Undersecretary of State Harriman, gave Reds huge chunk of territory on truce terms. Viet Cong figures similar deal could be worked out for Vietnam, are willing to negotiate settlement . . . or keep on fighting."

Is this what we face in South Vietnam? We have Drew Pearson's word for it:

"Kennedy has adopted Morgenthau's proposal of Better Understanding with the communist world, and made it the OFFICIAL POLICY OF THE U. S." (Newark Evening News, Oct. 6, 1963).

We do know what has happened! We lost at Teheran! We lost at Yalta! We lost at Bretton Woods! We lost in China! State Department policy was to let China fall, but not let the American people know it was falling. We know what happened in Korea. Lt. General George E. Stratemeyer summed it up in these words:

"You get in war to win it. You do not get in war to stand still and lose it. And we were required to lose it. We were not permitted to win."

The Real Walter Reuther - and his "fight for a Soviet America"

By Sherman A. Patterson

WHO IS WALTER REUTHER?

Walter Reuther is perhaps the most dangerous man in America today.

He was born, reared and schooled in a communist environment. His father and grandfather were Reds. As a boy, his hero was Eugene V. Debs, the top Socialist revolutionist of his day, whom Walter visited while in prison.

While going to school he organized his first Red movement, a branch of the League for Industrial Democracy, originally called the Intercollegiate Socialist Society.

"EDUCATED" IN RUSSIA

He became such an ardent pro-communist that he and his brother, Victor spent 18 months in Soviet Russia working, teaching and studying first-hand all of the communist techniques in agitation, propaganda, class warfare and revolution.

January 20, 1934, the Reuther brothers wrote a letter from the Soviet automobile plant at Abmavoz, Topkino, Russia, to two of their "comrades" in Detroit, Melvin and Gladys Bishop, in which they pictured communist Russia as heaven on earth.

After referring to American industrialists as "parasites," they were lavish in their praise for Lenin and for the Red "Workers Paradise," Soviet Russia.

They further wrote:

"What we have learned . . . of the rising discontent of the American workers, makes us long for the moment to be back with you in the front lines of the struggle . . .

"We are more than just sympathetic towards OUR country" (Soviet Russia), "we are ready to fight for it and its ideals. . .

"Carry on the fight for a Soviet America." (Signed) "VIC AND WAL" (Victor and Walter Reuther)

CARRY ON THE FIGHT FOR A SOVIET AMERICA

Upon their return to America, the Reuther brothers enrolled at the Marxist Brookwood Labor College where they learned the fine points of strategy used by the Red agitators and revolutionists in the United States.

Walter Reuther worked hand in glove with the communists. He raised money for the communist cause in Spain. He became the leader of the bloody communist inspired sit-down strikes in the automobile industry in Detroit and Flint.

Walter Reuther is a thoroughly trained, finished, experienced Marxist. He is a vicious, ruthless, lawless . . . agitator. His personal greed for POWER knows no end.

With his strategic position as the dominant figure in the Red-front Americans for Democratic Action, he is in position to wield an ever increasing effort, through agitation and propaganda, through strikes, bloodshed and rebellion, to destroy this Constitutional Republic, to enslave the wage earners of our nation and to make his ambition of 1934— to "carry on the fight for a Soviet America" a horrible reality.

Nothing he has said or done to this day would indicate for a moment that he has changed in the slightest from his goal of 1934— to CARRY ON THE FIGHT FOR A SOVIET AMERICA.

Loyal American wage earners should never lose sight of the fact that the same red revolutionists who would take from the business man the right to own and operate his own store or factory would, when they come into power, also take from the WORKER his right to own his own home or automobile, and take from the farmer the right to own and run his own farm.

REUTHER PRESSURES KENNEDY TO ABOLISH RIGHT WING IN U.S.

Walter Reuther

On January 6, 1958, John L. Lewis, in a national television show made this statement: "Walter Reuther is an earnest marxist."

—The Arizona Republic, Jan. 7, 1958.

There is no half-way road to freedom. American mill and factory workers must start thinking for themselves, and STOP paying tribute to the Walter Reuthers, the David Dubinskys, the Emil Rieves, the George Baldanzis and the Jacob Potofskys, or they will find their freedom gone, their lives enslaved and our boasted "American standard of living" just a fading memory.

It CAN happen here!

At a public meeting at the Masonic Temple in Flint, Mich., March 18, 1936, Walter Reuther gave a glowing account of his pil-

grimage to Moscow. In response to a question about religion in the Soviet, he said: "We (including himself as-a Soviet proletarian) do not believe in God, but that man is God." Reuther has accepted an "award" from the notorious National Religion and Labor Foundation, which included such discredited reds as A. J. Muste and Claude Williams, as Executive secretaries.

THE REUTHER MEMORANDUM

Walter Reuther is president of the United Auto Workers, vice-president of the AFL-CIO and president of the Industrial Union Dept. of the AFL-CIO.

He is a dominant figure in COPE, the multi-million dollar political arm of the AFL-CIO and a member of the AFL-CIO executive committee.

He is a militant race agitator and a lush contributor of union funds to the NAACP and other integration groups. He helped finance the NAACP's legal department in its arguments before the Supreme Court in the school de-segregation cases.

He is a member of the national board and dominant figure in Americans for Democratic Action, the socialist, communist-aiding pressure group that sets the pace for all leftist political and legislative activity.

STILL CARRYING ON THE FIGHT FOR A SOVIET AMERICA

Reuther is vice-president of United World Federalists, a vicious organization which would abolish America as a free, independent and sovereign nation, making us subservient to the anti-American socialist-international "one world" ideology.

He has maintained, over the years, his position of leadership in the radical, Marxist League for Industrial Democracy, which was supported by the communist Garland Fund.

This is the same Walter Reuther who, with his brother, Victor, wrote a letter from Russia to friends in Detroit, Michigan, in 1934, lavishly praising Soviet Russia and

"RED EVIDENCE"

This 1934 photo, printed in Soviet labor paper Trud with an article attacking UAW president Walter Reuther as deserter of a Russian wife and betrayer of workers, shows Reuther (seated, front) and brother Victor (right) with factory group at Gorky.

telling them to "Carry on the fight for a Soviet America."

Well, the Reuther brothers—Walter and Victor—haven't changed their ideologies one iota since that time.

THE REUTHER MEMORANDUM TO ROBERT KENNEDY

It has now been revealed that, in the fall of 1961, Walter Reuther discussed with Attorney General Robert Kennedy steps that should be taken to combat the growing influence of "RIGHT WING" individuals and organizations throughout the country, and promised to write a "memorandum" for him on the subject.

The "memorandum," a 24-page document, actually written by Walter Reuther's assistant, his brother Victor, was forwarded to the Attorney General by the Reuther brothers.

This "memorandum" reveals, for all to see, the vicious un-American, totalitarian ideologies, not only of the Reuther brothers, but of the whole AFL-CIO set-up, which is dominated by the Reuthers and their ilk.

The "memorandum" went to great lengths attacking pro-American and anti-communist activities.

SUPPORT "NO WIN" POLICY —ATTACKS J. EDGAR HOOVER

This Reuther "memorandum" bitterly attacked the "right wing" activities within our armed forces. It is, of course, the "right wingers" among our military leaders who are opposed to communist treason and it is the left wingers in our State Department and in our military establishment who are responsible for our "no win" policy that has dictated surrender after surrender to communist tyranny around the world.

The "memorandum" brazenly attacked FBI Director J. Edgar Hoover, charging that he "exaggerates the domestic communist menace at every turn."

The "memorandum" would deny all the "civil rights" of citizenship to right wing, patriotic groups. In typical Soviet police state fashion, the Reuthers suggest that the Kennedy Administration use the Department of Justice, the Treasury Department and the Federal Communications Commission to harass, frighten and destroy the influence of right wing groups.

This is the most contemptible and diabolical document we have ever seen. Communist Party leader Gus Hall could not have done a better job in attacking American patriotism and loyalty, and promoting the ideologies of the socialist-communist conspiracy.

OTHER AFL-CIO RADICALS DESPISE PATRIOTS

Neither are the Reuther brothers alone in this thing. Other top bosses of the AFL-CIO like Jacob Potofsky, of the Amalgamated Clothing Workers; David Dubinsky, of the Inter'l Ladies Garment Workers and most of the other TOP BOSSES of the AFL-CIO never lose an opportunity to denounce American patriots and drastically soften their words when they decide to criticize the communist conspirators.

William Pollock, president of the Textile Workers Union of America, AFL-CIO, in a recent speech in St. Louis, Missouri, attacking "right-to-work" laws, took time out to denounce the right wing as a threat to "the United States Constitution and the Supreme Court."

As the left-wing radical, William Pollock and his kind well know, it is ONLY the "right wingers" who have any desire or intention to PRESERVE and DEFEND the Constitution of the United States.

As to the Supreme Court, certainly the right wing is OPPOSED to such un-American decisions as the school de-segregation decision, the decisions setting known communists free and the decisions denying the right to have prayer or read the Bible in our public schools.

MOSCOW ORDERED TOP COMMUNIST TO GET THE RIGHT WING IN U.S.

Gus Hall (born Alvo Halberg)

"I dream of the hour when the last Congressman is strangled to death on the guts of the last preacher."

(This statement first given before the 8th National Convention of the Young Communist League in New York during May 1937; repeated early in 1961 at the funeral of Eugene Dennis.)

WALTER REUTHER & GUS HALL

Two documents, released within the past three years, portray the roles two well-known figures are playing in the world communist conspiracy. They are Gus Hall, communist, Moscow trained head of the party in the USA, and Walter Reuther, also Moscow trained, who cannot be tagged as a communist, but who could well be a crypto-communist. But let the documents speak. They concern the drive against the "far-right."

The first to put his finger on this drive, Edward Hunter, author of "Brainwashing: The Story of Men Who Defied it," testified on July 11, 1961, that the communist party would come out with an "anti anti-communist drive."

It has since come to light that on Dec. 5, 1960, 81 communist representatives from over the world, meeting in Moscow, signed an important policy document. It reminded communists that "to defend the interests of the working people . . . it is indispensable to wage a resolute struggle against anti-communism."

On July 16, 1961, a few days after Hunter's prediction, Hall stated: "In the opinion of the communist party . . . the threat from the extreme right is serious." Then he called on leftists and liberals, communists and non-communists, to wage a war against the radical right.

A few months later, the now famous Reuther memo was dispatched to the Justice Department urging that the rightwing be curbed. Let's compare these documents as to timing and content. Was it just coincidence that prompted Reuther's anti-right pitch just a short period after Hall's statement?

THE REUTHER MEMO 1961

"The radical right in the armed forces presents an immediate and special problem requiring immediate and special measures."

"The flow of big money to the Radical Right should be dammed to the extent possible."

"Although the Radical Right poses a far greater danger to this country in its battle against international communism than does the domestic communist movement . . ."

GUS HALL 1961

"Higher military personnel are characteristic of this growing Fascist movement." "An organized movement of the Fascist type . . . financed by big business . . . spearheaded by the John Birch Society."

"The threat from the ultra-right continues to mount in the United States."

If it is any comfort to Reuther, statements by Hall, carried in the WORKER as late as June 1963, confirm the fact that the red anti anti-communist drive is still on! And Walter is very much in line with it! As a matter of fact, the Reuther memo is much stronger and more ruthless than even Hall's. This should surprise no one. Although documentation is not at present available, many students of Marxism in America believe that Reuther is a top boss in the communist conspiracy and makes the snowballs for the small fry like Gus Hall to throw.

HOOVER AND THE REUTHER MEMO

An item in the N.Y. Daily News, for Oct. 17, 1963, shows why J. Edgar Hoover is the man the Reuther Memo wants to "kill." Referring to present Communist Party activity, Hoover spotlights a "bold new policy of operating out in the open, particularly in its efforts to influence young people." Hall is in full charge of this effort.

The Party's sudden thirst for publicity stems from its conviction, Dec. 1962, for not registering under Internal Security Act of 1950.

The Daily News item continues:

"Expect To Beat Rap"

"Later indictments of party officials Gus Hall and Benjamin J. Davis, followed by appeals and other legal action, have convinced the party, that no more charges will be brought against members under the act until these cases are finally settled by the Supreme Court, Hoover said. He added that they believe this gives them a leeway of some five years and may in the end result in the law being declared unconstitutional."

This will nullify years of government effort, and could close the door on future moves to stop the Communist Party.

YOUTH GROUP NAILED AS RED FRONT

ADVANCE YOUTH ORGANIZATION has been labeled as a communist front by two informants for the FBI who testified before the Subversive Activities Control Board. Gus Hall, Benjamin Davis Jr. and Bill Albertson, all members of the National Committee of the Communist Party, were main speakers at the convention at which this organization was formed.

—New York Daily News, Oct. 3, 1963

TOO HOT TO HANDLE

"Story of the week: The hottest controversy to hit the national NAACP office in months concerns the printing of 90,000 12-page bulletins designed to show that the organization is not communistic. When officials got ready to distribute the booklets, three name bigwigs on the 48-member board opposed the idea. Results: the booklets quietly were shelved while some board members and branch heads raised a storm about minority rule."

South Vietnam-U.S. Sellout?

— Continued from page 1 —

General MacArthur, who was stopped at the Yalu river, while Chiang was not allowed to defend Formosa, said at the time that unless we then went through to victory, the Reds would take all of Asia. Are MacArthur's words coming true? We have lost in Laos. Will it be the same in South Vietnam? Will neighboring Thailand go next? Is this another sell-out? If so, let's have the names. Americans are no longer asking, but demanding answers.

THE C.I.A.

Why was the C.I.A. representative in S. Vietnam recently recalled? Why is he not being sent back? Why the silence? It was C.I.A. incompetence and blundering, if not outright sabotage, that precipitated the Suez crisis in 1956, the U-2 spy plane incident, and the Cuban invasion fiasco. We quote from Ted Lewis' column (Oct. 4, 1963, N.Y. Daily News) which contains an excellent summation of C.I.A.:

"Now it turns out that in South Vietnam, the C.I.A. has been operating as a sort of third force, competing with the State Dept. and the Pentagon, seeking to push policies based on its own intelligence estimates. Just exactly how the C.I.A. has been fouling up policy decisions made in Washington probably has been determined by the McNamara-Taylor mission, but for delicate reasons it is being kept under cover.

"It is this sort of controversial record through the years that has prompted various respected members of Congress, such as Representative Lindsay of New York, to urge the establishment of a fact-finding and watch-dog committee to get to the roots of the trouble with our intelligence."

Having first come into operation in 1947, the C.I.A. became a successor to the Office of Strategic Services (OSS)—the "cloak and dagger" operation of World War II. Only two names—the Director and the Deputy Director—are listed in the Congressional Directory. The size of the C.I.A. remains an official secret. Only a dozen members of Congress ever see the agency's appropriations requests. Its operations are so secret that hardly anyone in Congress, and less in the Executive branch, know what the C.I.A. is doing, how much it is spending, or what it has to show for its activities! It seems the C.I.A. roster is top secret to all but Reds. In the early winter of 1962, a Virginia attorney, having tried for months to obtain from Washington the number of C.I.A. employees in nearby C.I.A. headquarters in North Virginia, called the Russian Embassy and was given the information immediately!

C.I.A. RECORD

The record of the C.I.A. is one the communists should be proud of. Father Ginder in Our Sunday Visitor, July 16, 1961, stated:

"Our super secret C.I.A. made a botch of the Cuban invasion. After reading the news stories, one could only conclude that the C.I.A. did not try too hard; the invasion must have been betrayed to Castro by someone in C.I.A. itself. (Even Drew Pearson headed one of his columns with the ominous title: Did The C.I.A. Help Castro To Power? ... Ed.) I have it from informed and mutually independent sources that the C.I.A. was responsible for the over-throw of our Korean friend, Syngman Rhee, and that the C.I.A. has frittered away \$1,000,000 in trying to topple our ally on Formosa, Chiang Kai-shek."

According to the Associated Press, May 23, 1961: "Senators have been told that the C.I.A. spent \$45,000,000 for training and equipping a 1500 man guerrilla force NEVER geared for a full scale Cuban invasion ..."

The C.I.A. also meddled in the affairs of the Dominican Republic and was directly responsible for bringing about the mess in that country. Trujillo was an anti-communist and a staunch friend.

Even the late Senator McCarthy, testifying in the "Who's Lying" hearings back in 1954

SPREADING THE TRUTH

Mme. Nhu and her daughter, Le Thuy, leave their hotel for appearance at Fordham University where they were given a standing ovation.

stated that the worst situation we have now with regard to the communists in government, centers in the C.I.A. He said the Reds were "blanketed into C.I.A." when the Office of Strategic Services became the C.I.A.

As far back as Oct. 1, 1952, when Walter Bedell Smith was head of the C.I.A., he was reported in the N.Y. Daily News as saying the Reds infiltrated "every security agency of our government" including his own top level C.I.A.

CONCLUSION

1. We agree with the Ambassador from Thailand that any move to unseat President Diem would jeopardize the anti-communist war effort. The Administration has already admitted this.

2. There is no religious persecution in South Vietnam. It is a fact that less than one-third of Diem's Cabinet Ministers and Army Generals are Catholic. Marguerite Higgins, Asian correspondent of the N.Y. Herald Tribune, insists there is no religious persecution, that the Buddhists in the countryside are behind Diem and that the army morale was never higher.

Miss Higgins stated: "It was Buddhist strategy, as a number of their leaders openly told me, to stir up agitation—and publicity about it at a high level, until Washington finally ordered the new Ambassador Lodge to remove the Diem family from power." Obviously this has nothing to do with religious persecution. President Diem has been the victim of a slick, leftist Buddhist campaign to topple his government for political not religious reasons.

3. The Reds are definitely maneuvering this crisis; many Buddhists are working with them.

According to W.S. Kent Hughes, former member of the Australian parliament, writing in the Washington Post recently, high Buddhists have openly avowed their support for a communist government in Ceylon. A similar tale can be told of Burma.

Referring to the present South Vietnam crisis, New York City Democratic Congresswoman Edna Kelly was quoted in Human Events recently: "It's a smear job against Diem because he is anti-communist."

4. Diem is fighting to save his country. There is sufficient evidence to show a number of concessions on his part to Buddhists, not conceded to other religions, were met by ingratitude. Buddhists intensified their efforts to stir up trouble and unseat him.

5. We believe the C.I.A. should be thoroughly investigated. Congress should withhold all funds until it is certain some limit can be set upon the activities of this bureaucratic group, and to be certain it is not manned by traitors.

6. We urge our readers write Congressman Lindsay of New York and stand behind his efforts to curb the C.I.A. Write your own Senators and Congressman demanding action.

"SAVE THE PANAMA CANAL"

By P. A. del Valle, President
Defenders of the American Constitution

Certain internationalist elements in our federal government, through stupidity or down right subversion, are attempting to surrender our sovereignty over the Panama Canal. In spite of a House of Representatives resolution against it, the flag of Panama now flies in equal dignity with ours, as a symbol of Panamanian sovereignty over the Canal Zone. These same elements are now "negotiating" for actual surrender of dock and repair facilities at both ends of the canal and for Panamanian corridors across the canal. Apparently under pressure, certain Army officials have joined the State Department in this program of piecemeal surrender of our sovereignty.

State Department excuses this surrender of vital and indispensable sovereign rights of the United States upon the specious argument that they cannot or should not be maintained "Under New World Conditions." The exact opposite is the truth. The critical world situation demands that our sovereign rights and powers in this area be maintained at all cost.

This policy follows the Soviet line of world conquest, as in the seizure of Cuba. And, most important, this surrender policy is above and beyond the powers granted in the Constitution to any agency of government. There is no authority under our Constitution for the surrender of our sovereignty, or any part or parcel of it, at any time or at any place.

Loss of control of the Panama Canal could be a fatal blow to the Armed Forces in War. Its construction under United States sovereign rights was a military necessity and still is. Its abandonment is not only unconstitutional and illegal, but could be interpreted as treason. Only our enemy derives aid and comfort thereby. It was built for the NATIONAL DEFENSE, so that our fleet could pass rapidly from one ocean to the other. Its surrender would be a final nail in the coffin of American prestige in the world, and a frank admission that we are no longer able to defend ourselves or the other countries of the Western Hemisphere under the Monroe Doctrine. As in Cuba, the Soviet Union would soon "mauscle in" and TAKE OVER.

Let the Congressmen know you are backing H. R. bill 3999 and H. Con. Resolution 105 to prohibit these unconstitutional "give-aways" and surrender of sovereignty.

COMMON SENSE
STILL PUBLISHING

Common Sense, hate sheet published by Conde McGinley, who died on July 1, continues to appear regularly while son William McGinley and cohorts cast about for an editorial successor. Prime factors in sustaining the publication are its trade in books, pamphlets, leaflets and tracts, and the extensive contacts among bigots across the country built up by McGinley over more than a generation.

According to the sworn report of September 30, required by law, Common Sense publishes an average of 90,000 copies per issue. This embraces a subscription list of 45,000, sales through agents of another 35,000, and a free distribution of 10,000. Title to the paper belongs to a corporation, the Christian Educational Association. John G. Grommelin, Jr. of Montgomery and Hannah Cummings, Philadelphia, are listed as stockholders.

LATIN-AMERICAN REPORT

Chile

The Chilean National Socialist Party, long dormant, made a new bid for the limelight in September.

Its efforts were quickly thwarted by government authorities, who arrested the Nazis' leader, Franz Pfeiffer-Richter, a 27-year-old law student. He was sentenced by a court to a three-year term for offenses committed in 1958 when he was "Grand Dragon" of the "Ku Klux Klan of Chile."

A native Chilean born of German parents, Pfeiffer-Richter flaunted black-shirted uniforms, swastikas and other trappings and boasted of 6,000 followers. "We are anti-Communists and anti-Semites....Our movement follows the same rules set by Hitler in Germany," he proclaimed. Responsible sources indicated that the Nazi group's claims of support were highly inflated, and the movement drew strong denunciations from the press and public officials, who stressed that Nazism was alien to the democratic Chilean way of life.

During 1957-1958, Pfeiffer-Richter, then barely 20, contacted Horace Sherman Miller, a semi-invalid of Waco, Texas, who disseminates leaflets and correspondence under the name of the Aryan Knights of the Ku Klux Klan. Shortly thereafter Pfeiffer-Richter and three followers were convicted of acts against Jews and Jewish institutions in Santiago, including attempted arson. The Chilean Nazi's renewed activity resulted in last month's long-delayed sentencing.

Argentina

Since the official suppression of anti-democratic movements following the excesses of such neo-fascist groups as Tacuara, in 1962, instances of anti-Semitic violence in Argentina have greatly declined. The unusual calm during the national balloting, and the election of pro-democratic Dr. Illia as president, have further reinforced law and order. The distribution of anti-Semitic literature, however, has risen sharply. Such works as "The Protocols," and "The Jew in the Mystery of History," by Father Julio Meinvielle, spiritual advisor of Tacuara, are widely sold at newsstands and bookstores. Arab propagandists have also launched a large-format monthly, Nacion Arabe, printed in Spanish and carrying vicious canards of "Jewish dual loyalty" and "Zionist terror and aggression."

I want to thank you for the information received on October 5, 1963. I had written you about [redacted] Enough of this.

My father and mother own a small sundries store. After work on October 6, 1963 as dad was getting into the car, he noticed a copy of the paper Common Sense, Issue No. 385 dated May 15, 1962. I read this paper and some of the articles in it shocked me beyond description. Question: Is this paper a true, good, communist-fighting newspaper, or is it a communist publication? Please let me know as soon as possible.

Dear Mr Hoover:

I am in receipt of a small paper entitled, "Common Sense." Copyright Reg. 1948. Comes from Union, New Jersey. Founder and Editor, Conde McGinley.

Where would I write to find out about this paper? It is very much Anti-Communist, and is dead set against International Jews. It is now being sent to one of my church members homes, and I am a little anxious to know if it is in any way connected with the American Nazi Party etc.

Sincerely yours.

Foreign Aid - Life Blood Of Communism

U.S. GOVERNMENT BANKRUPTING TAXPAYERS INTO SLAVERY

By Hilary Grey

At this time when the Kennedy Administration is again projecting its proboscis into other people's business and criticising Canada and other countries for jaggling in "foreign aid" expenditures, it might be well to examine this question. Hilary Grey is a Royal Navy veteran who saw service in many theatres of World War II, including the Anzio landing. He has degrees at the Universities of Oxford and Manitoba, and has contributed to leading patriotic journals in Canada, the United States, Britain and France. —Ron Gostick

FINANCE THE REDS

Many Christian leaders have made statements in recent years in favour of the foreign aid programme. And much publicity has been given to the recent Encyclical of Pope John XXIII, *Mater et Magistra*, which emphasises the moral obligations of the wealthy or "have" nations to aid the needy or "have-not" nations. Liberal and ultra-Leftist writers everywhere have used the Pope's words, as well as those of other Christian leaders, to justify the current foreign aid programme of the United States, Canada, and other Western countries.

This review, while readily admitting that a Christian's first duty is to "love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and all thy mind; and thy neighbour as thyself," will prove that the present foreign aid of the West is communist in origin and designed to finance the emerging Communist World State.

ORIGIN CURRENT TYPE FOREIGN AID

Far from being an example of serving God and loving one's neighbour, our foreign aid policies help the communists rivet the shackles of a cruel slavery upon their long-suffering peoples. How can financing the cause of atheism and anti-Christ be an example of "serving God"? How can a means of fostering and/or maintaining in existence "the most dreadful evil of our times" (Pius XI's description of Communism in His Encyclical, *Caritate Christi*), be an example of loving one's neighbour?

Merely to ask these questions is to show the absurdity of the propaganda with which we are being brainwashed.

Foreign aid, as presently applied in the current programmes of the West, is in fact a direct violation of God's first and greatest Commandment.

And for the real author of current-type "foreign aid" we must look not to the Pope but to Joe Stalin, whose work *Marxism and the National Colonial Question* says:

"It is essential that the advanced countries should render aid—real and prolonged aid—to the backward nationalities in their cultural and economic development. Otherwise it will be impossible to bring about the peaceful co-

Arrest That Man!

existence of the various nations and peoples that is so essential for the final triumph of Socialism."

In his work, *Leninism*, Stalin also referred very significantly to "the combination of the Russian revolutionary sweep with American efficiency" as being "the essence of Leninism in Party and State work." (Page 85, Lawrence & Wishart, London, 1940, authorised translation).

That far-seeing chairman of the US Congress Banking and Currency Committee, Mr. Louis McFadden, seemed to realize that some sort of liaison of this nature existed between the international financiers of the United States and the international communists of the USSR, for he said on the advent of the New Deal on the 10th of June, 1932:

"Russia was designed to supply the man power and this country (the US) was to provide the financial power to an inter-national super-state—a super-state controlled by international bankers and international industrialists, acting together to enslave the world for their own pleasure."

The New Frontier is the logical extension and perhaps culmination of the New Deal. Remember President Kennedy's significant remark:

"We are here to finish Roosevelt's work."

UN WORLD GOVERNMENT

The world super-state foreseen by McFadden is now on top of us. It is United Nations World Government on a population basis, and to which President Kennedy and all members of the New Frontier are deeply committed. Even before his election, Kennedy was an ardent supporter of the United World Federalists.

Because the communists and their Afro-Asian allies now have a majority of the world's population, UN World Government

would be Red-controlled, but financed by the West. No wonder that an analysis of 178 of the top American leaders of the World Government movement in 1949 revealed that they belonged to no less than 1,696 officially-cited communist fronts!

According to a March 31, 1962, UPI report from Geneva, the US was ready to submit to the Geneva Disarmament Conference a plan calling for elimination of national armies within nine years and their replacement by a UN force. The US plan was submitted to the 17-nation group to counter a Soviet draft treaty for general and complete disarmament within 4 years. Full details of this plan were issued at the end of 1961 by the US Government in State Department Publication 7277, entitled *Freedom From War*, available from US Government Printing Office, Washington 25, D. C., for 15¢.

Dr. Robert Morris, President of the University of Dallas and formerly chief counsel for the US Senate Internal Security Subcommittee, writing in *The Wanderer*, Aug. 9, 1962, said of this plan:

"We are pleading with the communists to accept our 'disarmament plan' which calls for the dissolution of our magnificent military establishment in three stages and the transfer of all military power to a 'UN Peace Force.' We are making concession after concession to have them accept our proposals. 'This is not a disarmament plan at all. It is a plan for merger with our enemies. It is the creation of a world army possessing all the weapons in the world in which our influence would be an insignificant minority. In this merger the entire West World would be a shrinking minority. Left-leaning 'neutrals' such as Sukarno, Krishna Menon and Souvanna Phouma and the growing Soviet bloc would rule this army and we would be subject to this combine. . . With their rule, free enterprise, our religious and common-law heritage, our Constitution, our Bill of Rights, would be diluted beyond recognition."

Referring to this diabolical plan of Kennedy, D. H. Connors wrote:

"In plain words, the United Nations will have the only big gun left in the world. And holding the trigger will be the head of the UN Peace Force who has always been, and is now, a communist."

—The Green Bay Register, May 18, 1962

If further proof of the communist nature of UN World Government be needed, consider the UN office which controls all UN military forces—we quote from the Oct. 25, 1962, issue of *The Wanderer*:

"As we observe UN Day on October 24th, Americans should realize that the seventh consecutive communist has recently been appointed to the No. 2 position in the United Nations: the office of Secretary of Political and Security Council Affairs, Eugene Kiselev, the

—o— Please turn to page 2 —o—

Foreign Aid

— Continued from page 1 —

present communist in this position, succeeds Arkady Sobelov, Constantin E. Zinchenko, Ilya S. Tchernychev, Dragoslav Proletich, Anatoly Dobrynin, and Georgy Petrovitch Arkadev. This office has control over all UN military, political, nuclear, disarmament and other vital questions. This arrangement, under which a communist has always held the second most important UN position, is the result of a secret agreement made between Molotov and Secretary of State Stettinius (Alger Hiss was one of his advisers) in London in 1945, and which was revealed in the book written by the second UN Secretary General, Trygve Lie, "In The Cause Of Peace," page 45 and 46."

No wonder such a respected figure as ex-President, Herbert Hoover, said last Aug. as reported in The Wanderer, Aug. 19:

"We must realize," said Hoover, "that the United Nations has failed to give us even a remote hope of lasting peace. Instead, it adds to the dangers of wars which now surround us."

The communist countries, he said, "have destroyed the usefulness of the United Nations to preserve peace."

"The time is here when, if the free nations are to survive, they must have a new and stronger worldwide organization," Hoover said.

"For purposes of this discussion I may call it the Council of Free Nations. It should include only those who are willing to stand up and fight for their freedom."

And in an apparent reference to the godlessness of the United Nations, Pope John XXIII himself said in Mater et Magistra:

"No folly is more characteristic of the modern era than the absurd attempt to feed the world a solid and prosperous temporal order while prescinding from God, the only foundation on which it can endure."

"It is equally foolish to seek to exalt man's greatness by drying up the font from which his greatness springs and from which it is nourished; that is, by restraining and, if possible, checking his quest for God."

"FOREIGN AID" SINCE THE NEW DEAL
Winston Churchill said in London at an American Independence Day Dinner in July, 1950:

"Had it not been for Britain and America, Hitler would have destroyed communism, or, at least driven it back to the Ural Mountains."

The United States and the British Commonwealth destroyed the anti-communist powers of Europe and Asia, thereby creating a vacuum which Soviet Russia was only too pleased to fill. But it wasn't Britain that sparked off the war to "save small countries." Let's hear what the British Prime Minister, Neville Chamberlain, said to the American Ambassador to Britain, Joseph P. Kennedy, regarding the outbreak of the War. The quotation is from The Forrestal Diaries, Viking Press, New York, 1951. (Forrestal was the wartime Secretary of the Navy.)

"I played golf today with Joe Kennedy. I asked him about his conversations with Roosevelt and Neville Chamberlain from 1938 on. He said Chamberlain's position in 1938 was that England had nothing with which to fight and that she could not risk going to war with Hitler. Kennedy's view: That Hitler would have fought Russia without any later conflict with England if it had not been for Bullitt's (Wm. C. Bullitt, Ambassador to France) urging on Roosevelt in the summer of 1939 that the Germans must be faced down about Poland; neither the French nor the British would have made Poland a cause of war if it had

Felix Frankfurter

Washington reporter Walter Trohan reported that Felix Frankfurter, former Senator Herbert Lehman and Henry Morgenthau, Jr. formed the Invisible Government of the United States.

not been for the constant meddling from Washington. Bullitt, he said, kept telling Roosevelt that the Germans wouldn't fight, Kennedy that they would, and that they would overrun Europe. Chamberlain, he said, stated that America and the world Jews had forced England into the war."

Though Soviet Russia had invaded five small countries in 1939 to Germany's two, and though Russia's invasion of Poland was practically simultaneous with Hitler's, it was against anti-communist Germany, not the USSR, that the New Deal instigated war.

THE NEW DEAL GAVE SOVIET RUSSIA
—\$11.2 billion in direct aid in World War II. Then in May, 1944, came another form of foreign aid—the loan by the Treasury of the American dollar printing plates direct to the Soviet Union. This enabled the USSR to print millions of American dollars—redeemable by the American taxpayer.

Henry Morgenthau, Jr., was in charge of the Treasury at the time, but he shifted the blame onto Harry Dexter White (Weiss), his Assistant, who committed "suicide" on being exposed as a communist spy a few years later. President Truman showed his friendship for communism by appointing White Assistant Secretary of the US Treasury in 1945 and US Director of the International Monetary Fund in 1946, though he had been warned by the FBI about White's communist espionage.

Richard L. Stokes, in an article published in Reader's Digest of March, 1953, said:

"Before the operation could be halted, after 18 months, it had cost American taxpayers, at a minimum estimate, 250 million dollars . . ."

"Even more diverting was the prospect of the millions it would require in American taxes to extricate West Germany from ruin—a ruin artfully advanced by a deluge of the Russians' currency made feasible by the U.S. Treasury. What a jolly way of helping on the classic Bolshevik prophecy that communism would force America to spend itself into bankruptcy!"

IMMEDIATELY AFTER THE WAR

—the Government of the USA helped stabilize the communist governments of Eastern Europe, as well as financing the Jewish mass emigration from the Soviet Union to Israel, through the United Nations Relief & Rehabilitation Administration, better known as UNRRA. According to the well-known American commentator, Fulton Lewis,

Jr., in his column of Oct. 9, 1951, at least one billion American dollars went to bolster up Bolshevism through UNRRA. And at the instigation of the Wall Street International financier, Ex-Senator Governor Herbert H. Lehman (NY), even the salaries of Soviet officials attached to UNRRA were paid by the US. In May, 1950, the eminent Washington reporter, Walter Trohan, reported that Senator Lehman, Henry Morgenthau, Jr., and Felix Frankfurter of the Supreme Court formed the invisible government of the United States.

This UNRRA aid, paid for by the American taxpayers, was at least in one communist country (Yugo-Slavia), to the writer's certain knowledge, represented as coming from "UNRRA-GRAD in the Soviet Union."

STALIN'S ORDERS FOR "FOREIGN AID"

—were taken up by the (then) head of the US Communist Party, Earl Browder, who wrote in his 1944 work, Teheran, Our Path In War And Peace, that America should underwrite the industrialization of Africa, the Middle East and the Far East in partnership with other governments. Mr. Henry Wallace, the pro-communist who was for a time Vice-President of the United States, then took up the Browder-Stalin theme and pushed "foreign aid" for all he was worth. Wallace was quoted in the London Times of July 17, 1950:

"No real solution of the Asian problem would be found short of a conference between President Truman and Mr. Stalin to work out a 'real' Point Four Programme to aid backward nations in Asia and elsewhere."

Wallace, who had been Vice-President in the Roosevelt regime, ran for the Presidency in 1948 as candidate of the communist-promoted "Progressive Party."

MARSHALL PLAN AND "POINT FOUR"

Our hidden persuaders are not fools, and they realized that the term Stalin Plan or Browder Plan would not go over too well with the American taxpayer. So they called foreign aid after a general—General Marshall. Through Marshall Aid, millions of US dollars were poured out to leftist-dominated countries, and from these much reached the Soviet Union and her satellites. For lending his name to "foreign aid," Marshall was given the Nobel Peace Prize in 1953. (For a well documented exposure of the role played by Nobel Prizes in the International Communist Conspiracy, see the American Mercury magazine, January, 1961.)

Marshall also showed his devotion to leftist causes—or his incredible gullibility—when he prepared the ground for the communist victory in China by disarming the forces of General Chiang Kai-shek for two years while the Reds got arms from the USSR. Yet we are told the Marshall Plan saved the world from communism!

Then in January, 1949, President Truman came out with his notorious Point Four programme which aimed to invest American dollars through the UN in the "underdeveloped areas of the world," including those in the Soviet bloc.

POSITION TODAY

Today foreign aid is coming more and more out into the open and toeing the Stalin-Browder line. The well known economist, Henry Hazlitt, wrote in the May 9, 1960 issue of Newsweek:

"Ever since the advent of the New Deal, socialist assumptions have tended increasingly to supplant capitalist assumptions in our thinking. Nowhere has this change been quite as marked as in foreign economic policy. The whole foreign-aid program, outside of purely military aid, rests on socialistic assumptions . . . Today we are actually making state 'planning' or socialism a condition for the receipt of our foreign aid."

Confirmation of this is found in the following column by D. H. Connors which appeared in the Green Bay Register, Feb. 16, 1962:

"Let us consider only the money that has gone to our 'allies' against communism. What has been done with this vast sum? Why, the governments of these countries, with millions of our dollars at their disposal, bought up as much of the industry of their countries as they could. On the excuse of economic expansion, they have bought the means of production away from the people and are busy socializing the countries. The communists, you may remember, consider themselves Socialists, as indeed they are. "Nationalization of industry and State Capitalism have been fostered in countries receiving our funds. Many privately owned businesses have been taken over. A great many of the governments receiving our aid have been encouraged by the U.S. Government to move into industrial operations with programs similar to the Soviet seven-year plan.

"We are helping to establish the same system of State slavery we are pretending to combat. And Christians in America are paying dearly, to the detriment of their own charities.

"Over and over again the Popes have reaffirmed the right of individuals to own property and their right to inheritance. Can we pretend to stop the flow of communism while at the same time we support philosophies that are essentially the same thing, minus only the blood baths?"

AID IS INCREASINGLY BEING GIVEN

—to communist bloc countries and to pro-Soviet states such as India, and to the so-called "nationalist" states of the Afro-Asian bloc which invariably support the Soviet line.

Poland has received \$600,000,000 from the US taxpayers. Yugo-Slavia has received over \$2,000,000,000, and her airmen are being trained in the US though Tito has several times said that in a war he would side with Moscow. Even the USSR itself has received \$19,000,000 US dollars.

YET, aid is being cut off from anti-communist countries. Indeed, heroic Katanga was subjugated by UN forces equipped and financed by Washington.

Several times in 1962 the Kennedy Government cut off Laos' monthly subsidy of three to four million dollars until its pro-West regime entered into a suicidal coalition with the communists.

The President of Pakistan, Ayub Khan, complained on his recent visit to the US that neutralist and anti-American states in Asia got far more support—and dollars—from the US than did his friends.

Similar complaints have been made by other respected Asian leaders such as President Macapagal of the Philippines, the President of the UN General Assembly Sir Zafulla Khan, and Madame Nhu.

Statesmen in the Afro-Asian bloc who are anti-communist and friendly to the West get, at best, a disparaging, cynical press in the West or else the "silent treatment." More often than not, they get a downright hostile treatment. Such persons include General Chiang Kai-shek (Free China), Syngman Rhee and General Park Chung Hee (South Korea), Ayub Khan (Pakistan), Alexander Bustamante (Jamaica), Forbes Burnham (British Guiana), Moise Tshombe (Katanga), President Macapagal (Philippines), Sir Oliver Goonetilleke (Ceylon), General Nosavan (Laos), President Ngo Dinh Diem (South Viet Nam), Madame Ngo Dinh Nhu (South Viet Nam), King Hussein (Jordan), and many others.

These leaders are not mere isolated individuals. They command mass support in their own countries and in some cases their fame and prestige extend far beyond their borders. The revolutionary struggle of Syngman Rhee for a free Korea, for instance, has extended for half a century.

The attempts of General Park Chung Hee to purge his country of vice, decadence and luxury are an object lesson to all of us in

Henry Morgenthau, Jr.
Fired by Truman after World War II, Morgenthau cooled his heels in France for a time and is now residing incognito at his Fishkill, N. Y. farm.

the West; yet, the General's reforms were repeatedly sabotaged by Washington.

The fame of heroic Madame Nhu, her dauntless courage and her fight for a pure and decent South Viet Nam have now reached the corners of the earth. Many people revere her as Asia's Joan of Arc. Incidentally, she is a Christian, as are Syngman Rhee, Chiang Kai-shek, Bustamante, Forbes Burnham, Tshombe, and Macapagal.

Not only are such figures genuine anti-communists, but without exception they are sincerely interested in the material welfare of their people. The simplest proof that communism does not improve the lot of its people is the constant stream of refugees who have been passing from East to West since the Iron Curtain fell in 1945. Not a month passes without thousands crossing the Curtain. Even in Korea two out of every three Chinese Red Army prisoners preferred to join Chiang Kai-shek in Formosa than to return to China now that it had become a "workers' paradise." Cuba, another allegedly backward country, has seen more than 200 thousand of her sons and daughters flee their homeland since Castro seized power.

Most of the handful of persons passing from West to East in recent years have been "upper-class" British homo-sexuals such as Burgess and Maclean, American homo-sexuals such as Mitchell and Martin of the National Security Agency, and millionaire stock-broker such as Alfred Stern. The refugees from the West to the "workers' paradise" have numbered only a few dozen since 1945, and have invariably been rich "intellectuals" or homo-sexuals.

Yet, the Western press has contrived to give us the impression that the only real leaders of the Afro-Asian bloc are garbage such as Nehru, Jagan, Nkrumah, Adoula, Mboya, Ben Bella, Kenyatta, Sukarno, etc., and that they must be constantly appeased with lavish dollar handouts to prevent them from "going communist." As if, for all practical purposes, these "leaders" weren't communist or Red-pawns already! Sukarno alone has received \$700,000,000 from the American taxpayer, while Jagan has been promised \$200,000,000.

In this respect, Britain is just as bad as the United States. When the heroic Negro, Forbes Burnham, staged a successful uprising against the Indian communist, Cheddi Jagan, in February of last year, Britain flew troops 4,000 miles to British Guiana to suppress Burnham and restore dictator Jagan. Prince Phillip, too, just happened to fly in at that time to ostentatiously shake Jagan's hand. Yet, Forbes Burnham, a Negro, is more a native to British Guiana than the East-Indian Jagan and his wife (Janet Rosenberg of Chicago).

AID DIRECT TO RED REGIMES

The first plea for outright direct aid to Red regimes was made by Senator John F.

Kennedy! Probably for this reason, the Establishment which controls the US decided that Mr. Kennedy would make a wonderful front. In view of strong Catholic condemnation of communism, Mr. Kennedy's much publicized religious affiliation would make admirable cover. As Time magazine of July 11, 1960, put it:

"Since the Roman Catholic Church is militantly anti-communist, Kennedy feels that his Catholicism makes him pretty much immune to any suspicion of 'softness' towards communism."

Kennedy sneaked into Montreal in December, 1953, and before the English Literature Club of Montreal University pleaded for aid and an alliance with communist Yugo-Slavia. (See full report in the Montreal Gazette of Dec. 3, 1953.) Tito had jailed Cardinal Stepinac in 1946 for 16 years, but in Kennedy's plea for aid to Yugo-Slavia he stated frankly that "he doesn't think of foreign policy as a moral issue."

Then in April, 1957, Mr. Kennedy came out strongly in favour of aid to Poland to stabilize her Red regime which had been severely shaken by the rioting of the previous year.

Promoting this "foreign aid" policy relentlessly his speech in the US Senate on March 25, 1958, contained the following very significant words:

"No greater challenge exists in the future than the peaceful organization of a world society which includes not only the wealthy industrial states of America, Western Europe, and Russia, but also powerful new industrial states in Asia, Latin America, Africa, and the Middle East."

These words bear a most striking resemblance to those by Earl Browder in his work, *Teheran, Our Path In War And Peace*.

Senator William F. Knowland, then leader of the Republican Party in the US Senate, said in August, 1957, of one of the Kennedy aid-to-communism programs:

"It seems to me that the Senator is now asking the American people to undertake a whole economic plan of bolstering the Communist World."

IT IS NO SECRET THAT MIHOVAN

—in January, 1959, and Kozlov in July 1959, came to the US to solicit more funds for the always shaky economy of the Soviet Union. We need hardly labour the point that all financial aid to communist countries goes to strengthen and stabilize their regimes and tiny elite. It does not reach the captive peoples.

The Brooklyn Tablet, in its June 14, 1958 edition, put the whole issue rather well in an article exposing and severely criticizing Senator Kennedy, under its main caption:

CAPTIVE PEOPLE WANT FREEDOM, NOT FINANCIAL HELP FOR DICTATORS.

THE UN AND "FOREIGN AID"

A most sinister trend—that of channeling more and more American foreign aid through the UN—has developed in the last five years. Thus, when it reaches the other end no possible benefit to the United States can be derived. This policy seems to have originated with the influential Dr. Hugh Schonfield, President of the Crusade for World Government. The World Federalist of November 1957 quoted Dr. Schonfield's address at the 10th Anniversary Congress of the World Association of World Federalists at The Hague, Holland. Following is a significant excerpt:

"We are past colonial imperialism, but now with increased aid to underdeveloped areas 'fear of influence' is increasing. Special agencies of the UN under a world government should be charged with the task. Movements to give technical and economic aid outside the UN must be destroyed if we are to establish a proper position for mutual aid."

Foreign Aid

Continued from page 3

Senator Kennedy was quick to jump to the orders of Schofield and the World Federalists. On March 25, 1958, in a resolution submitted jointly with Senator John Sherman Cooper designed to save India's second Five-Year Plan, Kennedy urged that an O.E.E.C. subcommittee—consisting of the leftists John McCloy of the US, Sir Oliver Franks of Great Britain, Prof. Tinbergen of Holland, Albert Kervin of Belgium or Erland Waldenstom of Sweden—visit India to find out exactly how many billions of American aid India wanted, and then to administer such aid through "an international consortium." Kennedy affirmed that "Such a committee could furnish a model for other later efforts."

Here, as long ago as 1958, we see the current Kennedy line. The grant (to India) was to be an American one; but the estimate was to be made by a group of predominantly foreign leftists, and the aid tagged "UN-International" and administered by a non-American "consortium." About all the Americans were to get under this Kennedy plan was the tax-bill, without even a thank-you because the generosity of the donor must not be recognized.

UN AND COMMUNIST ESPIONAGE

It is becoming very clear that the UN is part and parcel of the World Conspiracy. The communist countries and their allies among the so-called "neutrals" of the Afro-Asian bloc now command a voting majority among the 110 or so countries of the UN. This is not a haphazard evolution, but a piece of deliberate planning. As Roosevelt said, "Things don't just happen; they get planned that way." Lenin himself wrote in *Better Fewer, But Better*, March, 1923:

"In the last analysis, the upshot of the struggle will be determined by the fact that Russia, India, China, etc., account for the overwhelming majority of the population of the globe."

J. Edgar Hoover, FBI Chief, recently pointed out that Soviet representations to the United Nations are nests of extensive espionage and that 70 percent of Soviet officials are carrying out most undiplomatic spying activities against the USA.

Moreover, of the American citizens who are members of the UN Staff at least 85 percent are communists. Yet, fantastic as it seems, it is the United States that keeps the UN going—not the USSR, which is behind in its UN payments! Indeed, many communist countries do not bother to pay their UN dues, knowing that the USA will keep the UN going!

Speaking in the US Senate on Oct. 3, 1962, Democratic Senator Thomas J. Dodd (Conn.) said:

"The incredible scale of this operation leads us to the frightening conclusion, Mr. President, that every Soviet representative to the United Nations and every Soviet employee of the United Nations' various agencies must be considered a spy or potential spy. They are spies, moreover, who operate with a minimum of risk because their quasi-diplomatic status makes it impossible to do more to them, if they are caught, than demand their recall. This situation is bad enough. But, according to an item in the *Baltimore Sun*, the US is now being called upon to foot the lion's share of the bill for training prospective Soviet employees of the United Nations—that is, for training prospective Soviet spies against the United States. According to this item, Secretary General U Thant has asked the General Assembly for funds to maintain a school which has already started in Moscow for the purpose of training twenty-two Russians each year for jobs at UN headquarters. The sum involved is \$201,200, of which the United States would pay 32.2 percent, or \$64,424, while the Soviet Union

would pay only 17.47 percent, or \$35,139. This is adding indignity to injury, with a vengeance."

THE UN BOND ISSUE

Senator, Karl Mundt, in a speech reported from Washington, Sept. 6, 1962, showed how the notorious UN bond issue to which the US contributed \$215 million last August, and Canada some \$6 million, was used to pay the dues of several communist countries, including Cuba, to enable them to continue voting against the US! The following quotation from his speech appeared in *The Wanderer*, Sept. 13, 1962:

"A good many Senators with whom I have talked are greatly disturbed over information recently revealed by the House Foreign Affairs Committee concerning the UN bond issue. The Presidential request for \$100 million to purchase bonds to help the United Nations out of fiscal difficulties was debated and passed by the Senate. Many objected—and I was one—to the bill on various grounds, including the point it delegated authority of Congress to the President. 'However, before the House had an opportunity to consider whether this proposal would usurp authority of Congress, the Administration went ahead and did almost exactly that. It dipped into contingency foreign aid funds and turned over to the United Nations some \$215 million, more than twice the amount requested for the bond issue! The U.S.A., astounded House committee members learned, had voluntarily given the United Nations this money by which the United Nations was then able to reduce debts owed to the world organization by 73 countries! 'Through this 'generous' act of Administration officials using American tax dollars, debts were reduced for five communist countries in the amount of \$140,000 for Cuba, \$243,200 for Yugoslavia, \$512,000 for Poland, \$25,600 for Albania, and \$128,000 for Bulgaria. Another \$312,000 reduced 'neutralist' India's debt.

"This action was a deliberate affront not only to Congress but to the American people who foot the bill. It enabled these communist countries—and India—to pay their UN commitments sufficiently to retain their voting rights. As you all know on virtually all important votes these countries vote AGAINST the U.S.A. Which explains why foreign aid not only is in trouble but why it isn't working either. The Secretary of State recently said our objective against communism is 'to win.' Unfortunately, with the type of policy outlined here, the Secretary's chief weapon with which 'to win' appears to be a gun with a curved barrel."

THE UN INTERNATIONAL CHILDREN'S EMERGENCY FUND (UNICEF)

Between 1947 and 1958, \$59 million of money collected for UNICEF was sent to the communist countries. Some \$42 million of this came from the USA. In May, 1961, the US Government transmitted to the UN Secretary-General, in advance of the usual date of transfer to UNICEF, the sum of \$10 million out of the \$12 million US pledge to UNICEF for 1961. This money was used to finance the UN "Peace" Force operations against Christian Katanga, killing women and children, bombing hospitals, churches and schools in an effort to force Katanga to submit to the pro-Red "Central Government" of Adoula.

Mrs. Kennedy makes a habit of using UNICEF "Christmas" cards, which are completely devoid of any Christian symbolism.

IS THERE AN ALTERNATIVE?

Is there any alternative to our present "foreign aid" policy? Certainly there is—a realistic policy based firmly upon Christian charity and the requirements of our national security. It is only realistic to insist that all future "aid" be examined closely, satisfying the following questions:

1. Is it going to contribute to the well-being, freedom and justice for those who live under the regime to which the aid is given? or is it primarily going to strengthen a regime which is oppressing or enslaving its people?
2. Is it likely to be used by the recipient to strengthen or foster a God-centred society in harmony with Christian values? or is it likely to be used to promote a society pursuing policies inimical to the ideals and principles which gave birth to this nation and which our fathers and sons with their lives have defended?
3. Is it going to help and strengthen a friend of freedom? or an enemy?
4. Is it going to contribute to the security of this nation?

These are nothing more than common-sense principles which any reasonable person would apply in conducting his business or bestowing his wealth. Their application, it might be contended, would drastically shrink our present "foreign aid" expenditures. And, indeed, this would be the case.

The money thus saved might be used by the people to support the charities and aid projects of their choice, or by the government to give or increase aid to those leaders and peoples who need our help in the fight for freedom. Such help to those who are faithfully trying to do God's will on earth—we named a few such leaders earlier in this article—would not only bring relief to the needy, but strength to our friends and our own national security.

This would indeed be "foreign aid" worthy of a Christian nation.

Write your Senators and Congressmen protesting this unnecessary waste of taxpayers money through foreign aid. Such protests are getting results.

Stop all foreign aid waste. Spend taxpayers money only in America where it belongs.

BE INFORMED . . . SPREAD THE TRUTH

COMMUNISM is rapidly enveloping the entire world, unhampered by the forces of Christianity and the efforts of Christian leadership. Why?

Why are the American people ignorant when it comes to the one movement which will ultimately destroy them and their families?

The answer to these questions are obvious when the facts are known regarding the control of the press, radio, television and other means of communication.

The American people are being prevented from knowing what atheistic communism is.

The TRUTH is not allowed to be uttered over radio, television or printed in the press.

Good American authors work hard writing books and then find it difficult or impossible to have them published. The following is a list of some of the finest works available.

Inform yourself while there is still time. Equip yourself with the knowledge which may eventually save not only your country, but also your life.

COMPLETELY DOCUMENTED
AND INDEXED

— A Great Book For Patriots —

This book traces fanatical religious concepts through two thousand years of history to the present.

This commentary never varies from the original idea of world control which was discovered in the archives of ancient civilization 2500 years ago.

The fervor which the Jewish "Chosen People" have held in carrying out a consistent program towards world domination has had many disastrous results. The tenacity with which they have clung to the idea of universal domination over all peoples of the earth has led to blood-letting of ghastly proportions of their own kind as well as of the gentile races.

This book recites in meticulous detail events covering twenty centuries that lead directly into the corridors of the United Nations today.

The contents may be challenged but never refuted.

He also was a member of the Wisconsin State Board of the Communist Party. Mr. Goff resigned from the Communist Party and voluntarily appeared before the Dies Committee in Washington, D.C., with vital documents showing the conspiratorial aims, purposes, and methods of the Party in this country. He used a number instead of a name. He worked with Red plotters from New York and Hollywood. While a communist he was invited, by Mrs. Eleanor Roosevelt to be a guest at the White House.

PROTOCOLS of the Learned Elders of ZION

Translated, from the Russian of Prof. Nilus by Victor E. Marsden formerly Russian correspondent to "The Morning Post," London, England.

The PROTOCOLS outline a course of action —step by step plan—the culmination of which is the enslavement of all Christians. Most of the objectives set down in the PROTOCOLS have been attained!

The reader will easily discover how the creation of wars and revolutions, the utilization of communications, money and politics fall into a predetermined scheme.

No thinking Christian can afford to ignore this "PATTERN FOR DESTRUCTION" in connection with the present world situation.

State Department Protects Traitors And Persecutes Patriots

State Department Intrigue

Informed Americans believe we are now living in the last days of this Republic. The most important single factor contributing to this sad state of affairs is that web of subversion, the STATE DEPARTMENT. Whether we survive or not will be determined by what you and I do about this vital organ of our government.

The Otepka Case

Otto F. Otepka, patriot and former Navy veteran, is the State Department career officer, who until recently served as Chief of the Evaluations Division in the Department of Security. He was fired ostensibly for giving testimony before a Senate Internal Security Committee, in violation of his superior's orders. Little attention has been given this matter in the press. Senator Dodd, who spearheaded the move to vindicate him has stated:

"The significance of the Otepka case cannot be overstated. He was the last old line security officer holding a top position in the office of security. He has been an employee of the U. S. Government over 27 years . . . His efficiency ratings have always been excellent. In 1958 he received the Meritorious Service Award from Secretary of State Dulles. But suddenly certain people in the Department decided Otepka had to go . . ."

WHY WAS OTEPKA REALLY FIRED?

Otepka fought against the hiring of Wm. Wieland. This is the character who, among other things, supported Fidel Castro before and after he came to power; lied on his job application; and who, according to the Senate Internal Security Subcommittee, failed to place in the hands of his superiors documentation that would have proven the pro-communist nature of Castro's movement. Otepka's opposition to Wieland sparked the move to bring about his dismissal. As he stated in his testimony before the Committee: "There were . . . serious questions of the man's integrity . . . that should be reviewed . . . under the foreign service regulations of the State Department."

The Senate Committee, concerned over laxity in Department Security regulations, called Otepka as a witness in March, 1963; also his superior, John F. Reilly, formerly one of Bobby Kennedy's boys in the Justice Department. Reilly contradicted everything Otepka had sworn to, claiming he had never seen reports which the former said he had presented to him. Dewey Hill, another superior, backed up Reilly in his testimony. In return testimony, Otepka PRESENTED DOCUMENTS WITH THE NOTES AND INITIALS OF THE VERY PEOPLE WHO SAID THEY NEVER SAW THEM! Obviously lying, Hill and Reilly were thoroughly discredited.

This was Otepka's crime. He gave factual important testimony before a Senate committee, at their request, which proved MOST embarrassing to his superiors. They held that he had violated "institutional loyalty" and that his conduct was "unbecoming an officer

Otto F. Otepka
Slated for "liquidation" by the Invisible Government for opposing reds.

of State." No one knew better than Otepka the criminal law to which security regulations had sunk. He had crossed swords with traitors before. His opposition to John Patton Davies and the rehabilitation of convicted perjurer Alger Hiss are outstanding examples. He also put the defector spy, Irving Scarbeck, behind bars. It was a matter of what the Senate had a right to know. So Otepka did what any sincere—patriotic American would do.

"GESTAPO" TO "LIQUIDATE" OTEPKA
Edith Kermit Roosevelt, in her column (WANDERER, 10/17/63) details his ordeal.

"Otepka was told that he owed his primary loyalty to Secretary of State Dean Rusk, who has forbidden employees to testify for the Senate.

"This is a matter of principle," Otepka told me. "I couldn't be evasive on Capitol Hill because I knew things that the Senators had the right to know."

On June 27th Otepka was exiled by the State Department to a cubbyhole by himself. His duties were taken from him, and he was not permitted to receive his office mail. They have given him the nominal task of writing a manual on security procedures. This is the notorious "isolation treatment" that led to heartbreak and death of Whiting Willauer, whose original Bay of Pigs plan was emasculated.

Department higher-ups have launched a campaign of intimidation against Otepka. Cars are parked outside his home night and day. FBI agents questioned him for four days, August 17th-20th, on orders from Attorney General Robert Kennedy. They have also questioned his neighbors, prying into his family life, asking about his wife, a former schoolteacher, and his daughter, Joanne, an art major at Washington University in St. Louis."

As stated previously, all this ended in his dismissal. The affair carries tremendous significance. At issue is the right of an executive employee to furnish information to a congressional committee, regardless of any ruling to the contrary by his superiors. The outcome may determine the course of government operations for decades. The Senate Committee holds that the employees

have not only the right but the OBLIGATION to make available security information, and in so doing serve a higher loyalty. The United States Code, Title No. 5, paragraph 652 (d) clearly defines this:

"The right of persons employed in the Civil Service of the United States, either individually or collectively, to petition Congress or any member thereof, or to furnish information to either house of Congress, to any Committee or member thereof, shall not be denied."

The latest development in the Otepka Case indicates the utmost urgency with which every American patriot must get into this fight behind Otepka.

President Johnson has now entered the picture, to mediate the Otepka dispute. And what does the President suggest? That justice be done? That a loyal American patriot be vindicated? That traitors be indicted and thrown out? Not at all.

Otepka can have his job back; he can even come back at the same rate of pay, but he can't go back to the same department! And this from the President of the United States! Otepka will not accept this. He insists the purpose behind his firing is to scrap the security evaluation program. Since his dismissal the program has been stopped.

When General MacArthur insisted on winning the Korean War, Truman, acting on orders from the Invisible Government, fired him. When General Walker's Pro-Blue Program met with success, the Invisible Government ordered his removal. Now the same with Otepka.

OTHERS FEEL WRATH OF GESTAPO

The move against Otepka should surprise no one. It has been Department policy all along to persecute and silence all patriots. He is but one of a number who have been given, or are being considered for the "liquidation" treatment. One of these is the Director of the Passport Division.

MISS FRANCES KNIGHT

Trouble for Frances Knight started with the advent of the New Frontier. Heretofore, the Security Division, the Passport Division, and the Consular Affairs Division were in one unit, under one central head. But now the all-important Security Division was separated from the Passport and Consular Affairs Division. This resulted in less security and more bureaucracy. The Division became staffed with red New Frontiersmen.

The highly capable Miss Knight had long advocated in Congressional testimony more stringent laws to prevent the issuance of U. S. passports to communists. Because of this she became the victim of general harassment and was left hopelessly understaffed. Nonetheless, working with unremitting zeal and risk to her health, she brought about a greatly improved passport system. A passport that formerly took from three to four weeks to obtain could now be processed within forty-eight hours, thus eliminating much red tape. Also, the communists found it more

difficult to obtain passports. Word soon went out that Miss Knight had to "be kicked upstairs." Her efficiency and patriotism did not set well with her superior, one Abba Schwartz, Zionist, head of Consular Affairs, and member of a law firm that dealt largely with refugee cases. The State Department denied the existence of a memo calling for Miss Knight to be "kicked upstairs," (thus far unsuccessful) until the Senate Committee produced an actual photostat of the same!

The following excerpts from an article by Holmes Alexander (Human Events, 12/7/63), are significant:

The rockbed reason for all this high level thin-flam is to break down the security system on personnel, to issue passports and visas to persons who otherwise wouldn't get them, and to prevent deportation of persons who otherwise would be deported.

Meanwhile, said the senator, he'd heard stories out of the House of Representatives about a criminal ring which deals for money in the visa and deportation mart. The tie-in of crime and subversion, speeded with big name favoritism, awaits an investigation that will probably take place on the other side of the Hill.

Since the matter would find its way to the House Subcommittee on Immigration and Naturalization, I called upon its chairman, Michael Feighan (D-Ohio), who had heard the same ugly stories of purchased passports and visa deportation immunities.

"Many members have told me they're concerned about the rumors of developments in the immigration field," Feighan told me, but would vouchsafe no more.

We cannot help but wonder if Abba Schwartz knows anything about the ring referred to above and if this has any bearing on his aversion to Miss Knight.

JERRY JACKIS

Another patriot, a victim of unbelievable abuse by the State Department hierarchy is JERRY JACKIS. He is the former investigator for the Agency for International Development who uncovered the misuse of U.S. dollars in Cambodia. In June 1958, Mr. Jackis noticed materials with International Cooperations Administration markings, being used on a Soviet hospital project, part of an outstanding propaganda drive by the Soviets to bring Cambodia into their orbit. After Jackis reported this matter to his superior, Marlin F. Haas, he received an immediate dressing down. In less than twenty-four hours he found himself assigned as a janitor in a mission storage warehouse!

The usual harassment ensued. The high command finally dismissed him in 1962 after he received an unsatisfactory efficiency rating, the only such he had ever received. Jackis was subsequently re-employed after Representatives Hardy and Gross interceded. He has since resigned in disgust! Is it any wonder we have now lost Cambodia?

These are but three incidents where patriotism did not pay. There are other incidents too numerous to list. Such a situation could only exist in a Department controlled by traitors.

THE CHARACTER OF THE STATE DEPT.

This Department is the giant that keeps growing. From a two-room apartment, with a secretary and four aides and an operating budget of \$6500, in 1781, the State Department had become a major operation by 1949 with 6000 U. S. employees and 11,000 in foreign lands. By 1959 it had 42,000 employees: 11,000 in the U. S. and 31,000 in seventy-five foreign countries. It boasts of 1200 buildings in 200 cities and an annual budget of near \$250,000,000!

As the budget increases, subversion and inefficiency increase. Former Pres. Hoover warned Eisenhower, when he was president:

"While you still control Congress overhaul the State Department. Reorganize this department so it can operate. You must cut it down, weed it out, and until it is done, no president will ever again control the executive branch of the United States."

We have warned our readers many times over the years of subversion in the State Department.

As early as May 25, 1946, we wrote:

"Which department do you think has the most Reds: the State Department or the O. P. A. A tip: Estimates on the State Department run from two to four thousand."

Aug. 18, 1946:

"Seventy-nine members of the State Department fired when Jimmy Byrnes sees Red. Acheson was obviously color-blind."

Feb. 9, 1947:

"We are convinced that Felix Frankfurter, although on the Supreme Court, has been and is Secretary of State. We are also convinced that Dean Acheson, who makes daily trips to Frankfurter for instructions and Benjamin V. Cohen will continue to run it for Felix Frankfurter. . . ."

Feb. 23, 1947:

"The State Department is of course saturated with communists in Washington, and the Kremlin in Moscow is better informed of our affairs than is the average American citizen."

March 2, 1947:

"Acheson pushed . . . Grew out . . . because Grew opposed communist infiltration. Acheson, assisted by Benjamin V. Cohen . . . protects more than 2000 Reds under him. . . ."

Sept. 5, 1948:

"Communists know Frankfurter has placed many judges; they know he also runs the State Department through Ben. Cohen, Alger Hiss and others."

James P. Warburg
Powerful member of Invisible Gov't.

March 1950:

"The State Department has grown beyond any bounds imagined by the Congress itself even ten years ago. It will spend . . . about half the expected \$3 billion dollar budget . . . It controls in one way or another our foreign trade . . . all of our foreign and much of our domestic agricultural activities. It controls foreign loans . . . the administration of Germany and other occupied countries. Therefore we repeat; the investigation of the State Department is of the highest importance . . ."

The situation has worsened with each change in administration and has reached a new high in subversion under Dean Rusk.

DAVID DEAN RUSK

Rusk is a former Rhodes scholar who later became head of the Rockefeller Foundation and is now a member of the COUNCIL ON FOREIGN RELATIONS. The review of his background indicates strong ties with sinister, behind-the-scenes operations.

Dean Rusk was given charge of the British Empire Division of the red Office Of Strategic Services during W. W. II. Here he worked closely with his good friend the notorious pro-communist RALPH BUNCHE. He later became Deputy Chief of Staff under GENERAL JOE STILWELL, famous for his violent pro-communist activities in the China-Burma-India theatre.

The following paragraph from "THE CHINA STORY," by Freda Utley, page 121, reveals the true Dean Rusk, in his own unbelievable words:

"Not even Mao Tse Tung or Stalin ever ventured to give such a clean bill of health to the Chinese Communists as he. On June 14, 1950 Dean Rusk told the World Affairs Council Conference of the University of Pennsylvania, that the Chinese "Revolution" is "not Russian in essence" and "does not aim at dictatorship." He went further than almost any other State Department official in his desire to represent the Chinese Communists as good liberals who follow the American ideal. For he said that "THE REVOLUTION IN CHINA" is comparable "TO THE AMERICAN REVOLUTION AGAINST THE BRITISH."

Rusk entered the State Dept. in 1947 at the request of Dean Acheson, a Brandeis and Frankfurter protege, as Assistant Secretary of State for Far Eastern affairs. It was Dean Rusk who, on the night of June 25, 1950, when the communists invaded South Korea, obtained permission from Acheson to ask Trygve Lie to convene a U. N. meeting the next day so the Korean effort by the American troops could be declared a U. N. enterprise! The Korean blood bath was a direct result of this action by Rusk. He figured prominently in the dismissal of General MacArthur (he wrote Truman's press release!). It was Lovett (a Frankfurter protege) and Dulles who recommended Rusk to head Rockefeller Foundation.

Rusk has headed the GENERAL EDUCATION BOARD and has a trust agreement with the CHASE NATIONAL BANK. It is also a matter of record that David Dean Rusk attended the infamous secret meeting of the BILDERBERG CONFERENCE at St. Simon's Island, Georgia. The American headquarters of this occult group are in the

office of JOSEPH E. JOHNSON, president of the CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE.

Johnson had been Hiss's chief assistant in the State Department, and he became head of the Endowment after Hiss was exposed as a traitor!

Rusk was and is very friendly with Dean Acheson, another CFR stooge. Also, he did the maneuvering that brought about the recognition of Israel in 1948.

In view of Rusk's record and background, could we expect anything but treason?

LATEST BOMBSHELL!

Two top State officials played prominent parts in the re-entry of Oswald, the communist who murdered the President, into this country: Llewellyn Thompson, then ambassador to Moscow and Abram Chayes now chief legal officer of the State Department. The admitting of Mrs. Oswald actually violates the immigration act.

The FBI report "An Investigation Of The Assassination of President Kennedy," recently completed, reveals that Mrs. Oswald's father is a Colonel in the Soviet Military Intelligence Service! The House Judiciary Committee is about to question a number of State authorities concerning this Oswald scandal, including Abraham Chayes and Abba Schwartz.

The latest developments and the chief actors in this drama of subversion are not surprising. It is a known fact that Jews run the Immigration Department. How do you suppose the millions of Jews Hitler was alleged to have killed ever got into this country? When the Soviets received our money plates, with which they printed billions, and which the U. S. taxpayers (you and I) redeemed, thousands of aliens poured into America, most of them Jews, their pockets full of this money (your money). This explains their takeover of the main street property in many towns.

Attorney General Clark admitted 15 years ago that 2000 illegal entries came into the U. S., per day, a large percentage of these being Jews. When we received the first group of Hungarian refugees, after the 1956 revolt, it was found that most were communists, and according to the late Congressman Walters, most were Jews!

CONCLUSION

Back in 1950, Conde McGinley stated: "It is the Zionist-Communist clique in Washington which is responsible for the present state of affairs (reds in the State Department) and without the aid of that clique, the pro-Soviet employees could not retain their jobs."

ZIONIST INVISIBLE GOVERNMENT

The Establishment (Council On Foreign Relations) runs the State Department. No secretary will make a move without checking with McCloy. The ADA, a Marxist front, pushing national Socialism, has a strong hand in State policy. At least fifty members of the ADA are in significant federal positions. The same can also be said of the CFR. No policy move is made without checking with these fronts. Think this is an exaggeration? Ask Bobby Kennedy why his late brother did not fire Bowles who had made a fool of JFK and had been cussed out

by Bobby. JFK had to back down under ADA pressure.

WHAT CAN YOU DO?

1. Encourage the Senate Internal Security Committee in their efforts to vindicate Olepka.
2. Encourage the House Judiciary Committee under Representative Feighan, which is delving into the Oswald passport scandal. Demand the Immigration Department be cleaned up.
3. Support Senate FREEDOM OF INFORMATION BILL S-1666. This Bill seeks to amend the "Administrative Procedure Act of 1946" so as to "clarify and protect the public's right to know . . . what goes on in all U. S. Government agencies." (New York Daily News 11/11/63). Bureaucrats will then have to answer legitimate questions.
4. Demand an investigation of the State Department. DAVID DEAN RUSK SHOULD BE REMOVED. Demand to know why the State Department alone refuses to cooperate with Congressional Committees.
5. ADA & CFR rule must be abolished.

The Fund for the Republic

By J. Johnston McCauley

On January 22, 1963, a group of crypto-Communists, Communists and Socialists, met in the ballroom of the Americana Hotel, New York City, for the purpose of raising \$20 million, without which the Fund for the Republic will be unable to function. Among those present were: Robert Hutchins, Adlai Stevenson, Clifford Case, Robert Kennedy, Henry Schlesinger, Cyrus Eaton, William Douglas, Joseph Clark, Adolph Schmidt, George Ball. Many patriots will chuckle with glee if the Fund dies of lack of funds.

Since it was organized (1953), with Ford Foundation money (\$15 million), it has been the angel for the forces creating confusion. It is possible, however, that the parent Ford Foundation may furnish these twenty millions, but all indications are that the parent is deeply ashamed and embarrassed by its "pink" offspring.

The Fund refers to itself as "an educational institution." It professes an interest in civil rights and a free society, but it is curiously selective about its defense of civil rights. Its

idea of a free society bears scant resemblance to the free society as conceived by our country's founders.

The Fund worries about the citizen who pleads the Fifth Amendment and is concerned about the Federal Bureau of Investigation investigations. It dislikes loyalty checks and oaths, and accusations made by Congressional investigating committees, especially the House Committee on Un-American Activities. Should a witness at a probe refuse to discuss allegations of Communism against him, the Fund wishes to his defense and sheds tears over his rights, but if a state is deprived by Federal Court edict of the right to operate its public schools as it sees fit, the Fund thinks that is only Constitutional. It rallies around the Fifth Amendment Americans, but it does not know a thing about the American principle that government derives its just powers from the consent of the governed. It is concerned about the influence of American industry on government, but it has not the least interest in some agencies of big government who seek to exercise diabolical control over concerns owned by stockholders who are American citizens.

The Fund says America has "developed to a fine point in recent years the art of domination by due process of law." What it really has in mind is the fact that some teachers are barred under state laws from teaching because they failed to answer questions on Communism affiliations propounded to them by Boards of Education. It is, of course, the paymaster of scores of anti-sovereign states' rights.

It has spent perhaps millions, giving money to groups to stir up trouble (keep the people fighting among themselves), and to make people resentful of existing social arrangements.

Finally, the Fund for the Republic is an enemy of the people. It is a foe of progress, because it is in the business of stirring up trouble. As a general rule, it has sympathy for the anti-anti-Communist and cynicism for the sincere foe of Marxian and Fabian Socialism and radical agitation.

Marxist Writers Promote Anti-Christian Films—Plays

FILM

Rome, Nov. 7 (AP) — "Movie producer Otto Preminger, a Jew, has received the Grand Cross of Merit from the Knights of the Holy Sepulchre, a Roman Catholic Order. He was cited at the ceremony in Rome for his picture, 'The Cardinal'."

Otto Preminger arrived in the United States during World War II as a refugee seeking asylum. He was immediately aided by Herman Shumlin, Lillian Hellman, etc. and eventually landed at 20th Century-Fox as actor-director and later as a producer. He is well-known for producing "controversial" films such as "The Moon Is Blue" (sex, virginity) and "The Man With The Golden Arm" (dope addiction). Both of these films were produced without the producers' seal of approval regarding suitable material for the screen (N.Y. News, 11/10/63).

Preminger was also responsible for "Anatomy of a Murder" (rape), and "Advise and Consent" (about perverts, blackmailers and subversives in the U. S. Gov't.). His greatest feat was "Exodus" in which he employed Communist writer Dalton Trumbo as screen writer. Trumbo was sentenced to jail from June 9, 1950 to April, 1951, for contempt of Congress. The Hollywood Reporter in 1946 published the Communist party (U.S.) book numbers of Trumbo (No. 36802) and Ring Lardner, Jr. (No. 25109). (Chicago Tribune, 11/10/46). Lardner will be the screen writer for Preminger's next picture "Genius".

"The Cardinal", for which Preminger has received Cardinal Cushing's blessing, plus the above-mentioned Grand Cross of Merit from the Roman Catholic Church, has only one real-life character, Cardinal Innitzer, of Vienna, Austria. Preminger has departed from Henry Morton Robinson's novel, and injected some of his own pet ideas into the film. Cardinal Innitzer's great crime was his devotion to the German cause and more particularly the approval by the Cardinal and the other Austrian Bishops of Hitler's union of Austria and Germany. On March 18, 1938, the Austrian Bishops issued a joint statement which read in part: "We are also of the conviction that through the activity of the National Socialist movement the danger of the wholly destructive and godless Bolshevism will be forestalled." (Munich National-Zeitung, 7/12/63). There are false charges in the film to the effect that Cardinal Innitzer's sermons were censored by Nazi officials, and that the Cardinal substituted "Heil Hitler" for "Praised be the Lord."

It is interesting to note here that the only "believable" characters in "The Cardinal" who have any spiritual quality or depth are Cardinal Glennon and Father Ned Halley, played respectively by John Huston and Burgess Meredith. (N.Y. Times, 12/13/63). Better known as a film director, Huston has been cited by the House Committee on Un-American Activities and California Committee as an effective leader of the Commie cause in Hollywood (Hollywood for Sane). Burgess Meredith has also been cited by the House and California Committee for association with many Red fronts including Thought Control; Committee for the 1st Amendment; Film and Photo League, etc. Nice guys to be playing the part of priests with "spiritual depth"! (See Myron Fagan's Red Documentations of Hollywood Stars).

STAGE

Paris, Dec. 14 (UPI) — "Fist fights broke out between police and Catholic youths demonstrating in front of the Athenae Theatre last night in protest against Rolf Hochhuth's play 'The Deputy.' The play implies censure of Pope Pius XII for alleged failure to condemn the Nazi massacre of European Jews."

"The Deputy" is being planned for a February, 1964 opening on Broadway by Pro-

ducer Herman Shumlin, who was so helpful in getting Otto Preminger started in Hollywood during World War II. Shumlin has been cited by the House Un-American Activities Committee and the California Un-American Activities Committee for association with the following Red Fronts: American Committee for Protection of Foreign Born; Harry Bridges Defense Committee; American Committee to Save Refugees; Joint Anti-Fascist Refugee Committee, etc. He was tried for contempt by the House Un-American Activities Committee and fined \$500.00 (Documentations of Reds and Fellow-Travelers in Hollywood and TV by Myron Fagan).

Shumlin recently appeared on Barry Gray's radio show and referred to the late Pope Pius XII as a "criminal." Frank Coniff, writing in the N.Y. Journal American (12/9/63), condemns Shumlin's forthcoming production of "The Deputy" mainly because the play's author, a West German Protestant, has also written "anti-semitic" poems. In the true spirit of brotherhood, the ADL has come to the rescue with a 40 page pamphlet released by the National Catholic Welfare Conference, "The Pope sent out an order that religious buildings were to give refuge to Jews, even at the price of great personal sacrifices on the part of their occupants. Thousands of Jews—between 4,000 and 7,000—were hidden, fed, clothed and bedded in 180 known places of refuge in Vatican City." (12/1/63, N.Y. Times).

To reach the source of the controversy, we must turn to Records of the Nuremberg Trial hearings, Volume XI, regarding Lammers, chief of the Reich chancellery and contact-man between Hitler and the ministers: "Lammers: I asked him (Himmler) what was really meant by the order of the final solution of the Jewish question. Himmler replied that he had received the order from the Fuehrer to bring about the final solution of the Jewish problem—or rather Heydrich and his successor had that order—and the main point of that order was that the Jews be evacuated from Germany."

One of the biggest hits on the Broadway stage is "A Funny Thing Happened On The Way To The Forum" starring Zero Mostel, son of Rabbi Israel Mostel. Mostel has been cited by the House Committee on Un-American Activities and at the U.S. Senate hearings for association with these Red fronts: Functionary at Communist Party rallies and social events; Joint Anti-Fascist Refugee Committee; American Youth for Democracy; Civil Rights Congress; May Day Parade Sponsor.

On Dec. 22, 1963, Paul Robeson returned to the United States of America. Mrs. Robeson had this to say upon arriving in New York City: "He (Robeson) thinks Communism is terrific, and he always will." (N.Y. News, 12/23/63). Robeson once referred to America as "insolent and dominating" and called the Soviet Union "the country I love more than any other." Robeson did make one revealing statement to the press on Dec. 22: "I've been part of the civil rights movement all my life." Paul Robeson was greeted at the airport by his white daughter-in-law, the former Marilyn Greenberg. (N.Y. Times, 12/23/63). Some 20 years ago, Robeson starred in a Theatre Guild production of "Othello" with Jose Ferrer. While Robeson wound up in his beloved Russia, Jose Ferrer is currently on Broadway in "The Girl Who Came to Supper," written by Harry Kurnitz.

Ferrer and Kurnitz have both been cited by the House and California Committees on Un-American Activities for Red front affiliations: Jose Ferrer—Committee for the 1st Amendment; Joint Anti-Fascist Refugee Committee; American Committee for the Protection of the Foreign Born; Artists Front to Win the War; National Council of Arts, Sciences and Professions (to abolish the House Committee); Win the Peace Confer-

ence; May Day Parade; Negro Labor Victory Committee; Veterans of Abraham Lincoln Brigade, etc. Harry Kurnitz: Actors' Lab Theatre; Committee for the 1st Amendment; Hollywood Democratic Committee; Hollywood Independent Citizens Committee of the Arts, Sciences and Professions; Screen Writers' Guild; Los Angeles Emergency Committee to aid the Strikers.

BALLET

The Ford Foundation has recently made a grant of \$7,756,000 toward the future of American (?) Ballet. The only catch is that this money is being awarded mostly (5,925,000) to two individuals in New York City, Lincoln Kirstein and George Balanchine, who are experts in the Russian style of ballet. (N.Y. News, 12/22/63). Kirstein brought Balanchine over here from Russia in 1933 and has spent over \$750,000 on his career. (Time magazine, Dec. 27, 1963). The head of the Ford Foundation is John McCloy, former U.S. disarmament negotiator and High Commissioner in Germany. (U.S. News & World Report, 12/23/63).

McCloy is one of the impartial members of Earl Warren's 7 man commission appointed to investigate the "facts" in the late President's murder.

"The New United Nations"

"It is indispensable to keep in mind that what we call the United Nations today is not what the United Nations started out to be. A sharp distinction must be drawn between the constitutional provisions of the Charter and the manner in which the agencies of the United Nations; under the pressure of unforced political circumstances, have actually performed their functions under the Charter . . . The international government of the United Nations, stripped of its legal trimmings, then, is really the international government of the United States and the Soviet Union acting in unison."

THERE'S ALWAYS SOMETHING LEFT

When the world has crashed about your feet,
And the skies are sombre grey,
When you feel that life is over
And there's nothing left to say,
Turn your eyes toward the Master
He will always see you through,
He will open up new vistas,
That He's keeping — just for you.
When your soul is most despondent
And of all you are bereft
That's the time to trust the Master,
For there's always something left.

Disarmament Is Surrender

ARMS CONTROL - TREASON PLAN TO ENSLAVE U. S. A.

New Drive To Disarm America

Republished from On Target
P. O. Box 68, Norborne, Mo.

This present plan to disarm American civilians is considerably different from the usual type of "do good" anti-gun legislation that is continuously being proposed by people who think crime can be eliminated by eliminating the private ownership of firearms. This old theory has of course long since been disproven. A criminal is not going to be restrained by a law which supposedly prohibits him from owning a gun. The law abiding citizen will normally be restrained from owning a gun if it is against the law. Thus, laws which make it illegal to own firearms do nothing except to leave the average citizen disarmed and at the mercy of any common criminal. If the criminal cannot buy a gun he can always steal one. If he does not have a gun he can use a knife or a club to threaten his victim or commit his criminal assault.

The disarmament plan has been developing for several years among a number of ultra-liberal professors at the University of Michigan.

Notable among them are Kenneth E. Boulding (a foreigner who came to our shores to tell us Americans how we can best "protect" our national and individual freedom). He is a member of the National Advisory Council of the left-wing Student Peace Union. He is co-author of "The U.S. and Revolution." The sale of his books is actively promoted by Fellowship Publications and the Center for the Study of Democratic Institutions.

Another sparkplug among the University of Michigan faculty for this plan is Professor Anatole Rapoport who was born in Russia and who now presumes to advise us Americans as to how we can (through disarmament) turn a deadly struggle for survival into a polite "debate" with the Soviet Union.

In 1959 a "Center of Research on Conflict Resolution" was set up at the University of Michigan using personnel whose salaries are paid in part with your tax money. A "Journal of Conflict Resolution," published and paid for in part by your tax money, has for the past six years spewed forth a steady stream of "peace at any price" propaganda.

More recently, the University of Michigan, assisted in the formation of an "Institute of Arms Control and Peace Research," which has begun publishing the Journal of Arms Control.

On December 17th, 1962 this disarmament plan suddenly jumped from the category of a harmless pipe dream into full grown and extremely dangerous threat. On that date began a four day "International Arms Control Symposium" held at Ann Arbor, Michigan and attended by nearly 400 influential representatives from government, industry, organized labor, various scientific societies, churches, public relations groups and educational institutions.

These included executives from such well known industrial corporations as Chrysler, Raytheon, North American Aviation, Douglas

This installation of guided missiles with nuclear warheads was shown to the Military Attache of the British Embassy in Moscow when Great Britain bombed Port Said in October 1956, when Egypt nationalized the Suez Canal, and he was instructed to inform the British and French Governments that unless they issued statements within 24 hours to the effect that Great Britain and France would promptly withdraw their armed forces from Egypt that the Soviet Union would immediately release these guided missiles to destroy London and Paris in the manner that the British bombardment of Port Said wiped out that city. Great Britain and France immediately issued statements to the effect

that they were withdrawing their armed forces. Neither President Eisenhower nor U. N. played any part whatsoever in compelling Great Britain and France to withdraw as allies in the war being conducted by the Zionists in occupation of Palestine against Egypt.

This installation is at the foot of the Ural Mountains in the Magnatogrost area. There are 30 such installations with an accuracy which can pick a target at 3000 miles the size of a hand.

Does any sane person believe the Soviet Union will dismantle installations such as these?

Aircraft, Lockheed, General Electric, Chance-Vought etc. Among those attending were several representatives of the U. S. Arms Control and Disarmament Agency, officials from the Department of Defense, a few of our more "liberal" Senators and Congressmen, religious leaders of several denominations, professors from over a dozen universities and members of numerous left-wing "peace" groups and communist front organizations.

This disarmament symposium was sponsored jointly by the University of Michigan and the Bendix Corporation (which holds a fat "research" contract with the U. S. Disarmament Agency). The tone of the meeting was set by the first three speakers: Victor Karpov (First Secretary of the Soviet Embassy), Robert Matteson (U. S. Arms Control and Disarmament Agency), and Walter Reuther (President, UAW).

During this symposium a member of the Minutemen attended all of their meetings, took notes on all the lectures, obtained copies of all their printed material and most important of all a complete list of every person that attended this affair. The details of this plan are so shocking and so fantastic that we waited for nearly nine months before

publishing this report so that we could prove and document every item.

The average American would find it difficult to understand why some of the biggest and most reputable companies in the United States would send representatives to such a meeting. Why would such companies who have become big and wealthy under the American system of free enterprise support a group of people who would gladly leave our nation disarmed and totally defenseless before the threat of world communism. A possible answer lies in the fact that many of the high executives of these companies are members of the Council of Foreign Relations—the so-called "secret government" of the United States.

Of the ninety-two people who spoke during this four day conference nearly all fit into one of the following categories:

1. Known and identified communists.
2. Persons who have belonged to and supported numerous communist fronts.
3. Persons who have made it a habit to support or be affiliated with various ultra-liberal peace and disarmament groups.

—O— Please turn to page 2 —O—

Disarmament Is Surrender

— Continued from page 1 —

4. Individuals who are paid employees of the U. S. Disarmament Agency.

5. Persons who work for either universities or companies holding research contracts or obtaining other funds from the U. S. Arms Control and Disarmament Agency.

Typical of this category is Klaus Knorr of the Center of International Studies, Princeton University, who spoke on "Contributions of the U. S. Industry to Arms Control Research."

Klaus E. Knorr was born in Germany after coming to the United States in 1937 he was immediately accepted into important government positions, especially those effecting public opinion on both foreign and domestic policies. He has also served as associate director at the School for International Studies; as a consultant for the Rand Corporation; for the Paley Commission, for the National War College, for the Mutual Security Administration, for the European Economic Commission, for the United Nations, etc., etc. Quite a record for a man who was not even a naturalized citizen of this country until 1940!

\$4,000,000 AVAILABLE

As a result of this symposium these organizations now have at their disposal \$4,000,000 with the promise of more to come. According to the discussions, formal and informal, that were held at this symposium much of this money will be used:

A. To "encourage" both state and national senators and representatives to introduce and vote for laws that will gradually restrict private ownership of firearms leading to the ultimate confiscation of all private arms.

B. For the writing and "planting" of articles in leading magazines that play up the dangers of crime and accidents where firearms are involved.

C. For programs to educate the members of the press and other news media regarding these dangers so that they will be encouraged to emphasize the violent aspects of any crime where a firearm is involved and give page one coverage to such things as hunting accidents.

With the public properly brainwashed and sufficient anti-gun legislation passed at the national level these people are aiming at a target date of January 1, 1966 to begin the actual confiscation of civilian arms.

IT'S STATE DEPT. PLAN

A subject of considerable unofficial debate was whether or not it would be desirable to first have a period of amnesty in which people could turn their guns in voluntarily and be paid a fair market price for them. Some of those present argued that

such a move would merely give people an opportunity to hide their guns away. Others argued that it would not be possible to keep confiscation plans entirely secret and they thought most people would turn in their guns voluntarily when they could receive payment for them rather than chance having them confiscated later on without payment.

All of this was discussed in terms of the State Department plan for "Total Disarmament in a Peaceful World."

Although not listed as a speaker, an active participant in these "informal discussions" was Robert O. Blood, Jr., 2005 Pennacraft & Court, Ann Arbor, Michigan (Sociology Department, U. of Mich.). Blood was one of the signers of an open letter to President Truman published in the communist "Worker" Aug. 13, 1950 under the letter-head of the identified communist front "American Committee for the Protection of the Foreign Born." He has been affiliated with the "Committee for Free Political Advocacy," the National Council of Sciences and Professions and other communist controlled organizations.

In 1961 the United States Congress passed, and the Senate approved, Public Law 87-297. This law was signed into final effect by President Kennedy in November of that year. Under this law the United States disarmament agency was brought into existence and the appointed personnel of this agency were given full power to transfer or eliminate all or any part of the weapons and/or personnel of our Army, Navy, Air Force and Marine Corps.

The general plan under which this is to be accomplished was spelled out in publication 7277 of the United States Department, available for 15¢ per copy from the Superintendent of Documents, U. S. Government Printing Office, Washington, (25) D. C.

Most Americans still do not realize that in 1946 our Senate ratified the United Nations Charter as a Treaty Obligation. Since that time the Supreme Court has held that treaty law supersedes the United States Constitution. Thus, the United States Constitution is no longer the supreme law of this land. In the final analysis we are now governed by the United Nations Charter which was written by two communist spies with many parts copied directly from the so-called constitution of the Union of Soviet Socialist Republics.

U.N. TAKES OVER U.S. TROOPS

Most Americans do not realize that a number of United States Army Troops were turned over to the United Nations command to make practice seizures of a number of American cities as far back as 1952. These and many other facts concerning the communist subversion and control of our own government have been carefully hidden from the American people.

When these facts are known, however, the possibility of our personal firearms being confiscated by the end of 1965 seems less fantastic. The actual procedure discussed at this symposium for confiscation of these arms called for the United States to be divided up into areas of approximately five states each. Beginning with the northwestern part of the United States each of these areas is to be sealed off with troops and systematically searched until all possible arms (supposedly) are found and confiscated. Then another five state area would be dealt with in the same manner until the entire country had been covered.

Maybe they will achieve their objective and maybe not. One thing is certain—with four million dollars you can print a lot of propaganda and buy the votes of a good many Congressmen.

In the New World News of February, 1946, there appeared the following article:

RULES FOR REVOLUTION

On a dark night in May, 1919, two lorries rumbled across a bridge into the town of Dusseldorf. Among the dozen rowdy, singing "Tommyes" apparently headed for a gay evening were two representatives of the Allied military intelligence. These men had traced a wave of indiscipline, mutiny, and murder among the troops to the local headquarters of a revolutionary organization established in the town.

Pretending to be drunk, they brushed by the sentries and arrested the pingleaders—a group of thirteen men and women seated at a long table.

In the course of the raid, the Allied officers emptied the contents of the safe. One of the documents found in it contained a specific outline of "Rules for Bringing About a Revolution." It is reprinted here to show the strategy of materialistic revolution, and how personal attitudes and habits of living affect the affairs of nations:

A. Corrupt the young. Get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.
B. Get control of all means of publicity and thereby:

1. Get people's minds off their government by focusing their attention on athletics, sexy books and plays, and other trivialities.
2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.
3. Destroy the people's faith in their natural leaders by holding these latter up to ridicule, obloquy, and contempt.
4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.

IMPETUS BY ASSASSINATION

These simple "Rules for Revolution" have never been changed; for the simple reason that it has never been necessary to change them. They worked in France in the late eighteenth century, and again in the mid nineteenth century. They worked in Russia. They worked in Germany under the Weimar Republic which produced National Socialism under Hitler. And those same rules are working in the United States today.

There have, of course, been refinements of the strategy of application of these rules. The revolutionaries of our day did not corrupt the young by getting them away from religion. They were more direct: they corrupted religion itself. That made it so much easier to corrupt the young.

When radio and television became "means of publicity," it became much easier—and faster—to accomplish the seven aims listed in these "Rules for Revolution."

But there remained "Rule C," which was difficult of accomplishment in the United States. For the very wise Founding Fathers wrote into this Nation's Constitution a proscription against the limitation of the citizens' right to have and bear arms. That second article of the Bill of Rights is well known to most American citizens—and the confiscation of privately owned arms has been a "puzzler" to revolutionary conspirators.

One would hesitate to state unequivocally that the assassination of a President of the United States, by a revolutionary using a private arm, was determined as the one way to create the emotional climate required in order to bring about "the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless."

One would hesitate to say that this "pretext" was the planned murder of our President. But, it can be stated without risk of denial, that the assassination has become the pretext for a demand for the Federal registration of all firearms—and "with a view to confiscating them" at a later date.

The "publicity to promote civilian disarmament" began immediately after the assassination of the late President. Drew Pearson was quick to pick up the theme that if the "Antiso Bill" had not been defeated, our President might still live. Senator Dodd quickly added new amendments to his old bill regarding the registration of arms. The conservative U. S. News & World Report came up with a "Front Page of the Week" highlighting the new drive.

Regardless of the laws that may be written, an assassin will find the means to be an assassin. But, laws prohibiting law-abiding citizens from keeping and bearing arms makes it impossible for the law-abiders to uphold the law against the law-breakers!

Senator J. W. Fulbright

—author of the infamous memorandum to intimidate the U.S. Armed Forces, and prevent them from teaching troops the true nature of world communism, vigorously denied the existence of the ROSTOW PLAN.

Such a law punishes law-keepers, and aids law-breakers; Such a law is made for the righteous man, not for the lawless!

But we're speaking of logic, and there is no such thing left in Washington, D. C. these days.

In this strange "Alice in Wonderland" atmosphere of looking-glass logic, it seems that men can be murdered in order to induce the passage of laws that rob the law-keeper of his freedoms and liberties; while the actual law-breakers are no longer punished, but treated for mental illness. It is in such a world of un-logic that we are told the Government has the right to lie whenever lying serves the public interest better than truth. It is in the context of that "right to lie" that every man who ever fired a rifle is expected to accept the statement that Lee Harvey Oswald "was a loner, assassinated Pres. Kennedy all by himself alone," even if three bulls-eyes in five seconds with the type of rifle used are physically impossible. Don't try to reason it out, is the Government attitude, just take our word for it. We who are accustomed to take God only on faith, are now told that we must deny God and take State on faith instead.

U.S. "TREATY OUTLINE" —SURRENDER AT GENEVA

By S. R. Jones

The news that the United States Government had submitted on April 18, 1962, an Outline of Basic Provisions of a Treaty on General and Complete Disarmament in a Peaceful World to the Committee on Disarmament at Geneva, Switzerland, came as a stunning shock to those Americans who found mention of it in their newspapers, and to most of the Members of the United States Congress. This proposed Treaty offers a plan to surrender American sovereignty and lay down the military strength of this Nation before the very enemy who has promised to bury us.

The United States Senate learned of the existence of the Treaty Outline when a news story from Geneva was placed in the Congressional Record. It stated,

The United States will submit to the Geneva Conference a plan calling for the elimination of national armies within nine years and their replacement by a United Nations force.

When the news broke, Senator Richard Russell, Chairman of the Senate Armed Service Committee, is reported to have said:

This is the first time I have heard of such a suggestion by any official of the government. I shall oppose with all my strength any proposal which would disband the armed forces of the United States. We can talk all we please about various agreements, but the element which is maintaining peace and preventing a major war today is the armed might of the U.S.A., led by the Strategic Air Command.

I do not believe that the people of the United States would tolerate any such thing as that for five minutes if made by any man in public life . . . It would put this country at the mercy of the Soviet Union.

Senator Strom Thurmond added his protest:

I could not agree with Senator Russell more in this eloquent and brief argument against disbanding our nuclear and conventional forces, in order to create a super armed force for the United Nations. The UN is now controlled by the neutralists, who, judging by their UN voting records, are in turn controlled by the Soviet Union.

This bitter indictment of the Geneva Treaty Outline on Disarmament, to say nothing of its existence, never reached the American people as a whole. The content of this Treaty would shock the average American to the depths of his soul.

In the name of peace, we would be asked to: Abolish West Point, Annapolis, and all

*"We shall smash them
with our clenched fist"*

"War to the hilt between communism and capitalism is inevitable . . . To win we shall need the element of surprise. The bourgeois will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The capitalistic countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist."

Dimitry Z. Manuilsky (Jew), Presiding Officer U.N. Security Council 1949. From a speech before the Lenin School of Political Warfare, 1931.

other military institutions! Destroy the Strategic Air Command! Dispose of the Navy! Permit garrisoning of foreign troops on our soil to insure compliance with Treaty obligations! Divide the country into 20 zones for spot checking! Accept compulsory jurisdiction of the International Court of Justice! Nullify the Constitution by agreeing to enact legislation in support of the proposed Treaty "imposing legal obligations on individuals and organizations and providing appropriate penalties for their noncompliance."

The stated goal of the Treaty is, Construction of a United Nations Peace Force until it had sufficient armed forces and armaments so that no nation could challenge it.

These last are the most chilling words ever set forth by the government of a free people. No vanquished nation ever had harsher terms spelled out. It is proposed to give this enormous power to the United Nations and its agencies at the precise moment in history when once ardent supporters of the United Nations are adding their voices to those who have long held that organization suspect.

The proposal is subject to the interpretation that our Government does not seek victory in the cold war against communism and is, therefore, willing to settle for a potentially communist-dominated world government. The principal agencies of this body would be the International Court of Justice, the International Disarmament Organization, and the United Nations Peace Force—all with unchallengeable power.

Total disarmament and surrender to this body are to be accomplished in three stages of 3 years each, during which the United Nations and its various divisions named above would be progressively strengthened and the "parties to the Treaty," including the United States, systematically weakened.

CONNALLY AMENDMENT

Attention is called to the fact that the second stage of the proposed disarmament treaty calls for acceptance of the compulsory jurisdiction of the International Court of Justice, commonly called the World Court.

The International Court of Justice is the principal judicial organ of the United Nations. The United States does not now accept compulsory jurisdiction of the Court, which functions in accordance with its own

statute without regard for the provisions of the Constitution of the United States or the Bill of Rights.

There is no definitive body of international law upon which the International Court of Justice may draw in rendering its decisions.

The President of the World Court is a jurist from communist Poland and there are two other communists on its 15-member body, although the communists do not accept compulsory jurisdiction of the Court. The United States has no assurance that it will always be represented on the World Court; and its sole representative today is Philip O. Jessup, who in 1951 was denied confirmation as the United States Delegate to the United Nations because of his association with the Institute of Pacific Relations. Mr. Jessup is serving on the World Court as a nominee of the General Assembly of the United Nations, where we have one vote and no veto, and without the recommendation or prior approval of Congress.

The United States is now protected from World Court meddling in its domestic affairs by the Connally Amendment to the United States Declaration of Adherence to the World Court. This Amendment reserves to the United States the right to determine what matters are foreign and what matters are domestic, and therefore beyond the jurisdiction of this Court.

For this reason the American people have demanded the continuing protection of the Connally Amendment and have repeatedly demonstrated their opposition to all efforts to repeal it. Acceptance of compulsory jurisdiction of the World Court would nullify the protection now provided to the United States by the Connally Amendment.

ARMS CONTROL AND DISARMAMENT AGENCY

Many other particulars in the disarmament proposals being offered go far beyond anything considered a few short years ago. Members of the United States Congress are now belatedly inquiring whether the U. S. Arms Control and Disarmament Agency—Public Law 87-297—was not actually created to forward the dangerous proposals which have been unfolded since it was established in September 1961.

The Act that established this Agency gave the Director powers not previously granted to the Administration of the then existing U. S. Disarmament Administration. Congress has a limited check on the Agency Director, who is answerable only to the President and the Secretary of State. He is empowered to negotiate with other nations and other international agencies.

President Kennedy called the new Agency a symbol of the importance which the United States attaches to disarming mankind of the weapons of war. Its advocates in Congress glowingly described it as The Peace-Agency, and there were those who voted for it simply because "You can't vote against Peace."

The Senators and Representatives who had read the fine print in the bill authorizing the Agency took a sterner view. Congressman John M. Ashbrook warned that it might better be called The Surrender Agency.

He said,

The testimony is replete with evidence which indicates this Agency may well be the back door for the one-worlders to accomplish their goal of the mandatory international world court, a repeal of the Connally Reservation, and a subservience of American sovereignty to some superbody. It is also the back door to recognition of Red China diplomatically . . .

By approving this bill the administration will have an expression of intent from this body which will, in my judgment, encourage it to make broad advances toward world government.

Is that not what has apparently happened? And why did Congress ignore the storm signals that had already been hoisted? As long ago as March 21, 1960, an Associated Press release from Geneva announced that the Soviet bloc at the Conference was told that, in the last stage of the Western disarmament plan, General Staffs and Military Schools such as West Point and the United States Naval Academy would be abolished.

When the Disarmament Agency was approved by the United States Congress, that body knew, if the American people did not, that on March 30, 1961, the Government of the United States and the Soviet Union had filed with the United Nations a Joint Statement of Agreed Principles for Disarmament Negotiations. The goals set forth were less detailed but similar to those spelled out in the Geneva Treaty Outline.

UNITED NATIONS POLICE FORCE

Why did the United States Congress not immediately publicize and denounce State Department Publication 7277, Freedom From War—the United States Program for General and Complete Disarmament in a Peaceful World, which was released shortly after the U. S. Arms Control and Disarmament Agency was enacted into law? The verbiage is strikingly similar to that which is contained in the Geneva Treaty Outline.

Objectives listed in this State Department pamphlet included:

The disbanding of all national armed forces and prohibition of their reestablishment in any form whatsoever other than those required to preserve internal order and for contributions to a United Nations Peace Force;

The institution of effective means for enforcement of international agreements, for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations; (Note the absence of any mention of the Constitution.)

The establishment of an effective operation of an International Disarmament Organization within the framework of the United Nations to insure compliance at all times with all disarmament obligations.

OUR CAUSE IS JUST

Meanwhile, America cannot afford the risk of a weakened military posture; nor can we dismiss as blatant propaganda the Geneva Treaty Outline, since it has been offered by presumably responsible officials of the U. S. government and far exceeds the limit of action open to any nation interested in its own survival.

Rostow Plan being Carried Out

Walter W. Rostow

—State Department planning chief, sent to Moscow by the Invisible Government before Kennedy took office, to arrange the "Rostow" plan, for completely disarming the U. S., and completely Sovietizing America.

ROSTOW PLAN

On disarmament, Dr. Rostow, close Presidential adviser, wrote in his 1961 book, "The United States in the World Arena": "It is a legitimate American national objective to see removed from all nations—including the United States—the right to use substantial military force to pursue their own interests. Since this residual right is the root of national sovereignty and the basis for the existence of an international arena of power, it is, therefore, an American interest to see an end to nationhood as it has been historically defined."

The American people can protect themselves and their country by insisting that our military strength be maintained and by raising a thunder of protest against disarmament proposals, whose very existence threatens our cherished freedoms. Responsibility for our continued freedom can no longer be safely left to others. It is the responsibility of every American! Let us, therefore, put on the armor of freedom. Our weapons will be words, facts, and, above all, the Faith of our Fathers.

OUR CAUSE IS JUST, AND TRIUMPH WE MUST.

Dear Mr. Hoover:

Enclosed are a few copies of a paper that I would like to have report on the publication as to whether these articles are true or just opinionated. I believe in freedom of the press but sometimes we do not get the facts. We only know what we read and we are prone to subscribe to papers that give information that we do not ordinarily read in the dailys. But then again how are we to know about the things we do read. If you cannot comment on this paper please forward this letter to the agency that can.

I was in Washington a few days ago and tried to get some information during a tour of your offices. I got nothing but a run-a-round answer. If you can give me some information about this paper I will appreciate it very much.

Yours very truly,

Civil Rights Bill - UNMASKED

WHAT ARE YOU DOING TO KNOCK IT OUT?

S. S. United States

In 1789, Our Forefathers banded together thirteen colonies and set out to build a SHIP—a SHIP OF STATE. This ship was to sail over the land and sea waves of the newly discovered America as a FREEDOM SHIP for its people who had come here to exercise their religious freedom.

In order to build this Freedom Ship, a shipyard was needed, which at that time was occupied by the Redcoats.

An army was needed to clear this land, hence the American militiamen were called on, and were organized into what was known as The Minutemen, which grew larger into an Army led by General George Washington.

After many battles on land and sea and at the cost of many lives, the land for the shipyard was cleared and the keel for the new ship was laid. The ship was to be named the S. S. UNITED STATES and the keel was named the CONSTITUTION.

Elected Captain of this proud ship was the leader of the American Revolution, George Washington. Next to be elected were the Senate and Congress, who as representatives of the people would be the officers aboard this ship and be responsible for her safety.

Leaders of other branches of government were elected, but down in the hold of this mighty ship were the people, who were riding on the Constitutional keel and formed a powerful engine, which would be the driving force, keeping her on a straight true course to freedom.

The S. S. UNITED STATES was launched July 4, 1776 and sailed with pride for many years, but the people grew careless and allowed the outside of her hull to become coated with foreign barnacles and boring from the inside by red termites. Guns were mounted on her decks and rifles handed the people. In 1917 she ran aground on the beaches of a foreign country involved in a bloody war.

After much money was spent and many lives were lost, this great ship pulled off the foreign beach and floundered back to her shores, carrying more foreign barnacles and red termites.

Twenty years of sabotage again sent this SHIP OF STATE into a second world war on a foreign land and after suffering the cost of many more lives and much money she again returned to her shores, riddled with foreign infiltration and listing dangerously.

Today the good ship S. S. United States is going down, unless you, her passengers, come out of the hold and start fighting to keep her afloat. You elected these officers to run this ship. They are waiting for you to tell them what course to take. **ACT NOW!**

The red termites are at work—night and day—trying to put the finishing touches on this once proud ship. The tool they are using to send her to a slimy communist sea bottom is a VICIOUS BILL now on the Senate Deck—THE "SO-CALLED" CIVIL RIGHTS BILL.

It looked so harmless, but...

Civil Rights Bill - Unmasked

By Seth H. Thornton, Editor
Armed Forces Roll Call Newsletter
P. O. Box 184,
Mt. Rainier, Maryland

National Emergency Alert

This EMERGENCY ALERT is issued for the purpose of alerting the American public, regardless of race, to the imminent and dangerous threats to our few remaining constitutional rights, freedoms and liberties posed by the so-called Civil Rights Bill now awaiting action in the U. S. Senate.

Dissenting members of the House Judiciary Committee have reported that "IN TRUTH AND IN FACT, the bill under the cloak of protecting the civil rights of certain minorities, will DESTROY civil rights of ALL citizens of the United States who fall within its scope, and that Congress would abdicate its duty to consider and protect All of the Nation's citizens."

It is impossible for the average citizen to realize how seriously this proposed unconstitutional legislation will adversely affect his life and the future of these United States until he has read "Unmasking the Civil Rights Bill," issued by Fundamental American Freedoms, Inc., Suite 520, 301 First St., N.E., Washington, D. C., and "Civil Rights

and Federal Powers," issued by Virginia Commission on Constitutional Government, Travelers Building, Richmond, Virginia, both of which are free upon request. It is to your interest to immediately secure a copy.

We are not opposed to any LEGITIMATE constitutional rights for the Negro race but are definitely, violently and uncompromisingly opposed to any unconstitutional SPECIAL rights for them or any other race or religion.

The rights proposed in this Civil Rights Bill are not legitimate or constitutional rights for any person—black, white or intermediate—but simply SPECIAL PRIVILEGE for a minority, DENIAL of constitutional rights of a majority and the threat of DICTATORIAL POWERS for the Federal Government over ALL the people.

The only governments in the world today having such power and control over the lives of their people, as is called for in this Civil Rights Bill, are communist governments, such as the Soviet Union and its satellites. Is this the type of government the Founders of our Nation had in mind for us?

Americans are a patient and long-suffering people. For more than thirty years we have been brain-washed, punched, kicked, pushed and led by our so-called "leaders" slowly, but surely down the road to Socialism, Wel-

shows to be ruinous. The only alternative to such a policy would be to stop investments and growth.

VICIOUS CIVIL RIGHTS (?) BILL

What civil and property rights of 180 million citizens are impaired by the so-called Civil Rights Bill?

If the proposed legislation is enacted, the President of the United States and his appointees—particularly the Attorney General—would be granted the power to seriously impair the following civil rights of those who fall within the scope of the various titles of this bill:

1. The right of freedom of speech and freedom of the press concerning "discrimination or segregation of any kind" "at any establishment or place," as delineated in the bill (secs. 202-203).
 2. The right of homeowners to rent, lease, or sell their homes as free individuals (secs. 601-602).
 3. The right of realtors and developers of residential property to act as free agents (secs. 601-602).
 4. The right of banks, savings and loan associations and other financial institutions to make loans and extend credits in accordance with their best judgment (secs. 601-602).
 5. The right of employers "to hire or discharge any individual" and to determine "his compensation, terms, conditions, or privileges of employment" (title VII).
 6. The seniority rights of employees in corporate and other employment (title VII, title VI via sec. 711 (b)).
 7. The seniority rights of all persons under the Federal civil service (sec. 711 (a)).
 8. The seniority rights of labor union members within their locals and in their apprenticeship programs (title II, title VI via sec. 711 (b)).
 9. The right of labor unions to choose their members, to determine the rights accorded to their members, and to determine the relationship of their members to each other (title VII, title VI via sec. 711 (b)).
 10. The right of farmers to freely choose their tenants and employees (title VI and title VII).
 11. The right of farm organizations to choose their members, to determine the rights accorded to their members, and the relationship of their members to each other (title VI and title VII).
 12. The right of boards of trustees of public and private schools and colleges to determine the handling of students and teaching staffs (title IV, title VI, title VII).
 13. The right of owners of inns, hotels, motels, restaurants, cafeterias, lunchrooms, soda fountains, motion picture houses, theaters, concert halls, sports arenas, stadiums and other places of entertainment to freely carry on their business in the service of their customers (title II, title VI, and title VII).
 14. The right of the States to determine the qualifications of voters in all Federal elections and many State elections (title I).
 15. The right of litigants to receive even-handed justice in the Federal courts; this legislation places civil rights litigants (particularly the Attorney General) in a special category with preference and advantage not afforded parties in any other form of litigation (sec. 101 (d), title IX).
- The depth, the revolutionary meaning of this act, is almost beyond description. It cannot be circumscribed, it cannot be said that it goes this far and no farther. The language written into the bill is not of that sort. It has open-end provisions that give it whatever depth and intensity one desires to read into it. In the language of the bill, "The President is authorized to take such action as may be appropriate to prevent * * * (sec. 711 (b)), and "Each Federal department and agency * * * shall take action to effectuate * * * (sec. 602). This vests, of course,

almost unlimited authority in the President and his appointees to do whatever they desire.

It is, in the most literal sense, revolutionary, destructive of the very essence of life as it has been lived in this country since the adoption of our Constitution.

Write to your U. S. Senators today to vote against this un-American civil rights bill!

Now that the reports of the House Judiciary Committee have been published, discussion in Washington has been stirred afresh. Congressmen regard their mail as a barometer of public sentiment. They are watching closely to see whether homeowners react strongly to the new FEDERAL CONTROLS or not.

If your Senator or your Congressman supports and passes HR 7152 (S. 1731), he will have firmed-up your future in the UNITED NATIONS and the WORLD GOVERNMENT OF INTERNATIONAL SOCIALISM and TOTALITARIAN DICTATORSHIP!

If this 88th Congress, 2nd Session passes this bill, YOUR AMERICAN CONSTITUTIONAL INDEPENDENCE AND FREEDOM WILL HAVE BEEN TAKEN AWAY FROM YOU PERMANENTLY! Get busy—make your wishes known!

Keep on Writing

The debate on the Civil Rights Bill will doubtless continue for some weeks. Extraordinary pressures of all kinds, including "arm twisting," are being brought to bear on senators by the Administration, in order to gain their support.

The senators opposed to this disastrous piece of legislation need your support.

Congress must continue to receive floods of letters from all over the country. No other bill is comparable in importance.

Write to Minority Floor Leader Senator Everett Dirksen (R. Ill.) and urge him to stick by his original statement opposing this bill.

Write to Senator Richard Russell (D. Ga.) in praise of his splendid opening speech to the Senate against the Civil Rights Bill. Let him know that the country is behind him and is counting on him.

Reuther Memorandum

ADL & LBJS "Determination"

Washington (N.Y. Times) Jan. 5 - The Anti-Defamation League of B'nai B'rith took an optimistic view today of the chances for passage of civil rights legislation this year.

In its annual report on Congress and civil rights, the league said President Johnson had made clear "a determination to pass the civil rights bill."

"Because the President has put his heart and his unmatched knowledge of Congress behind the bill," the league said, "and because it is a Southerner in the White House who will be appealing to the South, the bill will become more possible to pass."

The league warned, however, against weakening of the bill by what Mr. Johnson has on occasion called "the art of the possible."

"Too often," the report said, "the 'possible' implied a watered-down result obtained without struggle, tears or challenge to the powers-that-be. But what is possible without struggle is quite different from what is possible with sweat and tears."

The analysis was prepared by two league officials who spend much of their time on Capitol Hill working on legislation. They are Herman Edelsberg, director of the (ADL) Washington office, and David A. Brody, Washington counsel.

Mr. Edelsberg said that efforts to trim the civil rights bill as it goes through Congress this session would doubtless concentrate on two sections—outlawing discrimination in employment and at places of public accommodation.

The report made the point that there might be moves to trade these provisions away to end the inevitable Southern filibuster in the Senate.

The report saw the Senate Republican Leader Everett McKinley Dirksen of Illinois in a crucial position.

He has said he is opposed to the public accommodation provision. However, the report asked whether he would, nevertheless, vote to close Senate debate on the bill. Without his aid, there is almost no chance to get the needed two-thirds vote for closure.

The league praised what it called the "political courage" of Attorney General Robert F. Kennedy in the maneuvers that got the bill out of the House Judiciary Committee last fall.

Mr. Kennedy was credited with "belling the cat" when he said that a House Judiciary subcommittee version of the measure, supported by some liberals, "was overloaded to the point where it could drive away the Republican support without which it could not pass."

The league's report also saw a number of factors aside from President Johnson's interest working towards civil rights action in Congress.

It mentioned sympathy for President Kennedy's program in the wake of his assassination, extraordinary civil rights activity by church groups and the evident determination of "the Negro himself."

"Never before has there been so much support for civil rights legislation," the report declared.

The Anti-Defamation League, founded in 1913, is a Jewish organization established to fight anti-Semitism and to seek "justice and fair treatment for all citizens alike."

Anti-American Civil Rights Bill

ONLY YOU AS AN AMERICAN CITIZEN CAN STOP THIS VICIOUS BILL FROM PASSING

The **CIVIL RIGHTS BILL** is NOT in the interest of the **AMERICAN PEOPLE**. . . It is NOT in the interest of The **NEGROES** . . . Nor The **WHITES**!

"Civil Rights" is only the coverup for a giant instrument of **FEDERAL CONTROL**. . . Passed by this Congress, it will set up broad-and-extended powers of **FEDERAL ACTION** and other **FEDERAL FORCES** unconstitutional in concept, design, and purpose.

Now, **MR. AMERICAN**, read the following by Mr. John C. Satterfield, Past President of the American Bar Association, who tells frankly about your future **IF YOU PERMIT** your Senators and Congressmen to enact this **CIVIL RIGHTS BILL INTO LAW!**

EXTREME PROPOSALS TIGHTENED INTO EXTREME COMPROMISE

Supporters of the pending **CIVIL RIGHTS BILL** call it a "compromise." But those who have been following the progress of the debate report that the latest version can hardly be called moderate. The truth is, two or three wildly extreme proposals have been tightened into one extreme compromise.

No matter what minor adjustments have been made, the typical American citizen **WILL FIND THAT IT IS HIS FREEDOM WHICH HAS BEEN COMPROMISED**. Some vague passages have been more clearly defined. But the bill still provides for a sweeping extension of Federal power into 'new areas. And the penalties are harsher.

IF A MAN BELONGS TO A UNION, for instance, he'll find that his seniority rights take second place to the whim of a Federal commission. A union member may be laid off or fired and a non-union member hired in his place if a Federal agent decides that his employer has been discriminating.

A **HOME OWNER WILL DISCOVER** that he can no longer choose the buyer or tenant for his house. Federal personnel will make the decision whether or not a prospect is acceptable. Federal personnel will also have the authority to withhold or apply the stamp of approval on architects, realtors, or lawyers involved in the transaction.

A **BANK DEPOSITOR** may suddenly find out that his savings no longer have the guarantee of Federal insurance. A Federal agency can decide that the bank has discriminated against another customer, and order FDIC insurance withdrawn.

A **SODA FOUNTAIN OPERATOR**, for the first time, will have a requirement to serve all customers, even if it is bad for his business. The civil rights bill would make it impossible for him to ask the police to protect his property in the event it appears that a riot or disturbance may break out over racial problems. For, since the bill construes such action as a "state action," and thus prohibited by the Fourteenth Amendment, the State, itself, is prohibited from interfering (abetting).

A **FILE CLERK** or a **STENOGRAPHER** would soon realize that ability or neatness may no longer be the crucial qualifications in getting a job. Two girls of equal ability would first have to meet the test of race and religion. A person of one race could not be hired where "too many" people of that particular race were already employed. A person of one religion could not be considered where there were "too many" of that faith already at work.

In fact, **THE STRANGEST THING ABOUT THE BILL** is that it requires a re-emphasis on America's dwindling race consciousness. **FEDERAL AGENCIES ARE EXPLICITLY EMPOWERED** to demand

— HE DID HIS DUTY —

Senator Joseph R. McCarthy

"A Senator who is aware of treason but who refuses to expose the dangerous, unpleasant facts for fear that he will be politically scarred and bloodied if he does is acting guiltier of greater treason than the traitors themselves. Every Senator has the duty to use the means provided by the Constitution to protect the people who have entrusted him with the task of manning the watchtowers of this nation."

—Senator Joseph R. McCarthy

racial and religious records from business and unions. Elaborate racial bookkeeping set-ups can be required, under heavy Federal penalties. **FEDERAL AGENTS ARE GIVEN THE POWER TO ENTER** any industrial or union property, seize records, question employees and members, and investigate any "matter as may be appropriate," to quote the words of the bill.

In short, there are two regions of **NEW FEDERAL POWER** opened up, in the name of protecting the civil rights of everyone. The first one is the power to **TERMINATE FEDERAL GRANTS**, which total multiple billions of dollars each year, and hold a life and death power over the financial stability of whole cities and regions. This vast authority would be turned over to Federal agencies without laying down any of the traditional protections of due process of law, rules for receiving evidence, or holding proper hearings. Under this bill, **A FEDERAL AGENT HAS ONLY TO MAKE "AN EXPRESS FINDING."** In this, he would be guided by his own whim, prejudice or caprice. The "judicial review" provided will be of little value.

The other extraordinary power is the close regulation of employment, promotion and firing. **FEDERAL BUREAUCRACY WILL CONTROL THE BASIC DECISIONS OF WORKERS AND THEIR BOSSES.** It means that Federal control will move into such sensitive areas as the **TEACHING FACULTIES OF SCHOOLS** and **COLLEGES**, public and private, and the writing staffs of **NEWS-PAPERS** and **MAGAZINES**.

MANY CITIZENS HAVE NEVER REALIZED that the scope of the **CIVIL RIGHTS BILL** WAS SO IMMEDIATE.

CIVIL RIGHTS IN THE LIVING ROOM

The American homeowner feels secure in his living room. His home is his castle. And

the U. S. Constitution protects him from unreasonable search and seizure. But **IF** the pending **CIVIL RIGHTS LEGISLATION** is passed, the homeowner will no longer be free to use and dispose of his property as in the past whenever his home has been financed in the usual manner.

THERE WILL BE A FEDERAL AGENT AT THE DOOR TO TELL HIM WHAT TO DO!

Many homeowners assume that the **CIVIL RIGHTS BILL** has nothing to do with them. They assume the proposed legislation has something to do with voting rights or education. They think that because they do not operate a large corporation in interstate commerce they will escape **FEDERAL REGULATION**.

That isn't so. The **CIVIL RIGHTS BILL** grants power under which may be required **FEDERAL APPROVAL** of the deal when the homeowner goes to sell. Or to rent even so much as one room. At the same time, the prospective homebuyer or renter must pass **FEDERAL INSPECTION** before he can accept the owner's offer.

If, in the opinion of a **FEDERAL INSPECTOR**, the homeowner's acceptance or rejection has the effect of discriminating on grounds of race or national origin—intentionally or unintentionally—then the deal can be stopped. If a white man and a Negro man with the same qualifications applied for the same vacancy, then the race would be the deciding test.

This situation is contrary to the impression most people have of the **CIVIL RIGHTS BILL**. But "**Civil Rights**" is only the coverup for a giant instrument of **FEDERAL CONTROL**; the word "discrimination" is nowhere defined in the text. The fact is—this bill sets up broad powers of **FEDERAL POLICE ACTION** to manipulate the social structure in an effort to use **FEDERAL FORCE** to cure "racial imbalance."

Homeowners are caught in the middle by the section which puts a vise on **FEDERALLY ASSISTED PROGRAMS**. When **FEDERAL PERSONNEL** come into the living room, a financial squeeze is put on the hapless owner! **FEDERAL CONTRACT** and **FEDERAL "ASSISTANCE"** touch nearly every home built in the United States.

Already about 30% of all home building must meet the **FEDERAL FORMULA** with regard to race. This is true despite the fact Congress, six times, refused to grant this power to the Executive Department. Arbitrarily, last year, an Executive Order, ignoring Congress, swept G. I. and F. H. A. financing under these controls.

The **CIVIL RIGHTS BILL** reaches out to every bank and lending institution that participates in the **FEDERAL RESERVE SYSTEM**. It reaches the **FEDERAL HOME LOAN SYSTEM**, and even the **FEDERAL DEPOSIT INSURANCE CORPORATION**. Any institution receiving **FEDERAL FINANCIAL "BENEFITS"** must make its borrowers fulfill **FEDERAL RULES** on discrimination. The banks must enforce these rules by **FORECLOSURE, BLACKLISTING, REFUSAL, and EVICTION!**

Until the **CIVIL RIGHTS BILL** was proposed, it was an accepted rule that **FEDERAL REGULATIONS** in assistance programs had to have something to do with the financial purpose. But no longer. The **CIVIL RIGHTS BILL** sets up sociological requirements that have nothing to do with financial stability.

In fact, the new **FEDERAL CONTROLS** may be opposed to financial good sense. Homeowners, investors, realtors, developers, and attorneys may be required, to follow **FEDERAL DECISIONS** which experience

Civil Rights Bill - Unmasked

Continued from page 1

fare-Statism, One-Worldism and Communism. Now, of all things, we are being told that we must have One-Racism, regardless of our Constitution.

We have suffered through the debauchery of our currency; the corruption of our officials, high and low; the sell-out and surrender of our sovereignty and our Army, Navy and Air Force through treasonable and traitorous acts of officials in our Government; the humiliation of seeing our Flag desecrated in foreign lands and innocent citizens imprisoned and murdered in cold blood; our fliers shot down and ransom paid for their release; members of our Armed Forces taken prisoners, and murdered in cold blood, and others still prisoners and slaves to this day; property of citizens and the United States stolen, confiscated and destroyed without compensation; and, finally, the Monroe Doctrine scrapped and foreign enemy troops stationed within 90 miles of our shores in appeasement of the most murderous, tyrannical, lying traitor that has ever trod the face of the earth.

What has this to do with the Civil Rights Bill? Everything. It points up to the fact that this deadly sickness and erosion of principles within our Government has spread like a cancerous growth until it has now infected our whole Nation. The Executive and Judicial Branches of our Government, through unconstitutional actions, have attempted to appease the Negro race and we now have the Legislative Branch attempting the same thing through this unconstitutional Civil Rights Bill. Among the 130 members of the House of Representatives who had the GUTS and integrity to remain true to their oaths to uphold and defend the Constitution and refused to sell their vote and our birthright for a mess of pottage, Representative Louis C. Wyman, New Hampshire, had this to say, as extracted from his speech reported in the Congressional Record, Feb. 10, 1964:

"For what it is worth I give this opinion as a graduate of the Harvard Law School, Attorney General of one of the States for nearly a decade, and twice chairman of the American Bar Association's Standing Committee on Jurisprudence and Law Reform for the country.

"This legislation makes a mockery of the Constitution. To yield to pressure for an unconstitutional law because of sympathy for social injustice is to say that the end justifies the means . . .

"I came here to uphold the Constitution, not to destroy it. To uphold it, I am compelled to vote against this bill . . .

"It means finally that there is no power in this Congress to legislate as is here proposed in regard to private lives, private business and individual activity within and among the several States having nothing to do with interstate commerce and not constituting State action.

"And it is the sheerest hypocrisy to contend that by so defining such private conduct it becomes constitutionally amenable to Federal law when the power to enact the law was never given to the Federal Government in the Constitution. It is hypocrisy compounded by fraud upon the people to ignore these basic truths because some members believe there are more votes for their reelection to be found in perpetrating the fraud than in protecting the constitutional rights of the people—all the people, both white and colored, Protestant, Catholic, Jewish and disbeliever.

"There are still many private rights in America that under our Constitution are beyond the power of Government to regulate, and one of these is the right to pick and choose one's associates, one's friends and one's customers in private business . . .

"It is way past time here when some pretty plain English was spoken—on the

ONE OF MANY FIGHTERS

Senator Richard B. Russell (D-Ga.)

Sen. Russell and many other Democrats and Republicans, North and South, know that this so-called "Civil Rights" Bill is a vicious Bill, designed to ruin our Nation, and are fighting hard to defeat it. They need your help. Let them hear your voice loud and clear.

record and not just in the cloakrooms—so that we may get hold of ourselves and not go off the deep end with this legislation. It is common knowledge that if a secret ballot could be taken on this bill in its present form **IT WOULD NOT GET 50 VOTES.**

"If we do not stand up and be counted in this chamber for what we know is legally required by the Constitution of the United States of America, then what are we preserving? Do we have majority rule in this land or don't we?

A substantial proportion of the Members of this House are lawyers, sworn to uphold the Constitution as lawyers, and sworn again as Members. This is our oath, this is our duty, this is our responsibility . . .

Since the above words were spoken by Representative Wyman, 290 members of the House of Representatives deliberately violated their oaths of office by voting for this unconstitutional legislation.

These same Representatives were no doubt aware of the fact when they voted for this legislation that right in our Nation's capital city of Washington, white women and girls have been, and are being, attacked, raped, and beaten unmercifully in broad daylight in churches, offices, stores and homes. If this vicious Civil Rights Bill should pass, what can we expect next?

We have seen our Constitution slowly destroyed through the "NEW DEAL," the "FAIR DEAL," the "SURRENDER DEAL," and the "NEW FRONTIER DEAL." Now that we are supposed to have been sufficiently brain-washed and injured to stomach anything, we are being handed, through this so-called Civil Rights Bill, the "ROTTEN DEAL."

For the information of the Negro-Communist-appeasing members of the Executive, Judicial and Legislative branches of our government, and their aiders and abettors, the white people of this nation feel that it is time we received a "SQUARE DEAL," as guaranteed to us under the provisions of the greatest document ever devised by human minds and hands—**THE CONSTITUTION OF THE UNITED STATES OF AMERICA.**

After reading thirty pages of fine print in the Congressional Record of July 29, 1963, which outlines the subversive character and communist front affiliations of many leaders of the NAACP, we are firmly convinced that this legislation, which they are attempting to push through Congress by intimidation, is nothing but a Communist calculated plan of enforced race-mixing to divide, subvert and mongrelize this nation to the point where it will be a push-over for the Communists.

There appears to be only one chance left to defeat this unconstitutional legislation and save our nation from another Civil War—a Civil War that this time will be fought between white and black races.

This one last chance lies within the United States Senate where 100 Senators are bound by their oaths to support and defend the Constitution of the United States. Since this Civil Rights Bill is clearly unconstitutional, these 100 Senators cannot remain true to their oaths and vote for this legislation.

It is up to those of us who cherish our Constitution to let these 100 Senators know that we expect them to live up to their oaths. To that end we offer the following suggestions:

(1) To members of the Armed Forces and their families who have had a foretaste of this bill through that infamous "Gesell Report" (See Roll Call Newsletter, Oct. 25, 1963—copy on request) that is being rammed down your throats, we say get busy today and write, phone or telegraph both of your Senators and let them know in no uncertain words what you think of this bill.

(2) To National and State Commanders of the American Legion, Veterans of Foreign Wars and the Disabled American Veterans, we say go all out to have all Post Commanders call special meetings of their membership and urge each individual to protest this legislation to both of his Senators.

(3) To patriotic, civic, fraternal, religious and other veteran organizations we say to hold mass protest meetings against this legislation and urge everyone to swamp their Senators with letters, telegrams and phone calls.

Civil Rights

—is nothing but a dishonorable political racket.

We are ashamed of the members of both parties who are trying to jam this so-called "Civil Rights" Bill down our throat.

This can only harm citizens who are helpless pawns in this despicable political power play.

Why do we send them to Washington?

To protect our freedom and our property as prescribed in the Constitution.

The Constitution which all office holders swear on the Bible to support, expressly prohibits Congress from passing this law.

THE LANGUAGE IS CLEAR

ARTICLE 9

The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people.

ARTICLE 10

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

In the United States are we going to tear up our Constitution? Are we going to let the federal government run our lives from cradle to grave?

The hour is late as the black despair of communism envelops so much of the world.

Isn't constitutional law and personal freedom worth saving in America—the last bastion of Christianity?

Dear Senator Kuchel:

Enclosed is a heading of a small newspaper called "COMMON SENSE" which some friends subscribe to that are strictly anti-communist.

What I have read in this paper makes me feel they write to the extreme against communism by spreading hate especially against the Jews indicating that they are all for communism.

To be continuously against the Jews makes me wonder if this newspaper isn't communist backed.

It is very important to me to get your opinion on this as you investigated the Operation Water Moccasin and brought it out in the open very well.

SUBJECT: BENJAMIN HARRISON FREEDMAN -
"COMMON SENSE"

I received through the mail a week or so ago a copy of the publication "Common Sense" in an envelope bearing the return address of [redacted]. I wrote Mr. Freedman and told him that since I was not in sympathy with the views expressed in that publication, that I did not desire it sent to me in the future and was unaware of why it had been sent to me in the first place.

"Common Sense" is a notorious anti-Semitic hate sheet published by the Christian Education Association, 530 Chestnut Street, Union, New Jersey.

I have now received the attached letter from [redacted] in which he indicates that my name apparently is on a mailing list and that it is not possible for him to prevent the publication from being sent to me. He also states that when in Washington he would like to meet me. I will not, of course, acknowledge the letter.

RECOMMENDATION:

Submitted for record purposes.

My dear Mr. Tavel,

Your letter of the 22nd is the object of my desire to satisfy you that "Common Sense" was not sent to you for any specific purpose, and your name is not on my mailing list. By way of further explanation, may I add a few words to clarify this matter as best I can by correspondence.

Your name must appear on a mailing list of distinguished persons. These lists are purchased by me or by anyone who desires to communicate information to persons of prominence in all walks of life interested in the subject matter which is thus circulated.

It is impossible for me to prevent any mail from reaching you if your name is on such a list. The lists are delivered to the mailing service which addresses the envelopes, stuffs them and mails them without knowledge on my part to whom the mailing goes. You will understand why future mailings reach you for which I hope you will not hold me responsible for disregarding your wish not to receive them.

Because you are not in sympathy with the views and opinions expressed in "Common Sense" disturbs me. The incontestable and undeniable historic facts revealed in the issue to which you refer should influence the thinking of every loyal citizen of this country. Your distaste for this information leads me to believe that you are either uninformed or misinformed on the subject matter of that issue of "Common Sense." Judgments must be based on facts.

Under separate cover I am sending you a booklet which reprints a letter I wrote ten years ago. That letter has changed the thinking of persons in the highest echelons among world leaders. May I ask you to read it and to favor me with your reactions after you have confirmed the veracity of every word in that letter.

When I am in Washington I should like to have the privilege of a meeting with you in person, if agreeable and convenient for you, to which I look forward with pleasant anticipation.

Cordially and sincerely,

Benjamin Harrison Freedman

Dear :

Your letter of September 17th has been received.

Although I would like to be of service, information contained in the files of the FBI must be maintained as confidential in accordance with regulations of the Department of Justice and is available for official use only. I regret I am unable to be of help in this instance and hope you will not infer either that we do or do not have data in our files concerning the publication, "Common Sense."

Sincerely yours,

J. Edgar Hoover

NOTE: Bufiles reflect no information identifiable with correspondent. "Common Sense" is a violently anti-Jewish, anti-Negro, anti-Catholic hate sheet which is printed in Union, New Jersey. Copies of this paper have been brought to the Bureau's attention in the past. It is a semimonthly newspaper and was printed by Mr. Conde J. McGinley, Sr., who died on 7-1-63 at the age of 73. Newspaper had been published by McGinley for 17 years and will continue under the leadership of his son, Conde, Jr.

Mr. J. Edgar Hoover

Dear Sir:

Recently there fell into my hand a number of copies of the paper named "Common Sense" published at Union, New Jersey and the editor in 1963 was Conde McGinley. I observe in 1964 editions of this paper that the editor's name is no longer carried. I have been amazed at the hate that is sought to be engendered by this sheet. It appears to be anti-semitic, professidly anti-communist and by many of the statements apparently anti-American, certainly anti-government. If you have any information concerning this paper it might be helpful to me as a pastor. This has been circulated in our community by a man who is a member of our church and I am sorry to say, an ordained minister now inactive. Please inform.

Sincerely,

KEC/as

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except during July and August. On May 20, 1964, [redacted] advised that she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated that she was associated with Conde Mc Ginley for seventeen years and since his death has been continuing his editorial policy.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Re: Racial Situation - New York Division
Racial Matters

A source, who has furnished reliable information in the past and who is the author of a column on current events, which is published in many newspapers throughout the country, on July 22, 1964, furnished the following information:

The author, on July 21, 1964, received an anonymous call from what appeared to be a restrained and responsible woman, who stated that she was afraid to identify herself. The caller stated that Benjamin Freedman, a very rich anti-Semite associated with the magazine, "Common Sense", published in New Jersey, contributed financially to the Negroes who recently terrorized Orthodox Jews in Brooklyn.

The anonymous caller added that Freedman has boasted that he has contributed financially to promote anti-Semitism among Negroes in Harlem, New York, New York.

The anonymous caller gave no other information. The author had no other information relative to this matter.

A source, who has furnished reliable information in the past, on December 28, 1956, advised that Freedman had been associated with and supported "Common Sense". However, Freedman had an argument with the publisher of "Common Sense" and consequently had not recently (December, 1956) met with the publisher. This source added that most people regard Freedman as a man with a disordered mind.

The statement of ownership appearing in the November 1, 1956 issue of "Common Sense" indicated that it was published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey.

The "Newark Evening News", Newark, New Jersey, April 15, 1955, reported that the Editor of "Common Sense" had been sued because the magazine described an individual as a "Red Rabbi, who not unlike Albert Einstein, was expelled from Germany for revolutionary, Communist activities". A verdict of \$30,000 was awarded to the plaintiff in the case.

COMMUNISTS AMONG SUBVERSIVES FOUND GUILTY IN RIVONIA SABOTAGE TRIAL

Dennis Goldberg (Jew)

Lionel Bernstein (Jew)

Arthur Goldreich (Jew)

"What we see in South Africa today is a powerfully moneyed effort ... to build up a huge pressure for the overthrow of our ideal of national self-determination and survival, the ideal entrusted to us by our forefathers. . .

"Let us call this thing by its proper name! It is Pharisaism, striving to make its dominion world-wide and absolute. It is money power trying to usurp political power, as by its nature it is bound to do, and all over the world today the human spirit fights back, even the fight seems hopeless, as too by its nature it is bound to do."

—South African Observer, May, 1964

The lengthy (9 months) Rivonia Sabotage Trial was brought to a close on June 12, 1964, when eight of the ten accused were found guilty of conspiring to overthrow the Government of South Africa by violent means, some of the charges alleging the use of outside military intervention. They were sentenced to life imprisonment, although their guilt could have incurred the death penalty. Found guilty were six black Africans, an Indian and a white (Dennis Goldberg). A ninth defendant, former Communist Party propaganda chief Lionel Bernstein, was acquitted and promptly rearrested on unspecified charges.

Last fall, the leaders of the sabotage group had been apprehended in a plotting session on the farm of Arthur Goldreich, formerly an Israeli guerrilla.

While awaiting trial, Goldreich escaped from a Johannesburg jail, fled the country disguised as a priest in black clerical garb, and thereby escaped standing trial (South African Observer, July 1964).

After being detained for four days, Abraham Fischer, senior defense counsel of the guilty eight saboteurs, was released from a Johannesburg jail on July 12. Fischer had been held under a security law which permits police to hold suspects for 90-day periods without charge or trial. He had been

rounded up with 40 others, mostly whites, in Security Police swoops throughout the country. By July 15, the arrests totaled about 80 potential security risks.

Allegations have been made by the American "liberal" press, among others, that South Africans are being sentenced to death or imprisoned for their opposition to the Government's policy of Separate Development (apartheid). This was strongly denied last June in the South African Parliament by Mr. B. J. Vorster, Minister of Justice and also by leaders of the Opposition parties (United & Progressive). The Opposition Press in South Africa also agreed that the verdict of guilty in the Sabotage Trial was fair and just, although the accused were all opponents of apartheid.

The chief defense lawyer in the Sabotage Trial, Abraham Fischer (alias Bram), has been identified by the South African Department of Justice as one of many white persons "who have been office-bearers, officers, members or active supporters of the Communist Party of South Africa." (Regulation Gazette No. 142, Dept. of Justice, Republic of South Africa, Nov. 16, 1962, p 4).

The list of subversive people compiled by South Africa's Justice Department is quite revealing. Out of 129 white Europeans listed, over 90 are easily identified as being Jews, many with birthplaces other than South Africa. A few examples will suffice: Isaac Abraham Aber (Lithuania), Morris Barenblatt (Russia), Emanuel Brown (Palestine), Jack Cohen (Russia), Alexander Israel (Poland), Joe Levenson (Latvia) and Eli Weinberg (Latvia).

The Prime Minister of the Republic of South Africa, Hendrik F. Verwoerd, is the son of a Dutch Reformed Church missionary, and has lived in South Africa since he was a year old. On April 9, 1960, Prime Minister Verwoerd was shot twice in the head at point-blank range by a wealthy white farmer as he addressed a crowd of 30,000 spectators in Johannesburg.

The Prime Minister's assailant, David Pratt, of Pietersburg, was identified as being "of Jewish extraction" in the B'nai B'rith Messenger of Aug. 5, 1960.

Prime Minister Verwoerd was regarded in some circles as being "anti-semitic." In the mid-1930s, when Dr. Verwoerd was a professor of applied psychology at Stellenbosch University, he and five other professors protested to the Hertzog-Smuts government against the admission of Jewish refugees from Germany. In 1937, Dr. Verwoerd became editor of the Nationalist Party newspaper, "Die Transvaaler." His first article read in part:

"The Nationalist does not hate the Jew, but there was a clash of interests between the Jew and the Afrikaner, and the Afrikaner had found that commercial and industrial undertakings were mostly in 'foreign hands,' latterly mostly Jews."

The Afrikaners are descendants of the Dutch pioneers who established the first Boer (farmer) settlement at the cape in 1652.

Before World War II, the Nationalist Party (now in control) introduced a bill aimed at prohibiting Jewish immigration. The party called for the "deletion of Yiddish as a recognized European language for immigration purposes, for no further naturalization of Jewish immigrants, for the closing of certain professions to Jews and other 'non-assimilable' races, and for the prohibition of the changing of names, retrospective to 1930" (London Observer).

After complaints from the Dutch Reformed Synod, Education Minister Jan De Klerk banned exhibits on the evolution of man (Darwin theory) from the Transvaal Museum in Pretoria, South Africa. In the past, Mr. De Klerk has also banned nude sculpture from public buildings in Pretoria. The standards of Christian education are being applied in South Africa. It is the declared policy of Prime Minister Verwoerd's Nationalist government that all learning

Clear it with "Labor Socialists"

(DUBINSKY - REUTHER - GOLDBERG - ROSE)

LBJ & HILL BOW TO PRESSURE GROUPS

Prior to the 1944 Democratic convention, Franklin Delano Roosevelt discussed several Vice-Presidential possibilities with Democratic chairman Robert Hannegan and other Democratic leaders. For the final choice, FDR is reported to have told them that they must first "Clear it with Sydney."

Sidney Hillman, who okayed the 1944 Democratic candidate for Vice-President (later to become President), was born on March 23, 1887 in Zagare, Lithuania, then a part of Russia. He was the son of Schmuel and Judith Palken Gilman. Young Schmuel Gilman graduated from a Jewish Seminary at Zagare, and was reported jailed in Zagare during the 1905-1906 Russian Revolution, where he was among the workers who seized the town of Zagare in the name of the people, and was a member of the Proletarian Committee which governed the town.

Sidney Hillman (Schmuel Gilman) arrived in the U.S.A. as a political refugee on Aug. 10, 1907. Seven years later, he became President of the Amalgamated Clothing Workers Union. While pursuing his American career as a N.Y.C. garment worker, Sidney Hillman came to know the Socialist leader Morris Hillquit (Miska Hilkovitch) and Leon Trotsky (Lev Davidovich Bronstein). Later on, through his contact with Felix Frankfurter, Sidney Hillman began his most important relationships with President Roosevelt.

The day after the late John F. Kennedy received the 1960 Democratic nomination for President, three men were called to his suite to discuss JFK's choice of Lyndon B. Johnson for Vice-President: Alex Rose (President, Millinery Union); Walter Reuther (President, Auto Workers Union); and Arthur Goldberg (then AFL-CIO counsel—now Supreme Court Justice). The three labor representatives were not too happy with the choice of LBJ when a telephone call came for Alex Rose. It was David Dubinsky in New York. Dubinsky told Rose, "I think it's a good ticket . . . that can win." Dubinsky's was the first liberal voice of political acceptance for Lyndon B. Johnson.

Hubert Humphrey, David Dubinsky and Lyndon B. Johnson. Dubinsky cracks the whip and Johnson pulls the strings.

David Dubinsky, who okayed the 1960 Democratic candidate for Vice-President (later to become President), was born David Dobniewski on Feb. 22, 1892, in Brest-Litovsk, Poland. Dubinsky's father was a baker in Brest-Litovsk, and young David became his helper. At age 15, David Dubinsky was assistant secretary of his local of the bakers' union in Brest-Litovsk, and he and his fellow workers went on strike (against his own father's business). After the strike ended, Dubinsky and his union cohorts were shipped off to Siberia on orders of Czar Nicholas II. Dubinsky escaped and arrived in America in 1911.

By 1932, Dubinsky was president of the International Ladies Garment Workers Union. The Lusk Committee Report of the N.Y. State Legislature had this to say about Dubinsky's I.L.G.W.U.: ". . . it is founded

upon the principle of the class struggle . . . it seeks to bring about the overthrow of the present system of society . . . the abolition of the capitalist system . . ." (page 958, Part I, April 24, 1920).

David Dubinsky controls the New York state Liberal Party, which is an off-shoot of Sidney Hillman's American Labor Party. It represents close to half a million votes and can be the deciding factor in an election. For example, it provided JFK with the winning margin in 1960 both at the state and national level. Just as in 1960, the Liberal Party image is considered important to Lyndon B. Johnson in 1964 and he is being groomed accordingly. At 1:00 P.M., Thursday, June 4, 1964, David Dubinsky, Alex Rose (both Liberal Party vice-chairmen) and Walter Reuther sat down at a luncheon in the Hickory House (N.Y.C.) to discuss the political future of Lyndon B. Johnson. On June 2, Liberal Party leaders had offered LBJ their nomination for the 1964 Presidency. He accepted and agreed to speak for the Liberal Party October 15 in Madison Square Garden. LBJ also agreed to march in a Detroit Labor Day Parade with Walter Reuther, and there will be a massive New York garment area rally for the President run by Dubinsky just before election day.

On June 6, President Johnson spoke at the 50th anniversary of Dubinsky's ILGWU Health Center in Manhattan. Accompanying LBJ was Senator Hubert Humphrey, 1964 Democratic Vice-Presidential candidate, who made an appearance on an NBC-TV program June 24, where "it showed ILGWU boss David Dubinsky literally, personally, telling Senator Hubert Humphrey what to legislate, instructing him to get the civil rights bill out of the way and get along to Dubinsky's pet legislation . . ." (Jack O'Brien in N.Y. Journal American, June 5, 1964).

Is it any wonder that Leander Perez, the arch foe of red integrationists in Louisiana, thinks that Walter Reuther and David Dubinsky controlled the 1960 Presidential election and will repeat in 1964, and that Zionist Jews "are the most dangerous people in this country today."

President Hoover's Mistakes

By B. C. Forbes

According to left-wing propagandists, "Hoover was a complete failure." According to present-day political standards, he certainly was. He failed in a lot of things.

He failed to draw out his salary of \$75,000 a year while he was President, turning it all back into the Treasury. He never asked for or received a \$50,000 expense account.

He failed to have his sons organize insurance firms to write insurance on government enterprises. He built a Rapidan resort for fishing and recreation at his own expense and gave it to the government. None of his sons went through the divorce courts. He never bundled up a lot of government documents to sell as a book to the faithful at huge profits to himself. He never sold himself into political slavery to a labor organization for a \$500,000 campaign fund. He gathered a marvelous collection of war stuff and built a museum for it, but failed to ask Congress to pay the bill. He paid it himself.

He did not dredge for votes in the political sewers of class and race hatred, and he did not try to destroy the Constitution by packing the Supreme Court. He did not plow up every third row of cotton, and he did not promise the American people one thing while at the same moment he was doing everything possible to accomplish the directly opposite results.

Herbert Hoover

Our sincere congratulations, Mr. Hoover, on your 90th birthday, August 10, 1964. May our next President also be a "failure."

He did not ask Congress to assess the taxpayers one billion dollars every time someone shot off a firecracker in Europe, and he did not go on fishing trips on government warships accompanied by a fleet of other warships. Neither did he kill off the farmers' little pigs, or encourage the importation of Argentine beef.

In fact, there were a lot of things that Hoover didn't do that some other people have done. He did not leave the American people a \$45,000,000,000.00 debt (now 324 billion). He never pumped stage money into the national income to fool the voters.

He would not have retained on his personal staff individuals whose activities and ac-

quaintanceships warranted investigation by a Senate Committee nor would he have indicated his approval, by failing to demand a resignation, of a Cabinet member who deliberately defended the character of a convicted Communist agent who had held responsible positions in the government, a proven perjurer in fact.

He would not have deliberately insulted the intelligence of the American people by brazenly declaring that "no emergency exists" while the welfare of the country was being jeopardized by one single man whose wrath he feared, nor would he have hesitated to invoke a law passed by the Congress with the definite purpose of presenting him with a suitable weapon to wield under such conditions. He was not a good enough politician to bear constantly in mind the good will and votes of selfish minorities.

His wife was also a failure. She never made speeches or raced hither and yon on unimportant matters. She never wrote silly drivel on her everyday life and sold it to the newspapers. She never sold soap over the radio. Her only public appearance was as an honorary member of the Girl Scouts of America. She never invited Communist youths to the White House as her guests.

She never accepted any ice-boxes from questionable characters, nor did she permit members of her family to capitalize on their White House connections.

The Hoover family seems to have made a failure of about everything that "goes" nowadays.

Communist Aims Pushed By Front Publications

The following list of 45 current communist goals appeared in the Congressional Record January 10, 1963. They were taken from *The Naked Communist* by Cleon Skousen, who began his intensive study of communism during his 16-year term of service with the FBI.

The list confirms the "line" pursued in communist publications in this country such as *The Worker*, the *People's World*, and a number of front publications. The check-list provides an interesting opportunity for each individual to determine how much enemy medicine he buys himself, and to observe the sources, both national and local, from which it is merchandized in quantity.

This is on the theory that a few grains of poison occasionally might not kill us but that large doses, repeatedly, can be lethal. At least we ought to know what it is we are asked to swallow.

CURRENT COMMUNIST GOALS

1. U.S. acceptance of coexistence as the only alternative to atomic war.
2. U.S. willingness to capitulate in preference to engaging in atomic war.
3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.
4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.
5. Extension of long-term loans to Russia and Soviet satellites.
6. Provide American aid to all nations, regardless of Communist domination.
7. Grant recognition of Red China. Admission of Red China to the U.N.
8. Set up East and West Germany as separate states in spite of Khrushchev's promise in 1953 to settle the German question by free elections under supervision of the U.N.
9. Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long as negotiations are in progress.
10. Allow all Soviet satellites individual representation in the U.N.
11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken as easily by the U.N. as by Moscow. Some times these two centers compete with each other as they are now doing in the Congo.)
12. Resist any attempt to outlaw the Communist Party.
13. Do away with all loyalty oaths.
14. Continue giving Russia access to the U.S. Patent Office.
15. Capture one or both of the political parties in the United States.
16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.
17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.
18. Gain control of all student newspapers.
19. Use student riots to foment public protests against programs or organizations which are under Communist attack.
20. Infiltrate the press. Get control of book-review assignments, editorial writing, policy-making positions.

21. Gain control of key positions in radio, TV, and motion pictures.
22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."
23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."
24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.
25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.
26. Present homosexuality, degeneracy and promiscuity, as "normal, natural, healthy."
27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."
28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state."
29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."
31. Belittle all forms of American culture and discourage the teaching of American history on the grounds that it was only a minor part of the "big picture." Give more emphasis to Russian history since the Communists took over.
32. Support any socialist movement to give centralized control over any part of the culture, education, social agencies, welfare programs, mental health clinics, etc.
33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.
34. Eliminate the House Committee on Un-American Activities.
35. Discredit and eventually dismantle the FBI.
36. Infiltrate and gain control of more unions.
37. Infiltrate and gain control of big business.
38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat.

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that student and special-interest groups should rise up and use united force to solve economic, political and social problems.

43. Overthrow all colonial governments before native populations are ready for self-government.

44. Internationalize the Panama Canal.

45. Repeal the Connally reservation so the United States cannot prevent the World Court from seizing jurisdiction over nations and individuals alike.

MARXISM MARCHES ON

Rich Man's "Peace Corps"

A rich man's Peace Corps (Executive Service Corps), is going into operation to promulgate the principles of free enterprise. Among those listed is Franklin D. Roosevelt, Under Secretary of Commerce; Hubert H. Humphrey, U. S. Senator; Jacob K. Javits, U. S. Senator; William S. Paley, President, Columbia Broadcasting Company; David Rockefeller, President, Chase National Bank; Vance Hartke, U. S. Senator; Solomon Linowitz, Industrialist; C. D. Jackson, Publisher; John H. Johnson, Publisher; Daniel A. Kimball, Industrialist; Lucius D. Battle, Asst. Sec'y of State; William S. Gand, Deputy AID Administrator; John E. Reilly, Foreign Affairs Assistant of the Senate's assistant Democratic Leader, Hubert H. Humphrey.

All of these gentlemen are members of the Council on Foreign Relations, whose objective is to convert this country into a Socialist nation and then make it a unit in a one-world Socialist system.

How can these gentlemen proclaim their intention to demonstrate by on-the-spot examples that the free enterprise system is far superior to government ownership and control, when each and every one of them are definitely opposed to the free enterprise system.

Blackmail - Soviet Style

Recently a young man, running for political office for the first time, distinguished himself by disclosing he had been paid \$3,000 by Soviet agents to report all the personal information he could get about influential Republicans and, if elected, to advocate pro-Communist policies.

This should be generally known, for it explains the treasonable voting records of so many in our government. Moreover, those blackmailed, or bribed, to do Moscow's bidding are also tools available to any power-thirsty scoundrel, sufficiently corrupt to give proof of willingness to plunder the nation to benefit the criminal Communist conspiracy, whereby Moscow is provided with so much loot that a mere fraction of it suffices to sustain this structure of moral foulness.

South Africa State Dept. Sell-out Who Picked LBJ's Running-mate?

should be Christian—based on the teaching of the Afrikaans churches and students be protected against foreign theories.

Meanwhile, back in the so-called Christian U.S.A., our State Department is spending more time and energy discouraging U.S. and foreign shippers from exporting goods to South Africa than to communist Cuba. Authorities led by Secretary of State Dean Rusk and undersecretary Averell Harriman are privately passing the word to airlines and shipping firms to abide by the economic sanctions being imposed by African countries against the South African government. IN SHARP CONTRAST, Rusk and Harriman are supporting a policy whereby the U.S. provides navigational help and vital weather information to Soviet jet transports flying strategic cargo and arms to Red Cuba non-stop from Russia. The un-announced State Department boycott against South Africa is in addition to the announced policy of the Johnson Administration barring arms shipment to the all-white regime. AUTHORITY for this boycott is spelled out in a highly classified National Security Council policy paper on South Africa drafted by the State Department's Policy Planning Council. This paper also advocates a "hands off" policy on Zanzibar, the first nation to fall into the Soviet orbit since President Johnson assumed office, and a potential second Cuba!

In October 1960, a letter was received at "Common Sense" from a well-informed South African patriot, whose remarks are just as timely in 1964:

"Our problems here in our South African Republic are much the same as in your American Republic . . . The Jews control the lives of the citizens of this Republic (South Africa) in all spheres. Our population is just over 3,000,000 whites, and out of that 3 million whites, there are 128,000 Jews. They own almost all the properties in the Republic, businesses, wholesale and retail, food, clothing manufacturers, the English Press with the exception of 2 or 3 papers. They control the English-Speaking Universities, they dominate the professions, medical, dental, lawyers, the Stock Market, municipalities, Traffic Departments, Public Libraries . . . It is almost impossible to find work in South Africa, apart from jobs with the Government, unless one works for a Jew. The riches of our wonderful country are in the hands of the 128,000. There is of course more than enough for all of us, and millions more, but we are not allowed to have it. Only skim the top of it while the masses are slaving here to fill the ever greedy coffers of the 128,000 . . . We that can think for ourselves have placed all our faith and hope in God and the Verwoerd Nationalist Government. . . We cannot expect him (Dr. Verwoerd) to take on the whole world, for it would seem the whole world is against us, but many of us know, it is not the Christian masses that are against us as we are told—these masses are voiceless—BUT INTERNATIONAL JEWRY OUT FOR WORLD DOMINATION THROUGH THEIR WORLD GOVERNMENT U.N."

Calling All Patriots

FACTS: Everything done in the last fifty years which has operated against the interests of the United States and its People, socially, economically and politically can be traced to usurpation of the Constitution by the agencies of Federal Government.

The power to resist these usurpations and restore Constitutional government has lain, un-used, in the hands of the government of the Sovereign States which gave these Federal Agencies limited powers in that contract. The Constitution not only specifies the powers granted to their servants (the Federal Agencies of Government); but specifies under the 9th and 10th Amendments that all other powers are retained by the States and the People;

These facts are conclusive proof that the governments of the several States are guilty of neglect of duty in permitting the unlawful acts of Federal Agents to become law in their sovereign jurisdictions by acquiescence. However, these powers still exist, and can be activated within any State whose government acts in accordance with the constitutional oath of office.

SIGNIFICANCE: These usurpations, which include the Federal Reserve Act; the treaty joining the USA to the UNO; the invasion of the sovereign States of Arkansas, Mississippi and Alabama by the Federal Executive; illegitimate wars in the Far East and Africa without Congressional declaration; Foreign Aid, which goes to our enemies; the "Civil Rights" Act and a long list of others show a definite pattern of intention, by a few powerful men, to seize the reins of government in order to replace Constitutional Law with naked tyranny making King George III look benevolent by comparison. The freedom won for us by the blood and sacrifice of the forefathers and defended by millions of Americans since their time may be lost forever.

ACTION INDICATED: 1. Petition your Governor and State Legislators to take the necessary action to clarify what is and what is not the law within your State, after examining the usurpation herein alleged, sending copy of this ALERT with your petition.
2. The necessary action consists in declaring by an Act of Law that the usurpation herein mentioned are null and void and not the law within the State's jurisdiction, being in violation of the Constitution, which gives no Federal Agency the right to transfer to private international banks the Congressional right and duty of control of our currency; nor to surrender our sovereignty to a group of foreign nations; nor to tax the American people for the benefit of foreign governments.
3. Get as many signatures to these petitions as you can, get other patriots to do likewise.
4. Pray to God for the salvation of our beloved country from those who seek to enslave us.

SECRET OF 1948 LBJ ELECTION TO SENATE ENDS MYSTERY OF THAT NO. 13 BALLOT BOX

Answers question was his U.S. Senate seat stolen for LBJ in 1948 by his political cronies and secretly paid off with taxpayers' billions

FIRST ARTICLE IN A SERIES ON THE RISE OF LBJ

Lyndon B. Johnson represented the State of Texas as a Senator in the United States Senate in 1960 at the time he was inducted from that office into the office of Vice-President of the United States. In that 1960 election, Senator John Fitzgerald Kennedy, representing the State of Massachusetts, was elected to the office of President of the United States. In that 1960 election, LBJ had failed in his attempt to win the nomination of the Democratic Party as their candidate for the office of President. Senator John Fitzgerald Kennedy won that nomination, and in the 1960 general election Senator John Fitzgerald Kennedy was elected the President of the United States.

The elevation of LBJ into office as President of the United States was the consequence of the assassination of President Kennedy on Nov. 22, 1963. LBJ assumed the office of President of the United States on that day, under provisions of the Constitution providing for his succession to the office of President under such circumstances.

The elevation of LBJ from the office of Vice-President to the office of President of the United States was not challenged at that time, nor has it been questioned since then as a consequence of the circumstances surrounding LBJ's 1948 induction into office as Senator from the State of Texas. LBJ's claim in 1948 to the office of Senator from the State of Texas was vigorously contested on the ground that LBJ's alleged victory in the August 28, 1948 run-off primary election of the Democratic Party was invalid, and of no force or effect, as it had been stolen.

Undeniable evidence supplied incontestable proof that the 1948 result of the Democratic Party's 1948 primary election was falsified by persons vitally interested in the election of LBJ as Senator from the State of Texas. However, that evidence did not at that time, nor does it now supply proof that LBJ possessed advance knowledge of the plot to steal the 1948 election for him as Senator from the State of Texas, nor does that evidence now supply proof that LBJ was privy to that plot when it was conceived, or that he was an accessory before the fact in falsifying results of the August 28, 1948 run-off primary election in the Democratic Party's Jim Wells County Precinct No. 13.

Life Magazine of August 14, 1964, and a great number of other equally reliable sources of information on this subject, present alleged facts which lend credibility to the contention that LBJ was not elected the Democratic Party's candidate for United States Senator in the 1948 Texas run-off

primary election to nominate that candidate. The facts they allege indicate beyond all question of any doubt that the Democratic Party's run-off primary election on August 28, 1948 was stolen for LBJ by his Texas political cronies, who were successful in falsifying the results of that Democratic Party's run-off election.

LBJ is seeking election as President of the United States in 1964 for the first time on his own account. The interests of all parties concerned will be best served if every available fact throwing light on this question is submitted to the voters of the United States for their considered judgment before Election Day in November. The electorate in the United States will thus be in a position for the first time to intelligently pass judgment upon LBJ's ambition to serve an additional four years more as President of the United States, and possibly an additional eight years more if LBJ is elected in 1964 for his first term in that office and re-elected in 1968 to serve his second term.

By every recognized practice in the United States for tabulating election results, LBJ was defeated by ex-Governor Coke Stevenson, a three time governor of the State of Texas, in the Texas August 28, 1948 run-off primary election of the Democratic Party to nominate their candidate for United States Senator. The nomination of a candidate by the Democratic Party in primary elections in the State of Texas invariably insures the election to office of that candidate in the November general election. The candidate in the nation-wide November 1948 election for the United States Senator from the State of Texas depended upon whether the Democratic Party in Texas nominated LBJ or ex-Governor Coke Stevenson as their candidate for that office in the Democratic Party's August 28, 1948 run-off primary election.

That August 28, 1948 run-off primary election of the Democratic Party in Texas to nominate their candidate for the Office of United States Senator in the general election in November, was won by ex-Governor Coke Stevenson by a positive majority of 113 votes. After the official announcement of ex-Governor Stevenson's victory, a mysterious "recount" of election returns in Precinct No. 13 of Jim Wells County found 201 more votes for LBJ than had been officially reported previously, and one more vote for ex-Governor Coke Stevenson than had been officially reported previously for him, thereby representing LBJ as purported winner in the August 28, 1948 run-off primary election by an alleged majority of only 87 votes in a state-wide election of one-million votes.

Texas is a large state. The distances within the State of Texas are accordingly very much longer than found in other states. The method for counting votes in primary elections in

rural precincts in the State of Texas is very primitive and very antiquated. It takes as many as six more days for election results from rural elections precincts to trickle into the headquarters of the Texas State Democratic Executive Committee in Austin, thus often delaying final primary election results that length of time in primary elections, if an election result in a rural precinct is the deciding factor in the final result of a state-wide Texas primary election.

On the sixth day after the August 28, 1948 run-off primary election of the Democratic Party in Texas, ex-Governor Coke Stevenson was officially declared the Democratic candidate nominated for the office of Senator from the State of Texas, when word was thereafter received by the Texas State Democratic Executive Committee in Austin from George Parr, the political dictator of Jim Wells County and a political crony of LBJ, conveying startling "news."

George Parr sent word to the Texas State Democratic Executive Committee in Austin after September 3, 1948 that results of the August 28, 1948 Democratic Party's run-off primary election in Precinct No. 13 of Jim Wells County had been "recounted," and that the "recount" had discovered an additional 201 more votes for LBJ than had previously been reported, and only one more additional vote for ex-Governor Coke Stevenson than had previously been reported. The additional 201 votes hastily "discovered" after Sept. 3, 1948 for LBJ, reversed the officially reported results of the August 28, 1948 state-wide run-off primary election, allegedly making LBJ the winner by a majority of 87 votes. This word came seven days after the Democratic Party's August 28, 1948 state-wide run-off primary election in which ex-Governor Coke Stevenson had already been officially and finally declared the winner by the official and final 113 majority result on a state-wide basis in that election.

The "recount" in Precinct No. 13 of Jim Wells County, reported by George Parr to the Texas State Democratic Executive Committee meeting in Austin, was contested by ex-Governor Coke Stevenson's supporters in the Texas state courts by a proceeding before the Texas State Democratic Executive Committee, and in Federal Courts up to and including the United States Supreme Court. In the proceedings before Federal District Court Judge T. Whitfield Davidson, after his examination of the exhibits, Judge Davidson stated he found as a matter of fact:

"that the evidence made a prima facie showing of fraud in the election returns certified to the State Democratic Executive Committee from Precinct No. 13 in Wells County . . ."

SECRET OF LBJ ELECTION TO SENATE

Continued from page 1

The "recount" in Precinct No. 13 in Jim Wells County in the August 28, 1948 run-off primary election was the deciding factor in starting LBJ on his way to the White House, where he is now serving as the 36th President of the United States. At that time, LBJ was concluding his fifth term representing the 10th Congressional District of Texas in the House of Representatives in Washington, where LBJ was elected first in 1937.

In the Democratic Party's July 24, 1948 primary election in Texas, ex-Governor Coke Stevenson received 477,077 votes on a state-wide basis, giving ex-Governor Coke Stevenson a 71,470 state-wide majority. Ex-Governor Coke Stevenson's 477,077 votes lacked a few votes of being a majority of all votes for the five candidates in the Democratic Party's July 24, 1948 state-wide primary election. However, because ex-Governor Coke Stevenson lacked those few votes, under the rules of the Democratic Party in Texas, having the largest number of votes, but not having a majority of all votes in the state-wide July 24, 1948 election, he was obliged to enter a run-off primary election against LBJ who received the next largest number of votes in the July 24, 1948 primary election. The date for that run-off primary election was set to take place on August 28, 1948.

The supporters of LBJ were determined to conduct a victorious campaign at any cost, and for that purpose mobilized the most resourceful Democrats in the entire State of Texas for a whirlwind campaign. LBJ's first move was to name John Connally his manager in that campaign. John Connally is presently Governor of the State of Texas. John Connally first began to work for LBJ in the early days of the New Deal of President Franklin D. Roosevelt. When President Franklin D. Roosevelt created the National Youth Administration (NYA), he named LBJ director for the State of Texas.

John Connally advanced himself in the intervening years as a political crony of LBJ. John Connally is now Governor of the State of Texas. LBJ was elected to Congress in 1937 for the first time. John Connally also went to Washington at that time but as an important lobbyist for Texas gas and oil interests, making many political cronies.

LBJ enlisted John Coffey to direct his August 28, 1948 run-off primary election campaign. John Coffey became chief counsel for Billy Sol Estes and is most highly regarded in Texas as a foremost campaign strategist. At that time, John Coffey was also the Texas campaign manager for President Harry S. Truman, who in 1948 was seeking election for the first time on his own account, as President of the United States. President Harry S. Truman was elevated from the office of Vice-President to the office of President of the United States in 1945 through the death of President Franklin D. Roosevelt, exactly as LBJ was.

LBJ's August 28, 1948 run-off primary election campaign against ex-Governor Coke Stevenson was so vigorously conducted by LBJ's political cronies that ex-Governor Coke Stevenson's 71,470 state-wide majority in the July 24, 1948 Democratic Party's primary election dwindled to a mere 113 vote state-wide majority in the August 28, 1948 run-off primary election. Nevertheless, LBJ went on the air that night and thanked his friends for his victory, broadcasting to them "The Progressive people of Texas have won a hard fight, but we have won and can go forward. As your new United States Senator, I will serve you, etc." But as he spoke those words, LBJ had not won the August 28, 1948 Democratic Party's run-off primary election. LBJ could not know he was the candidate of the Democratic Party for election to the United States Senate in the nation-wide November 1948 general election.

On that very night, the Dallas Daily News in a midnight edition, reporting directly from Jim Wells County, published that John Connally had arrived on the scene in Jim Wells County and had reported he had discovered that the votes in some precincts in

Jim Wells County had previously been incorrectly reported in earlier tabulations, and that therefore the official and final tabulation of the Democratic Party's August 28, 1948 run-off primary election must now be delayed indefinitely for further "recount."

An hour or so later, the reporter for the Dallas Daily News filed a second dispatch which alarmed LBJ's political cronies directing LBJ's August 28, 1948 run-off primary election campaign against ex-Governor Coke Stevenson. In the second dispatch, the Dallas Daily News reported that Luis Salas, the presiding election judge for Precinct No. 13 in Jim Wells County, which included the county seat of Alice, said that although only 600 ballots had been issued for Precinct No. 13 in Jim Wells County, that the votes tabulated for Precinct No. 13 in Jim Wells County showed 768 votes for LBJ and 60 for ex-Governor Coke Stevenson, a total of 828 votes. The presiding election judge Luis Salas, expressed no interest in explaining the discrepancy between only 600 ballots issued to Precinct No. 13 in Jim Wells County and the 828 votes reported for Precinct No. 13 in Jim Wells County, the 768 votes reported for LBJ and the 60 votes reported for ex-Governor Coke Stevenson. Furthermore, Luis Salas, the presiding election judge in Precinct No. 13 in Jim Wells County, denied having anything to do with tabulating the votes of the August 28, 1948 run-off election.

The Dallas Daily News further reported that the ballot box of Precinct No. 13 in Jim Wells County had been locked in the vault of the Parr Bank. Rumors were circulating that the ballot box of Precinct No. 13 of Jim Wells County was locked in the vault of Parr Bank and would not be brought out and officially reported until it was known exactly how many votes were needed to make LBJ a purported winner of the August 28, 1948 run-off primary election which followed the state-wide July 24, 1948 primary election.

Thinking the matter over carefully, ex-Governor Coke Stevenson decided to proceed to Jim Wells County himself, and to assume personal direction of his campaign problems, taking with him Kellis Dibrell and James Gardner, two of his loyal workers. Ex-Governor Coke Stevenson promptly moved his forces into Jim Wells County, going directly to Alice, the county capital, after a brief conference held by him in Duval County with George Parr, who protested his innocence.

A three-man sub-committee of the Texas State Democratic Executive Committee had previously been set up in Austin to receive and officially tabulate all Democratic Party primary election results. This sub-committee reported on September 3, 1948 that ex-Governor Coke Stevenson had been elected by a 113 vote majority in the August 28, 1948 Democratic Party's run-off primary election.

Within a matter of hours after this report was released as official and final by the Texas State Democratic Executive Committee in Austin, John Connally immediately refuted it with a release from Alice, the county capital of Jim Wells County, in which he stated that the ballot box of Precinct No. 13 in Jim Wells County had been "recounted," and errors had been discovered that gave LBJ 201 additional votes. According to John Connally's September 3, 1948 "recount," LBJ received 967 votes against 61 votes received by ex-Governor Coke Stevenson. John Connally's September 3, 1948 alleged "recount" gave LBJ a purported state-wide majority of only 87 votes in the August 28, 1948 run-off primary election and the nomination as the Democratic Party's candidate in the State of Texas for United States Senator in the November 1948 general election.

In the Democratic Party's primary election on July 24, 1948, a new County Executive Committee had been elected for Jim Wells County, of which Harry Adams was Chairman and H. L. Poole was Secretary. Under the laws of Texas, and following the established custom of the Democratic Party in Texas; the new County Executive Committee must take immediate possession of Democratic Party primary election returns, as their legal and traditional custodian.

However, in spite of a legal and traditional obligation to surrender to the new County Executive Committee as official and legal custodian, the returns of the August 28, 1948 run-off primary, the old County Executive Committee declined to surrender them to Chairman Adams and Secretary Poole although repeatedly demanded. The Secretary of the old County Executive Committee was Thomas Donald, an employee of the Parr bank, where he had placed the ballot box of Precinct No. 13 of Jim Wells County in the vault of that bank, violating Texas law.

Thereupon, Chairman Adams and Secretary Poole aligned themselves completely with ex-Governor Coke Stevenson's forces. Chairman Adams and Secretary Poole frankly confessed that neither of them had been able to examine the contents of the ballot box of Precinct No. 13 of Jim Wells County, although the new County Executive Committee was its custodian under laws of the State of Texas and tradition of the Democratic Party in all primary elections.

Chairman Adams and Secretary Poole were present in the Parr bank when John Connally and Thomas Donald "recounted" the ballot box of Precinct No. 13 of Jim Wells County. They managed to get close enough to the "recount" then in progress there, to notice about 200 names had recently been added to the list of 800 registered voters, about 200 names recently and hastily added to the list of 800 names on the official list of registered voters. They noted that about 200 names recently added to the list had been added in alphabetical order, and that all the names were in identical handwriting, and written with green ink, while the names on the official list of the 800 registered voters were not in alphabetical order, nor were they written in the same handwriting, and were written with black ink.

Chairman Adams of the County Executive Committee turned to ex-Governor Coke Stevenson and said, "It is a crooked deal, and I pledge you all my power to get to the bottom of it." They thereupon combined their forces to demand another look at the voters list of Precinct No. 13 of Jim Wells County on the following morning. They anticipated they would be permitted to copy names from the list of voters as they appeared there, in a move for further investigating the possibility of obtaining a court order directing John Connally and Thomas Donald to deliver into their physical possession the ballot box of Precinct No. 13 of Jim Wells County, as official and legal representatives of the new County Executive Committee, the legal and official custodian for Democratic Party primary returns.

Kellis Dibrell and James Gardner, former FBI agents and at that time practicing attorneys, were ex-Governor Coke Stevenson's workers. They immediately telephoned trusted friends who were properly trained to assist them in making a hasty investigation of persons selected from the 200 added names on that list, asking their friends to join them on the following day to help them with their task. The local newspapers got wind of their telephone calls, and interpreted them as calls for armed recruits to forcibly take possession of the ballot box of Precinct No. 13 of Jim Wells County, when the bank opened the next day. The reporters conjured up the prospect of a pitched battle the next day, as it was not unusual for differences of opinion to be settled with pistols in this area of Texas, and battle fever was then mounting at an alarming rate and things looked bad.

Ex-Governor Coke Stevenson, three times governor of the State of Texas, knew the procedure to be followed under the circumstances, and sent an urgent call to the Adjutant General of the State of Texas at Austin for a sufficient force of Texas Rangers to maintain the peace and avoid bloodshed. As the time approached on the following morning for the bank doors to open, the prospect for shooting it out appeared excellent. The Parr forces were ready for business. Five riflemen, trailing Winchester carbines at ready, lolled casually in slouchy formation across the narrow street, in front

of a feed store. Directly in front of the door of the bank, calmly stood a dozen or more seasoned fighters, all armed with pistols.

A few minutes before the bank doors were to open at nine o'clock, ex-Governor Coke Stevenson and his unarmed investigators approached the bank, escorted by Captain Frank Hammer of the Texas Rangers, who was known to each gunman gathered there. He was respected as a stern, inflexible officer who never gave an order until he was prepared to enforce strict and prompt obedience. Captain Hammer slowly surveyed the group on both sides of the street casually. Then he walked over to the riflemen, and pointing down the street, spoke just one word, "Git." The riflemen cradled their carbines with muzzles lowered, mumbled angrily and cursed audibly, and departed down the street precisely as ordered by Captain Hammer.

Captain Hammer crossed back across the street and faced the group in front of the bank. When the talking and mumbling quieted down, Captain Hammer spoke just two words, "Fall back." With a minimum of hesitation, Captain Hammer's command was obeyed, and a path was cleared to the bank door. As Thomas Donald opened the bank door, Captain Hammer motioned to ex-Governor Coke Stevenson's men to enter the bank. Captain Hammer then took his place in the door of the bank and forbade any of the others to enter. That began and that ended the part that Captain Hammer played in that affair, from its start to its finish.

In a statement sworn under oath, LBJ charged Captain Hammer with using at that meeting, "force, threats and intimidation," for "furthering the conspiracy to rob me of my seat in the United States Senate." In his long career as a Texas Ranger, this was the first time Captain Hammer was charged with violating the Texas Ranger's code of the strictest possible impartiality.

As Chairman Adams and Secretary Poole of the County Executive Committee of Jim Wells County, legal and official custodian in Texas of primary election returns in primary elections of the Democratic Party, Chairman Adams and Secretary Poole made repeated demands upon Thomas Donald that he open the bank vault and that he forthwith deliver to them ballot box of Precinct No. 13 of Jim Wells County. Thomas Donald at first shook his head negatively, but then quickly changed his mind and said, "I will permit you to see the voting list, but not to handle it." Thereupon, Thomas Donald twisted the knob of the big vault door, and after the door of the vault had been opened, Thomas Donald brought out the voting list, holding it up across a wide table for Chairman Adams and Secretary Poole to clearly read the names.

Ex-Governor Coke Stevenson's men proceeded to jot down as many names as they could memorize from the 200 names added to the list in alphabetical order in identical handwriting, and written with green ink. They had jotted down seventeen names when the telephone rang. Thomas Donald folded up the list and took the list with him to answer the telephone. After talking very briefly in a very low tone with the party at the other end, Thomas Donald returned to Chairman Adams and Secretary Poole, and said to them across the wide table, "That's all," forthwith proceeding to return the list to the bank vault, shutting the bank's vault door and terminating their meeting.

However, Chairman Adams and Secretary Poole had been able to memorize seventeen names from the list. Ex-Governor Coke Stevenson's representatives were hurriedly sent to interview them. Their addresses were scattered, but four of the names written with green ink and indicated on the list as having voted in the August 28, 1948 run-off primary election, according to the church records, established beyond all question of any doubt that the addresses of these four alleged voters were in cemeteries, these four alleged voters having died many years ago.

Another name written with green ink and indicated on the list as having voted in the August 28, 1948 run-off primary election was Hector Serda, who was located attend-

ing school in Kingsville. Hector Serda denied having been in Alice on the day of the August 28, 1948 run-off primary election, thus he could not have voted in the run-off primary election on that day in Alice. Another name written with green ink and indicated on the list as having voted in the August 28, 1948 run-off primary election, was a young housewife named Enriqueta Acers who denied having voted, and further stated that she was not qualified to vote. Further investigation failed to locate one person, among the 200 names appearing on the list written with green ink, who admitted having voted in the August 28, 1948 run-off primary election in Precinct No. 13 of Jim Wells County.

As the evidence of this obvious fraud became so apparent, Chairman Adams converted the living room in his home into an office. Chairman Adams tentatively decided to prepare the papers required to commence a mandamus proceeding on the following day before Judge Broeter, the resident judge in that district. Papers for a second legal proceeding were also tentatively prepared, to be kept in readiness for immediate use in the event their mandamus application before Judge Broeter was denied or delayed. In their second, the County Executive Committee certified the election returns of sixteen voting precincts in Jim Wells County, omitting the returns of Precinct No. 13 of Jim Wells County, the seventeenth voting precinct in Jim Wells County. The elimination of the election returns of Precinct No. 13 of Jim Wells County from election returns of Jim Wells County gave ex-Governor Coke Stevenson a state-wide majority of approximately 900 votes and the nomination as the Democratic Party's candidate for United States Senator in November's nation-wide election.

As each of these legal proceedings would require the official approval of the new County Executive Committee, Chairman Adams and Secretary Poole took immediate steps to notify the other twenty members of the new County Executive Committee to meet to authorize their contemplated legal proceedings. Chairman Adams called for the meeting for eleven o'clock on the following day and held in the living room of his home.

As they arrived for the meeting on the following morning, the members of the new County Executive Committee indicated that their official approval of the litigation would be speedily voted. Chairman Adams had prepared all the papers in advance of the meeting, and was about to officially call the meeting to order to vote approval for their contemplated legal proceedings, when John Connally brazenly intruded into Chairman Adams' home in the company of Clarence Marten, the former Chairman of the old County Executive Committee, and two deputy sheriffs of Jim Wells County.

The two deputy sheriffs immediately proceeded to hand Chairman Adams, ex-Governor Coke Stevenson and all members present of the new County Executive Committee, copies of an order by Judge Roy Archer, issued in the 79th District Court in Austin, enjoining any meeting of the new County Executive Committee.

Judge Roy Archer's injunction further enjoined all persons from any further attempt to obtain possession of the ballot box of Precinct No. 13 of Jim Wells County, to cease all efforts in search of fraud and not to attempt to make any new tabulation of the election results in Jim Wells County.

Judge Roy Archer's injunction had been issued only an hour or so earlier, upon an application for the injunction that had been hastily heard by Judge Roy Archer "in chambers" on an affidavit signed personally by LBJ, without any other evidence. It was highly irregular for a Texas District Judge to project his court into a controversy 200 miles outside his jurisdiction, completely ignoring the resident judge in that district.

Judge Roy Archer's injunction was the first time in Texas history that a County Executive Committee had been enjoined from holding an official meeting, and the first time in Texas history that an investigation for fraud had been enjoined by an injunction.

LBJ and John Coffey, his attorney in the proceeding, had been successful in obtaining an injunction in a Texas court enjoining a duly constituted County Executive Committee of the Democratic Party from exercising its legal and traditional right to perform its most important function, tabulating results of all Democratic Party primary elections.

LBJ's political cronies then appeared to have overcome all obstacles with exception of one, the official certification of Democratic Party primary election returns by the State Democratic Executive Committee, which was scheduled to meet for that purpose at noon, on Monday, September 13th 1948, in Fort Worth. When certified by the State Democratic Executive Committee, the list exactly as certified by them was then transmitted to the Secretary of State, who was charged with the duty of printing the ballots in the State of Texas for the general nation-wide election held in November.

Ex-Governor Coke Stevenson's forces prepared to appear before the State Democratic Executive Committee in Fort Worth at noon, on Monday, September 13th 1948, and seek to have the election returns of Precinct No. 13 of Jim Wells County eliminated from the election returns of Jim Wells County, or as an alternative, to have the powerful State Democratic Executive Committee exercise its legal authority to examine the election results of Precinct No. 13 of Jim Wells County.

On the first ballot of the State Democratic Executive Committee to implement the application by ex-Governor Coke Stevenson for an investigation of the August 28th, 1948 run-off primary election returns of Precinct No. 13 of Jim Wells County, the vote was evenly divided, with 28 for the investigation and 28 against the investigation. A second ballot was taken but again with the same results, 28 in favor of the investigation and 28 against the investigation.

After the second ballot, LBJ, John Connally, John Coffey and their staff withdrew to another room for consultation, but not before having obtained a promise from the State Democratic Executive Committee that no more ballots would be taken on Precinct No. 13 of Jim Wells County until they returned to the room in which they had met.

LBJ, John Connally, John Coffey and their staff did not return to the room until shortly after four o'clock in the afternoon, when they brought back with them to the meeting Committeeman C. C. Gibson whom they had flown in from Amarillo, Texas. On the next ballot taken by the State Democratic Executive Committee on Precinct No. 13 of Jim Wells County, Committeeman C. C. Gibson cast the deciding vote in favor of LBJ, with 29 votes against the investigation and 28 votes in favor of the investigation of the election returns of Precinct No. 13 of Jim Wells County. The State Democratic Executive Committee then hastened to adjourn.

Texas Secretary of State Paul Brown was charged with the duty of printing the official ballots for the general election in November and getting them into the hands of the Election Boards in each of the 254 Texas counties in time for absentee voting, which in Texas commenced twenty days before the November 1948 nation-wide general election.

As the legal deadline for printing the ballots was close at hand, Secretary of State Paul Brown immediately forwarded to the printer by registered mail, the certified list of nominees received by him from the State Democratic Executive Committee.

Notwithstanding that LBJ's name was officially ordered to appear on the ballot for the general election in November, as the nominee of the Democratic Party for United States Senator, ex-Governor Coke Stevenson decided to immediately apply to the Federal Courts for permission to examine the primary election returns of Precinct No. 13 of Jim Wells County. Ex-Governor Coke Stevenson was joined by Chairman Adams and Secretary Poole in the prompt preparation of the papers to be immediately submitted in Dallas to Federal District Court Judge T. Whitfield Davidson, seeking that permission.

SECRET OF LBJ ELECTION TO SENATE

— Continued on page 3 —

Judge T. Whitfield Davidson had served at one time as Lieutenant-Governor of the State of Texas and had every reason for the complete confidence he reposed in ex-Governor Coke Stevenson. After lengthy consideration of ex-Governor Coke Stevenson's application for an injunction, Judge T. Whitfield Davidson ordered all returns of the August 28th 1948 run-off primary election in Precinct No. 13 of Jim Wells County impounded for examination by a commissioner to be appointed by the Federal District Court, and further enjoining Secretary of State Paul Brown from printing LBJ's name on the ballots until that examination was completed. The temporary injunction granted to ex-Governor Coke Stevenson by Judge T. Whitfield Davidson was ordered to remain in force and effect until a hearing on September 21st 1948 was heard on the question of making the injunction permanent.

The sweeping injunction by a Federal District Court was a great shock to LBJ and to his political cronies. That injunction prevented Secretary of State Paul Brown from printing LBJ's name on the ballot. The type from which the ballots were to be printed had been set up by the printer promptly, and the ballots were being printed when Secretary of State Paul Brown arrived at the printer's place of business. Secretary of State Paul Brown ordered the printer to remove LBJ's name from the ballots and leave a blank space on the ballots requiring voters in the general election in November to write in the name of their choice for Senator. Secretary of State Paul Brown further ordered the printer to destroy the few hundred ballots already printed on which LBJ's name appeared as the candidate of the Democratic Party for United States Senator.

Further legal proceedings developed immediately on both sides. Sam Rayburn, at that time Speaker of the House of Representatives in Congress, was a powerful political figure in Texas and in national affairs. Sam Rayburn immediately telegraphed orders to every member of the State Democratic Executive Committee to meet at his home in Bonham for an overnight caucus. At the same time, LBJ with a staff of attorneys headed by John Coffey, flew to New Orleans to seek an order there from the Federal Fifth District Court of Appeals setting aside the injunction issued by Federal District Court Judge T. Whitfield Davidson.

In New Orleans, Federal Judge J. C. Hutcheson, Jr. heard LBJ's application to set aside Judge T. Whitfield Davidson's injunction. After a brief hearing on LBJ's application, Judge J. C. Hutcheson, Jr. decreed the matter was too important to be decided by one judge, and decreed further that LBJ's application should be heard by the full court of three judges of the Federal Fifth Circuit Court of Appeals in a public hearing to be held on October 2nd, 1948.

The State Democratic Executive Committee became a party to the proceedings LBJ instituted in New Orleans before Federal Circuit Judge J. C. Hutcheson, Jr. in the Fifth Circuit Court of appeals, as the outcome of the overnight caucus of the State Democratic Executive Committee called by Sam Rayburn to meet at his Bonham home.

As planned for that development, the Election Boards of all 254 Texas counties became involved in that litigation, and for that reason the pending legal proceeding became a "class action," enabling LBJ to remove that proceeding from the Fifth Circuit Court of Appeals in New Orleans, before Federal Circuit Judge J. C. Hutcheson, Jr. to the United States Supreme Court in Washington before Associate Justice Hugo L. Black.

In the interim, Federal District Judge T. Whitfield Davidson in Dallas appointed R. E. "Bob" Smith of San Antonio the Commissioner of the Federal District Court, and invested him with the broadest power to proceed without delay to Jim Wells County, to impound all ballot boxes, issue subpoenas, administer oaths, and swear in as officers of the court all the help he required to com-

plete his assignment within three days, when he was to report results of his investigation to Federal District Judge T. Whitfield Davidson for further action by him in the matter.

Commissioner R. E. "Bob" Smith proceeded in that matter without losing any time. Deputy United States marshals appointed by him were unable to serve papers on Thomas Donald, who was alleged to have been "called to Mexico" on business. The Deputy United States marshals likewise found all other election officials suddenly "called out of town," and they were unable to serve them with subpoenas to appear.

However, the ballot boxes were not difficult to locate. All ballot boxes including the ballot box of Precinct No. 13 of Jim Wells County were stacked in a corner of the jail. All the ballot boxes were unlocked, none were locked. But inside the ballot boxes there was nothing but old newspapers and rubbish. There were neither voting lists nor ballots on any of the ballot boxes there.

When the hearing before Federal District Judge J. C. Hutcheson, Jr. opened, LBJ filed a petition to vacate the injunction granted ex-Governor Coke Stevenson by Federal District Judge T. Whitfield Davidson. LBJ's attorney John Coffey made the following oral pleading, and pointing to ex-Governor Coke Stevenson stated:

"The plaintiff lost his race for United States Senatorial nominee in a Democratic primary, over which only the regular Democratic officials have jurisdiction. This court has no jurisdiction. He has no civil rights as pleaded in his petition. He is merely a poor loser and there is no law . . ."

Whereupon, Federal Circuit Judge T. Whitfield Davidson promptly banged his gavel angrily and cut short John Coffey's tirade with remarks seldom heard delivered from the bench in a Federal Circuit Court, with the following admonition to LBJ's attorney:

"This plaintiff, Mr. Stevenson, has—duly alleged he has been robbed by fraud of a seat in the United States Senate. Not a shred of evidence has been submitted to disprove his claim, and he would be entitled to a hearing in open court if there was not a law on the books of any kind. And, that hearing he shall have. This court will decide on the merits of his petition."

However, that hearing never took place. Federal District Court Judge T. Whitfield Davidson had hardly ended his remarks to John Coffey, and ordered the hearing to proceed, when a Deputy United States marshal stepped forward and served the presiding judge in a Federal Circuit Court with a notice that Associate Justice Hugo L. Black of the United States Supreme Court had issued a mandamus ordering the hearing in the Federal District Court to cease forthwith, and further that the injunction issued by that court be immediately dissolved, and any further action concerning the election returns of Precinct No. 13 of Jim Wells County be suspended until further action by the United States Supreme Court in that matter.

Federal District Court Judge T. Whitfield Davidson was left with no alternative, and the hearing was abruptly ended with this comment from the bench in open court by Judge T. Whitfield Davidson:

"THIS COURT HAS NO CHOICE BUT TO SUBMIT TO THE MANDATE FROM THE SUPREME COURT, ALTHOUGH IN MY OPINION MR. JUSTICE BLACK HAS ACTED HASTILY AND PROBABLY UNLAWFULLY."

Secretary of State Paul Brown had already forwarded the ballots for the November nation-wide general election to the 254 Election Boards of the 254 Texas counties, ballots on which a blank space appeared in which voters were to write in the name of their choice for Senator. LBJ's name did not appear as the candidate of the Democratic Party for United States Senator on ballots delivered to the 254 Election Boards.

As the sole result of Associate Justice

Hugo L. Black's order, LBJ's name was printed in the blank space on the ballots. LBJ's name thus appeared on the ballots in the November 1948 nation-wide general election as the candidate of the Democratic Party for United States Senator. As a result, LBJ was elected to the United States Senate as Senator from the State of Texas.

The great seal of the United States Supreme Court acted in the role of a bulldozer to clear the road so that LBJ could take a seat in the United States Senate. LBJ was fortunate that his No. 1 political crony today, Abe Fortas of the New Deal fame, was able to obtain an immediate injunction in the United States Supreme Court on September 28, 1948, terminating injunction proceedings instituted by ex-Governor Coke Stevenson in Federal Courts in Texas, to investigate the August 28, 1948 run-off primary election.

Abe Fortas had to work fast. In New Orleans, Federal Fifth Circuit Court of Appeals Judge J. C. Hutcheson, Jr. decreed a public hearing on October 2, 1948 before the full court of three judges, to hear ex-Governor Coke Stevenson's side of the story. In Dallas, Federal District Court Judge T. Whitfield Davidson's hearing was proceeding when Associate Justice Hugo L. Black's order terminated further action of any kind in the Federal District Court in Texas.

Abe Fortas did work fast. He obtained from the United States Supreme Court the only order that could stop all further investigation of the legality of the August 28, 1948 run-off primary election and LBJ's right to a seat in the United States Senate from the State of Texas in 1948.

It is difficult to speculate what LBJ's status would be today if Associate Justice Hugo L. Black had not issued his September 28, 1948 injunction. There is every reason to believe that ex-Governor Coke Stevenson would have been elected in 1948 to the United States Senate as a Senator from the State of Texas. A very cloak the reason why Associate Justice Hugo L. Black so hastily issued his September 28, 1948 injunction. There was no reason for haste as two Federal proceedings were then pending, with every indication that they would be decided before the November 1948 nation-wide general election nullifying LBJ's nomination.

LBJ is faced with a terrific problem. LBJ is now the President of the United States. No one can question the fact that LBJ was duly elected Vice-President of the United States in 1960 and presently occupies the White House as President of the United States. The problem LBJ faces is the growing belief throughout the nation today that his election to the United States Senate in 1948 was stolen for him by political cronies.

It is neither fair to LBJ nor to the voters in the United States today that this matter is not fully reviewed by LBJ and other parties concerned before Election Day in November. LBJ has a right to the benefit of any doubt that he became an accessory before or after the fact until or unless it can be proved otherwise, and the voters also have a right to know the facts relating to this matter before they go to the polls on Election Day to choose their next President.

Federal Gov't Usurps States Rights

U.S. CONSTITUTION - SWORD INSTEAD OF A SHIELD

Can Constitutional Government survive when the occupants of the agencies created by the States join in a movement to overthrow it and refuse to be "Bound By This Constitution" and the States fail to act to defend Constitutional Limitations?

How can the Constitution be defended when so large a percentage of those who have taken an oath to defend it have joined in a conspiratorial movement to overthrow it?

ROLE OF THE STATES

The States created the three (Federal) agencies of government (Executive, Legislative and Judicial) and limited their powers. These agencies are the creatures of the States and were not parties to the Constitutional contract which created them. All powers not granted to these agencies were retained by the States.

The States have faltered and failed to defend the Constitutional contract into which they entered. They have bowed as principals to the illegal acts of their agents acting beyond their authority.

U. S. CONSTITUTION

—A SWORD INSTEAD OF A SHIELD

The States which created our Constitutional system of limited powers intended that the limitations they placed on the various units of government should operate as a shield against would-be tyrants and usurpers. Strangely enough, we are now witnessing a movement by the occupants of the federal agencies in which they are using the Constitutional contract as a sword to destroy their creators and human freedom which the States intended to protect and shield by this contract.

The lawless conditions, including Little Rock, Oxford and Tuscaloosa are the inevitable consequence of the lawless action by the occupants of Federal agencies of government.

If the States should take positive action they could compel the occupants of the three Federal agencies to either conform to the Constitutional mandates or force them to show that they are determined to overthrow the Constitution. Occupants of Federal agencies are not engaged in obeying law, nor in enforcing it, nor in interpreting it, but in overthrowing law.

At long last some of the States are beginning to understand that they have been remiss in not seeing to it that they who were the masters of their self-created servant, the Federal government, have permitted their servant to become their master.

The Alabama State Legislature has called the attention of her 49 sister states to the grave danger to the maintenance of internal law and order which will result from attempts of the Federal government to justify enforcement of the unlawful and illegal provisions of the "Civil Rights Act of 1964" by blatant distortions of the U.S. Constitution or equally dangerous adherence to the United Nations Charter.

Governor George C. Wallace

"Our efforts will require vision, determination, courage, selflessness and a complete dedication to high principles."
—Gov. Wallace

On August 4, 1964, three proposed bills were placed in the hands of many Alabama State Legislators. The first proposed bill declared Public Law No. 88-352 (1964 Civil Rights Act) to be unlawful and unconstitutional, and anyone caught enforcing it in the State of Alabama would be subject to a maximum of \$10,000 fine, 5 years in jail, or both. Proposed Bill No. 2 declared all judicial and legislative acts based on the illegally-ratified 14th Amendment to be "null and void for lack of Constitutional authority." The third bill proposal was "to rescind and revoke membership of the United States and the State of Alabama in the United Nations ..."

The House of Representatives, Legislature of Alabama in Special Session August, 4-28, 1964, passed the first proposed bill, "Alabama Civil Riots Prevention Act of 1964" (H. B. 285) UNANIMOUSLY on August 25, 1964 by a vote of 76 to 0.

H. B. 285. To use the final peaceful and lawful means available to the people of the sovereign State of Alabama, to void unconstitutional legislation passed by members of the U. S. Congress, to clarify the law within the State of Alabama which has been confused by unconstitutional and illegal actions of members of the United States Supreme Court, the federal Executive Branch and finally the U. S. Congress itself, to correct distortions of the basic Law of the Land, to eliminate arrogations of power by federal agencies which power was not "delegated by the Constitution nor prohibited by it to the States," to revoke usurpations by the Federal Government of power retained under the Constitution of the United States by the State of Alabama and the people thereof, to void within the State of Alabama the Public Law No. 88-352, so-called "The Civil Rights Act of 1964."

However, the "joy was short-lived." The Wetumpka (Ala.) Herald of Sept. 3, 1964 related how certain Alabama Senators stalled the passage and killed H. B. 285 ("The State of Alabama Civil Riots Prevention Act"), although 18 Senators (a majority) had previously endorsed an identical bill.

It is obvious that great pressure was placed on certain Senators to stall H. B. 285 and adjourn without passing this vital legislation. At least four long-suspected members or tools of the Anti-Defamation League (A.D.L.) of B'nai B'rith stood watch in the Capitol Rotunda and were seen to converse with certain Senators who were CONSIDERED OPPOSED to passage of the Alabama Civil Riots Prevention Act of 1964.

Law and order could have been easily maintained in Alabama with the passage of H. B. 285, and her sister states could have profited by her example. Any loss of life and property in Alabama as a result of Federal attempted enforcement of the so-called "Civil Rights Act of 1964" may be justly placed upon the heads of certain Alabama State Senators and these same forces and individuals who undoubtedly killed the "Liberty Amendment" in the Alabama Senate in 1963.

The people of Alabama do not have to go to Washington to get betrayed!

Anyone desiring complete story of this Alabama betrayal, send stamped, self-addressed envelope to Elmore County White Citizens Council, Wetumpka, Alabama.

"This Alabama—this Legislature has a continuing duty to stand as a bulwark in behalf of constitutional government. Let us assume the mantle of leadership—let us act always as the guardian of the principles of our people—of our region—and of our nation.

No greater service can be rendered our people than to recognize our own innate leadership abilities and to exercise these abilities in the best interest of our country.

Our efforts will require vision, determination, courage, selflessness and a complete dedication to high principles. Let us move forward together with the knowledge that ultimate victory is ours." —Gov. Wallace

NULLIFY 14th AMENDMENT N. J. AGAINST REAPPORTIONMENT

New Jersey Senate President, Charles E. Sandman, Jr. (R) in an opening address to the 17th annual National Legislative Conference called for a recommendation to Congress proposing that the recent Supreme Court decision on reapportionment be nullified by constitutional amendment.

Sandman said the history of the 14th Amendment showed that neither those who proposed, nor those who ratified the amendment, believed it would limit their powers to apportion their legislatures as they saw fit. He said one of the basic concepts of the bi-cameral legislature was to insure territorial as well as population representation.

U.S. SUPREME COURT SOFT ON COMMUNISM

JUSTICE GOLDBERG'S LABOR RELATIONS RECORD SPEAKS FOR ITSELF

Arthur J. Goldberg is the former Secretary of Labor, whose appointment to the United States Supreme Court, in our opinion, was well planned, which will be evidenced by the information regarding his past.

The National Religion and Labor Foundation set up in 1932 at the instigation of the late Sidney Hillman (an identified communist), whose membership was composed of Marxian and Fabian Socialists, for the purpose of giving prestige of the church movement to the labor organizing hierarchy.

The foundation's letter-head carried about 50 names of Marxists, Socialists and Communists. It was forty-five members of this movement who signed a letter addressed to the late Franklin D. Roosevelt (at his invitation) in November 1935, urging him (according to the N. Y. Herald Tribune) "to socialize the country's resources, nationalize its basic industries, and build an inclusive union movement."

According to the Federal Bureau of Investigation and the House Committee on Un-American Activities, the NRLF was "one of the most vicious communist organizations ever set up in this country."

The NRLF won considerable notoriety by publishing on the cover of its official organ, "Economic Justice," Nov. 1932, a "wanted" circular which pictured Christ as an escaped criminal and implied by its text that every communist agitator was akin to Jesus Christ. It read:

"Reward for information leading to the apprehension of Jesus Christ, who is wanted for sedition, criminal anarchy, vagrancy, and conspiracy to overthrow the established government."

Among the National Religion and Labor Foundation members were:

Arthur J. Goldberg (now Supreme Court Justice), Sidney Hillman, Abraham Muste, Robert Weaver (negro, appointed by JFK as Federal Housing and Home Finance Administrator) Claude Williams and many others, too numerous to list.

All members of the National Committee of the National Religion and Labor Foundation have pro-communist records, some as many as 90 communist-front citations.

Their records are as follows:

Arthur J. Goldberg, member of a group whose executive head is an identified communist; member, Congress of Racial Equality (CORE); member, Fund for the Republic; was general counsel for the AFL-CIO; acted as counsel for the UAW.

Goldberg is identified in the ADL Bulletin, Jan. 1961, page 8, as a member of the Washington, D.C., Board of Directors of the Anti-Defamation League of B'nai B'rith (Jewish FBI). Appendix 9 of the Special Committee on Un-American Activities, 1944, identifies him as President of the Chicago Chapter of the National Lawyers Guild at the time he sponsored the Chicago Conference on Race Relations, July 22, 1939, a cited Communist-front operation.

The National Lawyers Guild has been repeatedly cited not only as a Communist-front, but as the legal arm in the United States of the Communist Party. And Goldberg was President of its top chapter outside of New York (page 610)!

Goldberg was also a sponsor of the Washington, D.C., Conference on Constitutional Liberties in America, June 7-9, 1940, a cited Communist-front enterprise which launched the National Federation for Constitutional Liberties. At the time of the holding of this Conference, the Communist Party was working under the line determined by the Stalin-Hitler pact (page 651). He was a sponsor of the National Emergency Conference which

REPLACED FRANKFURTER

Arthur J. Goldberg

met in Washington, D.C. on May 13-14, 1939 to map plans of action against a number of bills in Congress which would require deportation of Communist aliens, enforce registration, fingerprinting, and imprisonment of Communists, etc. This was a cited front (page 1206).

In 1956 Goldberg was a member of the administrative committee of the National Civil Liberties Clearing House of Washington, D.C., the advisory board of which included Walter P. Reuther. Its treasurer at that time was Herman Edelsberg, of the ADL; its vice-chairmen included Irving Ferman, of the cited Communist-front American Civil Liberties Union and John J. Gunther, of the Americans For Democratic Action, a Marxist political organization. Representatives from the National Conference of Christians and Jews, the American Jewish Congress and the NAACP were co-members of the administrative committee, along with a representative of the American Jewish Committee as Treasurer; Herman Edelsberg was Chairman and Kenneth Birkhead of the very pink American Veterans Committee was a new vice-chairman (See letterheads of NCLCH).

In 1957, Arthur J. Goldberg was a member of the executive board of the Religion and Labor Foundation, a cited front. Co-members of the board with Goldberg included Communist-fronters Henry Hitt Crane,

Jerome Davis, Benjamin Mays, A. Phillip Randolph, and others. (See program for April 24, 1957, Social Justice Award to Communist fronters Herbert Lehman and Martin Luther King.)

The Internal Security Sub-committee held hearings on "Interlocking Subversion in Government Departments" on May 19, 1953, Part 8, and during the testimony of one Charles Flato (pages 501-2) he swore that he had been sought out by Arthur Goldberg to do some writing assignments of pamphlets for the CIO in 1948 and 1949. He also declined to answer whether he was a member of the Communist Party during the period he worked for Goldberg.

The now Justice of the Supreme Court, Arthur J. Goldberg was a member of the board of directors of the Fund for the Republic as late as January 1961 and of the Carnegie Endowment for International Peace in 1960. There is a wealth of material on the subversive nature of both organizations. Alger Hiss was president of the latter organization.

Goldberg has been the general counsel for the AFL-CIO, United Steel Workers of America, the ILGWU (Dave Dubinsky's union), the Textile Workers Union, the Transport Workers Union (Mike Quill), the American Newspaper Guild and others.

It was Mr. Goldberg who suggested and secured the appointment of at least four high union officials to top posts in the Department of Labor. Back in 1949 he had been the strategist behind the nation's longest and costliest steel strike, which lasted 116 days. And earlier in the forties he had been the chief of the division of the thoroughly communized Office of Strategic Services (OSS) which organized the labor underground activities behind enemy lines. Jacob S. Potofsky, of the CIO, a long-time Communist-fronter, had originally urged that Goldberg be hired as general counsel of the CIO.

Thus, for the first time in history, a man identified with big labor organizations, who had never been on the bench—Federal, state or local, is seated in the United States Supreme Court—replacing another Jew, Felix Frankfurter.

Sidney Hillman (born Samuel Gilman), National Religion and Labor Foundation member, a Russian Rabbi with a long record of revolutionary activities in Russia and the United States; organizer of NRLF; member National Labor Advisory Board (under Roosevelt); member, Progressive Conference; director, Garland Fund; director, Russian-American Industrial Corporation; director, American Civil Liberties Union; member, Farmer Labor Party; President, Amalgamated Clothing Workers; member, International League for Peace; member, Labor's Non-Partisan League; and other Socialist groups.

Abraham J. Muste, National Religion and Labor member, was executive-head of the Trotskyite communists; member, National Committee of the American Council on Militarism in Education; chairman, Conference for Progressive Labor Action; vice-president, Labor Age; member, Executive Committee, League for Independent Political Action; member, National Council, League for Industrial Democracy (formerly Inter-Collegiate Socialist Society); vice-president, Pioneer Youth of America; member, National Committee, War Resisters League; contributing editor, World Tomorrow; vice-chairman, Fellowship of Reconciliation; member, Committee on Labor Injunctions; member, New York Committee for Progressive Miners Relief; representative, Conference for Progressive Labor Action in Continental Congress for Economic Reconstruction; member,

Claude C. Williams, National Religion and Labor Foundation member, is a director of Commonwealth College, Mena, Arkansas; headed the People's Institute of Applied Religion; and belongs to many Leftist groups.

In spite of his record, Arthur Goldberg was confirmed by Congress as a member of the highest court of our country.

Thirty-years research convinces us that if we could prove without a doubt that Arthur Goldberg or any other Jew was a card-carrying communist, Congress would not have the courage to oust him. The familiar cry of anti-Semitism would reverberate thru Washington. When Felix Frankfurter was up for confirmation, his red record was exposed and Senators were fighting him, Dean Acheson, Frankfurter's attorney, called Bernard Barnet to the stand; all that was necessary was for Baruch to say: "Oh I don't think he is communist." Thousands thought he was, but a prominent Jew gave his OK.

When Anna Rosenberg was up for confirmation in 1950 as Assistant Secretary of Defense, Ralph DeSola (a former communist) under oath looked her in the eye and told her he had attended several communist meetings with her and talked with her at the meetings. The Jews had every prominent non-Jew they controlled in companies they owned wire the Armed Services Committee. She went in and directed the hiring of over a million in 115 departments. Communists were packed in. When Sen. Joseph McCarthy started to dig them out, they crucified him.

COMMUNIST BACKGROUND OF NRLF

As for those readers who entertain any doubt about the communist background of the National Religion and Labor Foundation, we quote a paragraph from Robert Whitaker's article which appeared in the same issue of Economic Justice which featured the cartoon of Christ as a hunted criminal. The author, considered leader of Los Angeles communists, is also a regular committee-man of the NRLF, and a regular correspondent of the Bulletin. Consequently, his words carry considerable weight when he says:

"It is no longer a question of the need of a revolution; the question is as to the method of bringing the revolution to pass . . .

To this conclusion I have very definitely come: that there is little hope of making any considerable change in the psychology of the masses except as the sequence of RADIOAL SOCIAL ACTION OUTSIDE OF RESPECTABLE RANKS.

Consequently our concern is to build the understanding leadership for the crisis from those who need no longer the milk of infantile adaptations to their timidities and polite prejudices but are ready to talk business and digest the strong meat of DIRECT REVOLUTIONARY PREPARATION."

We also recommend James W. Ford's article which appeared in the May-June issue of 1933, entitled Communism Is The Way. The Negro author was Vice Presidential Candidate on the Communist Party ticket in 1932, headed by William Z. Foster.

JUST A QUESTION:

Will some Senator ask Mr. I. L., of Chicago to come to Washington, and say if Arthur Goldberg was a member of the Communist Party at the same time that he was?

Will the Marxists in Washington do to Mr. I. L. what they did to Ralph DeSola, an ex-communist, when he identified Anna Rosenberg as having attended communist meetings with him?

Our Republic

By Frances Barrett Lucas

Millions of people today are referring to the United States as a "democracy."

Let's consider the historical background of the word. "Democracy" originated in Ancient Greece, where it meant rule by the people direct—not through elected representatives. This was easily carried out with small city-state governments where the people could assemble at certain times in mass congregations and determine or general policy and action.

Aristotle referred to a democracy as "mob rule."

Under Grecian "democracy" Pericles restricted citizenship rigorously to the sons of Athenian fathers and excluded the slaves and aliens who were more numerous than the free population. Thus Grecian "democracy" was a highly exclusive form of government—direct rule by the chosen few designated as "citizens," who congregated and made the laws.

Thus democracy in the form in which it originated is impossible except in a small community where mass meetings can be held, or in a dictatorship where the ruling body makes the laws directly, as in the Soviet Union.

Our Constitution of the United States clearly defines our government as a "Republic." It guarantees to the people of the several States a "republican form of government." Nowhere does it mention "democracy." James Madison, in the Federalist (Letter No. 10), states: "Hence it is that such democracies have ever been spectacles of such turbulence and contention; have ever been found incompatible with personal security, or the rights of property; and have, in general, been as short in their lives as they have been violent in their deaths."

Theoretic politicians, who have patronized this species of government, have erroneously supposed that in reducing mankind to a perfect equality in their political rights, they would, at the same time, be perfectly equalized and assimilated in their possessions, their opinions, and their passions." Thus Madison exposed the dangers and weakness of democracy as loaded with the passions of class and race consciousness and agitation. Democracy, as Madison stated, has the characteristics of socialism and the philosophy of "equalization."

"A Republic," Madison continued, "by which I mean a government in which the scheme of representation takes place, opens a different prospect, and promises the cure which we are seeking. Let us examine the points on which it varies from pure democracy, and we shall comprehend both the nature of the cure and the efficacy which it must derive from the union . . . The great points of difference between a democracy and a republic are, first, the delega-

tion of the government in the latter to a small number of citizens emphasized by the rest; secondly, the greater number of citizens and the sphere of the country over which the latter may be extended."

Therefore, in the United States, although the Congress makes our laws as the legislative body, this congress is elected as the duly representative body of the people who only lend their sovereign right to these legislators.

In Russia, which is a true "democracy," the people are ruled by a body which represents the communists, who are in fact a minority party in the Soviet and not freely elected by secret ballot as in a Republic.

Alexander Hamilton, Secretary of the Treasury under George Washington, made the statement: "We are a Republican Government. Real liberty is never found in despotism or in the extremes of Democracy."

In 1891 the United States Court ruled: "The distinguishing feature of a republican form (of government) is the right of the people to choose their own officers of governmental administration, and pass their own laws in virtue of the legislative power reposed in representative bodies, whose legislative acts may be said to be those of the people themselves; but while the people are thus the source of the political power, their governments, National and State, have been limited by written constitutions, and they have themselves thereby set bounds to their power, as against the sudden impulses of mere majorities." Thus the highest court of the land has couched in easily understandable terms a definition of our REPUBLICAN form of government.

Chief Justice John Marshall, an illustrious statesman, stated that: ". . . between a balanced republic and a democracy, the difference is like that between order and chaos."

Samuel Adams warned: "Remember, Democracy never lasts long. It soon wastes, exhausts and murders itself! There never was a democracy that did not commit suicide."

George Bernard Shaw, the British playwright, veteran socialist and pro-Soviet said: "Used by persons with practical administrative experience, it (democracy) means government of the people, for the people, but most decidedly not BY the people."

William Gallacher, Communist and Member of Parliament in Britain, said: "The highest form of democracy is that found in the trade unions and cooperatives, and now expressing itself in the Soviet Union and the countries of planned socialist economy."

Benjamin Franklin warned that we have a "Republic—if we can keep it."

The brightness of the American dream has been tarnished by a tendency towards socialism and false security, by a gradual encroachment upon state and individual rights through federal government bureaucracies. A Republic places limitations and restraints on the federal government. If the people become indifferent and allow the administrators to usurp their rights under the Constitution, under the guise of "democracy," our Republic, with the sovereign right vested in the people, will have been destroyed.

God Bless our Republic—The United States of America!

"Sure weren't from Alabama"

Unknown to most Americans, those "delegates" who filled Alabama's allotted seats at the Democratic National Convention during part of the show were neither delegates nor Alabamians!

Party leftists took over the seats and gave them to men with New York accents. When reporters attempted to interview the interlopers, they held up signs reading, "No Comment." Presumably these signs were used in a futile effort to hide their New York accents.

Eugene "Bull" Connor, one of the legal delegates from Alabama told the Shreveport, Louisiana newspaper, The Councilor: "I could see those people in our seats. They sure weren't from Alabama."

"We cannot expect the Americans to jump from Capitalism to Communism, but we can assist their elected leaders in giving Americans small doses of Socialism, until they suddenly awake to find they have Communism."

The Axe of Reapportionment Falls on the Green Mountains

By Lucille & Manuel Miller

Every Vermonter has just received a slashing blow to hearth and home and to the very marrow of his bones. The land of Vermont is to be gerrymandered and the government of Vermont is to be mangled. And whose hands wield the axe which is wreaking such fury upon the body of the first sovereign state ever to join this Republic? The hands are twelve on that hickory helve and those twelve hands represent two thirds of the Supreme Court of the United States, nine officials who were not elected to inflict these heavy punishments but were appointed, seldom on the basis of judicial ability or experience, often for reasons which might fairly be described as political.

Now are these Justices of the Supreme Court of the United States motivated by malice against the people of the United States or the people of Vermont? There is overwhelming evidence that each one of these Justices, even Chief Justice Warren, who sometimes appears cynical, is actually driven by the most benevolent and philanthropic motives conceivable. Love, pure love for all mankind may well be the force which lashes each of these nine men to the excesses of sentimentality and the distortions of tradition which have become the eagerly awaited grist from that august mill, the Supreme Court.

Some say that this passion of the Justices is a trifle spotty or that it is of the on-again-off-again variety or even that it is love which draws most of its nourishment from the applause of the mass media. But the question for us to consider now is not what kind of love it is, or how unsullied, but rather it is for us to wonder just how much longer we can go on living with it.

There seems to be a notion battling around these United States that love not only conquers all but that it also justifies anything, that all that is necessary to establish the merit of any course is to prove that it was motivated by love. The time has come for us to challenge the promoters of this notion because it is their habit to curb analysis and strife criticism by labelling as "devil-seekers" all those who presume to push aside the veil of sanctity swathing individuals and groups advertised as love-instigated. The time has come for us to reassert our right to examine, criticize, and, if need be, to denounce any action, course of conduct or long-range policy even though the action, course or policy can be proven to be the product of only the sweetest of emotion, the purest of hopes and the noblest of intentions. Love is lovely, love is grand, love makes the world go 'round, none of us wants to live in a world without love. But some of us are getting all-fired restless at the spectacle of these nine blacked-robed angels, their eyes turned heavenward, their lips moving gently almost as though in benediction, while they swing that bloody axe, chopping, chopping, chopping, and all for love, or so they tell us.

"Superwoman"

Dear Editor:

Would like to call your attention to the facts surrounding the seating of the regular Mississippi delegation at the national Democratic Convention in Atlantic City, which facts were evidently not given via the controlled press, radio, TV, etc.

A so-called freedom bus on the way to Mississippi stopped at a bus station in that state. It seems trouble ensued among the negroes and whites and the police made several arrests. A colored lady on the bus interfered with the arrest and the police also took said colored lady to the police station. This colored lady stated at the national Democratic Convention that she was tied to a chair by the police, her hands and feet tied, and beaten by between twenty to twenty-four men until they dropped exhausted.

Why should the word of one colored lady be accepted as fact and over-rule the entire Democratic National Committee who voted to seat the regular Mississippi delegates who were duly sworn and elected according to Mississippi law? No one has yet told me, nor did I see her swear to any statements she made on television during the Convention when she stated that a large number of highway patrolmen beat her with a piece of water hose until each one in turn became exhausted and fell on the floor. She stated that one man after another would step up and resume his position and continue the beating until approximately twenty to twenty-four men were exhausted.

This said colored lady was never taken to a doctor, nor was there any record to substantiate she was taken to a hospital. Neither were there any records that she was examined by doctors while making this statement some three or four weeks later before the National Democratic Convention Committee. Said Committee overruled and voted to seat the regular Mississippi delegation in its proper place on the national convention floor.

Was our President the instigator of the denial and refusal of the Mississippi Delegation to its place in the national Democrat Convention? If the President and his running mate are no more for the Democratic Party than to accept such a fantastic tale, and use it for the purpose of punishing the South or the American citizens and the entire Democrat Party throughout the entire nation, then I do not think they deserve any support from any true Democrat in our nation today.

No wonder great men like Senator Strom Thurmond, Gov. Orvil Faubus, Gov. George Wallace and others have to turn somewhere else to support our American way of life and the Constitution of the United States. I for one will join these great men in their fight to save America.

A Former Tennessee Democrat

Red, White & Blue

WE SEE RED before our eyes in every direction wherever we turn, the red blood of our sons, our husbands and our brothers, soon drenching the soil of foreign countries who look us up whenever they are in trouble and need a good friend. The red flag is flying today over one-half the world's population. The reds have infiltrated into high positions in our government and into organizations vital to our continued existence as the free nation we are!

WE TURN WHITE at the thought of what will happen to this nation in the not too distant future when millions of innocent men, women and children may pay with their lives in the days ahead for our indifference if the under-ground of those invisible Marxist conspirators take our country over some day as they took over Russia in 1917. You will also learn it is better to be safe than to be sorry!

WE FEEL BLUE that this paper may soon be forced to end its existence for the want of the few dollars needed now to continue publication. Our founder has gone to his rest after spending every dollar that he possessed for keeping the nation informed and alerted about the danger which today threatens this country's security and survival. Those who have carried on since his departure are now trying their very best to keep this paper going!

WE NEED HELP from those who want us to win their fight for them. Your dollars sent today can make the difference between a victory and defeat for our side. What will our children think of us when we are gone? They did not ask to come into this world. We owe them more consideration. Your \$20, \$10, \$5 or \$1 will keep this paper in the fight to keep our world a fit place in which you and your children will be safe and happy!

The Job You Save May Be Your Own

The union man has no worries concerning his next contract, either the amount of money or working conditions. His biggest worry will be the Fair Employment Practices Commission ordinance which will come along in the Civil Rights Bill that one year from date of the passage of said C.R.B., he has to give up his "seniority," and one out of every two men will be replaced by a member of the colored race.

If the Civil Rights Bill is not repealed the only alternative for these men who have the ability, training, experience to operate and maintain their jobs, will be to move aside. Both Johnson and Humphrey have wholeheartedly endorsed the Civil Rights Bill and the entering of the Fair Employment Practices Law into said bill.

Union leaders throughout the nation have endorsed the Civil Rights Bill including the FEPC clause.

Union members, consider the future and welfare of your wife, your children and your home. Without your job as a means of support if the Civil Rights Bill is not repealed, your job is at stake. The welfare of your family means more to you than blind obedience to an organization determined to destroy your freedom.

Make your own decision. Think for yourself and act accordingly.

Proof Positive

A letter was mailed Aug. 7, 1964 by Joseph L. Rauh and other leftwingers urging Democratic Party hacks to stack their delegations to the National Convention with delegates who would vote against seating the regular Mississippi delegation.

The Citizens' Council of Louisiana has a photocopy of this letter which went out on Americans for Democratic Action (ADA) letterhead. The letterhead listed Senator Hubert H. Humphrey as a vice-chairman.

Anyone who doubts the existence of this letter may see it at the state council headquarters in Shreveport. (Incidentally, a fine paper to subscribe to if you want to be kept posted on what is REALLY going on in the South is The Councilor, 228 Oil & Gas Bldg., Shreveport, La.—\$2.00 yearly).

"The cornerstone of America's greatness is the principle of maximum Liberty and Freedom for the individual, consistent with the rights of his fellow-man to the same liberty and freedom of choice."

Washington, D. C.

Dear Mr. Hoover:

I am enclosing a copy of the last issue of "Common Sense". I will not go into a long tirade about this since if you will take the time to read it, it is very self explanatory.

Now I want to know, are these things true? If so, what are you doing about them?

One other thing, Liberty Lobby has announced that Otto Otepka is still ousted from the State Department because of the "CRIME" of giving true information against Communists in the State Department to a House Investigating Committee. They say files of testimony has been taken but is withheld from the American Public. Is this true?

We are getting pretty fed up with Government secretiveness and we want to know something is being done about such blatant take over in our own government.

Yours truly,

B

TALMUDISTS AND COMMUNISTS SUBVERTING NATION THRU IMMORALITY

Republished from—
Liberty League, U.S.A.
Los Angeles, California

Anti-Christian organized homosexuals are carrying a subversive anti-morals campaign into the nation's churches, universities, state legislatures and Congress to destroy sexual laws and moral codes, to legalize sodomy, promote perversion and to corrupt youth.

Mrs. Connie Clare Chandler, president of the Liberty League, U.S.A., a patriotic conservative group combating communism and subversive liberalism, made the charge in a bulletin to league members.

Investigators, she said, uncovered the activities of the Daughters of Bilitis, a nationwide and international secret lesbian society of San Francisco with known chapters in Chicago, New York and Indonesia.

The Bilitis, Mrs. Chandler disclosed, is affiliated with the notorious Mattachine society of organized homosexuals whose influence and power reaches into the White House, all federal agencies and many members of Congress.

The Washington Mattachine were investigated in 1963 by the House District of Columbia Subcommittee No. 4, found to be operating secretly, and hearings were held with Representative John Dowdy of Texas as chairman. Dowdy warned Congress on July 5, 1963: "The acts of these people are banned under the laws of God, the laws of nature, and are in violation of the laws of man."

Franklin Kameny, president of the Washington Mattachine, testified "there are at least 200,000 homosexuals in federal government and a quarter of a million in the armed forces."

The House committee was shocked. Federal statutes prohibit homosexuals on federal payrolls in any branch of the government. Dowdy asserted: "All of the security risks that have deserted the United States and gone over to the Communists have been homosexuals." He also disclosed pressure opposition "by people in government" against the investigation of homosexuals.

Kameny told the committee the Mattachine objectives are "to equalize the status of homosexuals by achieving equality . . . cooperate with other minority organizations . . . for full civil rights."

The Daughters of Bilitis, Mrs. Chandler said, were cited in the hearings. The Liberty League, she said, investigated the lesbian society because of the case of Frederick Seelig, former California newsman who was imprisoned in 1960 for nearly two years without trial or conviction of any offense after he made charges of homosexual Communist power in government and the judiciary.

She said many documents substantiate that corruption methods were used by the Kennedy-Johnson regime, and by the Justice Department under Robert Kennedy, as political expediency after illegal federal confiscation of Seelig's property and files of evidence because of what they disclosed in California government homosexual-communistic perversion corruption.

"Seelig in 1953 through 1960 had uncovered the nationwide secretly organized homosexual society, said it was aligned with Communists, and was following a Moscow directive to undermine sexual laws

and moral codes of the United States," she said. "He had evidence of homosexual slush funds for election campaigns, both state and national, which he linked to the elections of Governor Edmund Brown and States Attorney General Stanley Mosk, now a state Supreme Court Justice.

"Seelig also had made charges that the Pacifica Foundation radio network programs were largely homosexual and communistic. The Congressional hearing in 1963 on the Mattachine and those on the Pacifica Foundation more than substantiated his allegations of five years earlier. Seelig's petitions to Congress for hearing on his political imprisonment have been ignored and are reportedly blocked by the White House."

Disclosures during the past year, Mrs. Chandler said, provide new evidence that organized homosexuals seek to destroy sexual laws, promote pornography, sexual promiscuity and obscene books to corrupt and infect youth. More than 50 per cent of rampant venereal disease, it was reported, is being spread by homosexuals.

Mrs. Chandler said investigators have provided evidence that Bilitis lesbians formed the "Council of Religion and the Homosexual" for the perversion of churches and recruitment of college youth into homosexuality. A Bilitis bulletin disclosed the lesbians giving scholarships now to likely girls.

"The bulletin, also sent to liberals sympathetic to homosexual perversion," Mrs. Chandler said, "cites the Council's objectives: 'Orient the clergy on aspects of homosexuality, encourage pastoral clergy to present the homosexual views on sex,

"In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence."

religion, morals and ethics before lay organizations within their churches; provide an effective voice throughout the nation in matters of laws, policies and penal reforms governing adult sexual behavior."

"The testimony in the Mattachine hearings disclosed the society is secret, the organized homosexuals seek to legalize marriages between man and boy, woman and girl and abnormal sex relationships," Mrs. Chandler said.

"The outlawed perverts and new breed of political liberals are advocating 'New Frontier' sexual law changes in California, Massachusetts and New York," she continued. "New York State Supreme Court Justice Samuel H. Hofstadter warned: 'Changing the law on homosexuality would amount to legitimizing an abomination.'"

"California State Supreme Justice Stanley Mosk has reportedly gone on record as favoring legalized homosexuality," Mrs. Chandler said. She then cited the subversive educational program being conducted by homosexuals in California churches.

"Excerpts of an address given by a Bilitis lesbian at a religious conference, sponsored by the Glide Foundation of San Francisco, are quoted: 'The orthodox god (sic) of orthodox religion is a flat . . . unmitigated failure . . . the old precepts and concepts of Biblical references such as the one of Sodom and Gomorrah are used to substantiate the sin of homosexuality, as being anti-Biblical, anti-church and anti-Christian . . . the Ten Commandments are valid so long as human experience remains the same, but norms devised centuries ago are now inadequate when confronted with the present problems of sexuality today . . . the changing standard of mental health . . . defenders of civil rights meet with resentment . . . every religious expression is open to critical examination . . . the word (sic) of God is not stagnant, final nor cemented . . . civilization is changing . . . religion must change, too, or perish!'"

"That anti-God lesbian address was given at the Western Regional Study Conference on the Young Adult at the Glide Memorial Methodist Church in San Francisco. The homosexuals and communistic liberals also have formed Leagues for Sexual Freedom as part of a civil rights attack on Christianity's moral codes.

"Other talks were given by Disciples of Sodomy, outcast by God, who are now a power in California and Federal government as has been evidenced also in the White House," Mrs. Chandler said.

W. E. Mohler, Jr., a Los Angeles attorney, espoused homosexuality in his talk at the Mattachine Society's Eleventh Annual Convention recently in San Francisco. The Rev. Canon Robert Cromey, rector of St. Aden's Episcopal Church, spoke on moral and religious aspects of privacy. He was reported as stating: "If homosexual commitment is capable of engendering and deepening love, then the church cannot automatically say homosexuality is sinful."

It was reported to the Methodist Church Conference that Robert Kennedy, while U. S. Attorney General, had appointed an official to study police practices and to hear complaints by the civil defenders of homosexuals, as a new adjunct activity of the Department of Justice. This new federal policy protective of perverts was not told to the public.

"The homosexual conference was further told that the U. S. Supreme Court had reversed traditional American long-standing decisions against mailing of pervert and pornographic magazines and has indicated future rulings which will legalize sodomy and homosexuality now prohibited by law as criminal," Mrs. Chandler said.

"The Daughters of Bilitis announced lesbian scholarships are being awarded at universities. Also, a questionnaire on public acceptance of homosexuality was distributed nationwide to homosexuals, Communist-fronters, so-called moderates and liberals," Mrs. Chandler disclosed.

"The Bilitis bulletin said Dr. Richard Green of the Neuropsychiatric Institute, University of California Center for Social Sciences in Los Angeles, is compiling the questionnaires for a favorable report on homosexuality.

"Such reports and similar so-called sexual studies go to state legislatures and to members of Congress to promote the eradication of sexual laws. The Dowdy hearings disclosed that Illinois became the first state in the nation to eliminate sexual laws against homosexuals through such deceptive and misleading reports.

"Professor Charles Bowman of the University of Illinois, according to the Illinois State Bar Association, was chairman of the committee charged with the responsibility of redrafting the Criminal Code, which eliminated the section on sexual offenses. In effect, it legalizes homosexuality and acts of sodomy," Mrs. Chandler said. She warned that legislation has been drafted to legalize homosexuality in California.

The Kennedy-Johnson Administration policy regarding homosexuality in government, Mrs. Chandler said, is deplorable and should be the concern of all moral persons and Christians.

"The power of this criminal and communist-pervert-outlawed element in both the White House and federal agencies, and backed by pseudo-Americans posing as liberals and moderates in both the Democratic and Republican parties is shameful and pernicious," Mrs. Chandler said.

She pointed to the White House protectiveness of Walter Jenkins, the Assistant to the President, who was arrested in the criminal act of sodomy.

"Jenkins is not allowed to testify before a Congressional committee on his subversive links with Bobby Baker, another protege of President Johnson, charged with government corruption and sexual perversion activities with Jenkins involving members of Congress and foreign embassies.

"Tyranny and totalitarian despotic methods are being used to cover up government perversion and communism," Mrs. Chandler said. "This started in the Roosevelt regime when Sumner Welles was forced to resign as Undersecretary of State after being caught in a homosexual act. A Con-

MORRIS ERNST, communist frontier and lawyer for the American Civil Liberties Union, has worked for years for the legitimization of obscenity.

gressional investigation in 1950 disclosed that hundreds of subversive perverts and Communists were in the Department of State and in other federal agencies, including the White House.

"A White House Executive Order clamped secrecy on the testimony. For 14 years that testimony and evidence of subversion has been withheld from the American public.

"Since then, paganism has been espoused by federal agencies with impunity, under the guise of humanitarianism. It is destroying the Christian principles of America's founding, as well as the moral codes and the very Constitution underlying the creation of this Republic," Mrs. Chandler said.

She said that neither wire news services nor the newspapers reported the shocking and startling disclosures of the testimony in the Dowdy homosexual Mattachine hearings or in those revealing the strongly communistic and homosexual programs of the Pacifica Foundation through its entrenched network of stations.

Immorality In High Places

SEELIG PERSECUTED FOR EXPOSING "ORGANIZED HOMOSEXUAL POWER IN GOVERNMENT AND JUDICIARY"

A father's unceasing six-year fight to safeguard his daughter and son from homosexuality was renewed in a "Christmas letter" to a Los Angeles County Superior Court judge, calling for open public hearings on the "organized homosexual power in government and the judiciary."

Frederick Seelig, former California newspaperman, in a letter to Judge J. Eugene Breighenbach, stated:

"As this Christian sacred Christmas nears, my daughter and son, Sandra and Edward Seelig, are still condemned to a life of perversion by the criminality of a court order you signed giving their custody to proven homosexuals who are outlawed by God in the Bible as abominable creatures.

"Threats were made unless I was silent on the pernicious organized homosexual political power in government and the judiciary—county, state and federal—I would be imprisoned without trial or conviction of any offense and I would never see my daughter and son again. All threats were made a reality. My daughter and son, by court order, were made sacrificial victims. This is the sixth Christmas I am denied the right to see them or know their whereabouts.

"For more than six years perversion corruption charges have pended against Los Angeles County Superior Courts and county agencies. The evidence and charges have been met with a cowardice of silence for elapsed time to cover up the criminality. Perverted social service workers and officials claim there are no laws against custody and adoptions of children by homosexuals for rearing in perversion. This is in line with the organized homosexual objective to destroy sexual laws and moral codes under questionable liberalism in social equality for all minorities.

"The right of redress of grievances, guaranteed by the 1st Amendment of the United States Constitution, has been violated for six years and the perversion corruption continues. If you believe in the laws of God and society's moral codes protective of children, you will comply with statutes authorizing investigation by ordering open public hearings."

Records disclose that Seelig numerous times submitted evidence and petitions for hearings to both the county and federal grand juries, the Los Angeles County Board of Supervisors and to Gov. Edmund Brown on homosexual corruption-influence. There is no record of any hearings given to the charges or evidence.

Seelig charged homosexuals are secretly organized in subversive activities to undermine moral codes, destroy sexual laws, recruiting youth in schools into homosexuality; operate illegal syndicates of bars statewide and nationwide, use pervert "slush funds" in state and national elections, both GOP and Democrats who follow questionable liberal humanitarian alien ideologies; that thousands of homosexuals are on state and federal payrolls which is prohibited by law, and he charged their pernicious influence in Congress and the White House has made them a "government within a government" endangering the internal security of the United States.

Evidence has been surfaced that John F. Kennedy in mid-1960, while a senator with aspirations for the presidency, became concerned about Seelig's evidence and documents, which could cause a pre-election nationwide scandal. The evidence linked

Samuel Roth

Gov. Brown and Atty. Gen. Stanley Mosk, now a state Supreme Court justice, to homosexual funds used in their 1958 election campaigns.

Seelig was denied hearings. In late 1960, a U. S. marshal arrested Seelig in New Mexico on a charge of mailing alleged libelous matter and he was sped to Texas. After the Kennedys took office in January, 1961, a charge of alleged insanity was substituted to prevent the libel trial and what it would disclose.

The Justice Department, under Robert Kennedy, confiscated Seelig's property, evidence files and material—an illegal seizure. After a federal medical board found Seelig sane, records show he was removed from Texas to Los Angeles, supposedly for a libel trial—in violation of the Constitution, and he was again charged with alleged insanity. Instead of federal doctors examining him a second time, the Justice Department hired the chief psychiatrist for the Los Angeles County Superior Courts re the perversion charges involving homosexual influence and corruption pending against them for six years. The lives and future of two children are at stake.

The county chief psychiatrist testified Seelig had been "legally insane for at least five years" which by law would prevent Seelig from ever testifying what occurred in that period. Since then Seelig has uncovered a criminal background on the psychiatrist which has also been denied hearings.

For nearly two years Seelig was imprisoned in a federal penitentiary. He carried his own case to the U. S. Supreme Court and won it in mid-1962. Records show he was not freed until four months later when the Justice Department dropped the libel charges and refused to allow hearings on the illegality of the imprisonment or the corruption in it. Seelig charges he was subjected to prison torture and federal agencies acted in collusion with California state agencies to speed custody of his children to homosexuals before his prison release.

In 1963, two Congressional hearings on the Pacifica Foundation radio network and on the Mattachine Society of homosexuals substantiated his charges and confiscated files that homosexuals aligned with Communists dominate the network; that thousands of homosexuals are illegally on federal payrolls and they seek to destroy the nation's sexual laws; that they were secretly organized nationwide until March, 1961, when disbanded into state segments. Two months previously the Justice Department illegally seized Seelig's files on this homosexual secret, subversive society whose members are on federal payrolls in all agencies.

In 1964, Seelig petitioned Congress for hearings and investigation on the criminality and corruption of the Justice Department and federal courts under Robert Kennedy on his imprisonment.

White House pressure protective of homosexuals, Seelig believes, has prevented hearings on his petition. Recently, a White House homosexual, Walter Jenkins, was arrested after being caught in an act of sodomy. Bobby Baker, another White House protegee linked with Jenkins' perversion activities, has been charged with government corruption. The sympathetic and paternal attitude in both cases by the White House is strange and questionable.

"The influence and power of homosexuals illegally in government was exemplified in 1950 when testimony on homosexuals and Communists on federal payrolls were endangering the security of the United States, was classified as secret by a White House Executive Order," Seelig said. "For 14 years the public has been denied the right to know that testimony, Sumner Wells, under-secretary of state, resigned 'for reasons of ill health' when caught in an act of homosexuality. He had entrenched hundreds of perverts in the State Department.

"The American Civil Liberties Union, notorious for its defense of Communists and homosexuals, presently has cases before the U. S. Supreme Court to legalize homosexuality and sodomy on claim the sexual laws are unconstitutional because they discriminate against a minority under the 1st Amendment and the civil rights

legislation which calls for 'social equality for all minorities.'

Meanwhile, Seelig is continuing his fight to break the California custody order which gave his daughter and son to homosexuals.

In 1957, he filed for a divorce from a wife who revealed herself as a lesbian and "married" a lesbian. It was then he learned the power of secretly organized nationwide homosexuals aligned with subversives posing as "liberals" and "moderates" in their political affiliations, influence in social service, government agencies and the power they have in federal agencies.

Seelig says his two children were held like hostages by Los Angeles County Probation department social service workers and the Juvenile Court; that criminal homosexual evidence was suppressed by the court protective of the perverts. The basic issues are two small children. Both state and federal agencies covered up the criminality of homosexual influence and it now implicates the White House.

"DESTROY THE ACCUSER," a book on the Seelig case and government perversion, is being published. The disclosures in it are said to be shocking. All state, federal officials and judges involved in the case are named.

Weakening The Will To Resist STATE DEPARTMENT SUBVERSION

By Frank A. Capell

We are witnessing an era of moral decay and the loss of a sense of values on the part of some of our people. The international Communist Conspiracy advocates and promotes the "softening up process" which is designed to weaken the will to resist. The Supreme Court and many lower courts have decided in favor of what we used to know as downright filthy pornography.

The Administration is so busy promoting racial strife that it would not have time to give its attention to the moral degradation being promoted even if it wanted to. Almost every state has statutes under which these morality-destroying programs could be stopped as has the federal government.

Senator McCarthy found large numbers of homosexuals working in key positions in our State Department and in other sensitive spots. Before action could be taken at that time, hundreds resigned. We are back in this situation again. Only when it is too late do we learn the facts of some of the degenerates permitted to work in our government.

Two defectors to the Soviet Union are typical examples. Bernon F. Mitchell was a homosexual who posed for nude photos and had abnormal sex relations. William H. Martin was friendly with known Communists and was sexually abnormal. This was known to many people for years, yet both were allowed to work for our top secret National Security Agency until they defected.

Investigations have disclosed that there have been "call girls" used regularly by the State Department. In fact parties have been

held right in the offices of the State Department. A Call Girl Ring has been operating in the corridors of the atheistic United Nations.

So rotten is the sense of moral values that a group in the State Department headed by Harlan Cleveland is actually trying to get Alger Hiss back into government service. This and other shocking activities of the "boys" in the State Department in getting security risks into the State Department are being investigated by the Senate Internal Security Sub-Committee.

In the Soviet Union intelligence agents are given special courses in how to use sex as a weapon in the involvement of men, women and homosexuals so that pressures can be brought to bear on them. Many a person in a legislative body has voted against the dictates of his conscience due to diabolical pressures. Diplomats are turned into traitors as a result of the evidence secured by the use of call girls, handsome men and homosexuals.

Those involved in these immoral acts develop a strange tolerance for things ordinarily classified as degeneracy, pornography, adultery, etc. Thus we see a new "liberal" interpretation of what is decent and what is immoral.

In an effort to widen the field of persons who can be blackmailed into treason, into payment of money or involvement of others, fantastic programs of promoting degeneracy, immorality and indecency are going on almost wide open with the proper authorities, for the most part, discouraged or prevented from taking the necessary action to stop it.

Following are a few of these programs with documentation from the literature of the organizations involved. They are not Communist per se but are developing the decadent atmosphere in which Communism flourishes. The American people themselves must combat them, the courts do not.

Organized Degeneracy

Not long ago authorities in Essex County, N. J. conducted a raid on a private residence. In the raiding party were federal agents. The raid was conducted properly and legally. Found on the premises were huge quantities of photographs of males and females in nude degenerate sex poses, as well as letters, writings, etc. The investigation disclosed a sex club with members in many states, even in foreign countries. The members participated in every type of perversion. Among photos seized was one of a large crucifix showing a nude male in a position as if performing a degenerate sex act on the person of Christ. Communist writings were also found.

In New Orleans Hubert Badeaux, formerly of the New Orleans Police Department Intelligence Unit, spent two years uncovering a huge ring consisting of the inner circle of a chain of nudist clubs, which promoted "wife-swapping" and homosexual activities. Because of the many important people involved, he was forced out of his job, but continued the investigation until the ring was exposed and legal action taken.

Under the guise of friendship clubs or "lonely hearts" columns, advertisements are placed by sex clubs, individuals or couples indicating their interests. Newspapers accepting such advertisements are Confidential Flash of Toronto, National Insider of Chicago, Justice Weekly of Toronto and others with national circulation in the United States. Many magazines also accept these advertisements.

The "clubs" accept listings according to type of sex activity or interest indicated, and lists of names are supplied to members or letters exchanged or forwarded. People exchange letters outlining their interests through these "clubs," photograph with the second letter, and then a meeting is arranged. Once a personal contact has been made, the novice is on the way to becoming an addition to the many thousands of unfortunate people being drawn into the cesspool of degradation. Among many of these people nudism is practiced indoors and photographs are usually taken during their activities. Preying on lonely people, bored married couples, those with latent abnormal tendencies, the circle grows.

Before Rome Fell —It Decayed From Within

IS U. S. A. MODERN SODOM
AND GOMORRAH?

The pornographic war on America is directed by "Students of the Talmud." The white-slavery, prostitution, narcotics, and liquor rackets are all almost completely Jewish controlled. The Protocols attest this fact, but statistical results from police investigations prove the assertion. All law-enforcement officials know this; none dare to talk openly on the subject. Burlesque is a Jewish monopoly. Pornography tycoons are all Jews. These Talmudists make millions and are the major cause for the moral degeneracy of this nation. Every effort is being made to legalize pornography. According to the FBI, pornography has been directly responsible for a majority of the vice and crime in the United States.

Two Negro physicians, Dr. Edward O. Mazique, president-elect, National Medical Assn., and Dr. Joseph L. Johnson, testified before the Granahan House Postal Subcommittee Investigating the Problem of Obscene Literature. They said:

They knew from their own observation that pornographic literature contributes directly to mental illness among young people who habitually read it.

Dr. Mazique . . . added that obscene literature is a social threat to people of his race. "By nature of the fact that the great masses of Negroes are in the lower socio-economic group," he explained, "they are the most helpless in the face of the inundating force of lewd and obscene literature."

The penalty for writing, publishing, distributing and retailing pornographic books, magazines, pictures, films, etc. should be execution, not freedom! Write your Senators and Congressmen to ban all filth from the mails—and make the penalty so severe as to discourage peddlers of filth. Strive to bring Christ back into our homes, into our schools, into our churches and into our government. How can we expect to be blessed as individuals or as a nation unless we drive the peddlers of filth from our country? How can we expect sanity in our government when high places are filled with mentally ill perverts?

Rules for Revolution

(Captured in Dusseldorf May 1919 by the Allied Forces)

A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.
B. Get control of all means of publicity and thereby:

1. Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.
2. Divide the people into hostile groups by constantly harping on controversial matter of no importance.
3. Destroy the people's faith in their

natural leaders by holding the latter up to contempt, ridicule and obloquy.

4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.

5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders.

7. By specious argument cause the breakdown of the old moral virtues, honesty, sobriety, continence, faith in the pledged word, ruggedness.

C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.

"NOTE: The above "Rules for Revolution" were secured by the State Attorney's Office from a known member of the Communist Party, who acknowledged it to be still a part of the Communist program for overthrowing our Government."

State Attorney

"The peoples of the Goyim are bemused with alcoholic liquors; their youth has grown stupid on classicism and from immorality, into which it has been inducted by our special agents—by tutors, lackeys, governesses in the houses of the wealthy . . . by our women in the places of dissipation frequented by the goyim."

—PROTOCOLS 1: 22

Please bear with us

We have been without the services of several of our regular members since the first of the year. This has badly crippled an already chronically inadequate staff and seriously impaired our operations.

We are also suffering a press breakdown as we have never had before. While the press has been temporarily repaired, it will be several weeks until it will be in proper condition. Seems our sixty year old press is beginning to show its age!

In addition, we have had such an upsurge in orders, sample copies and correspondence, we are unable to keep up with them due to one or both of the above reasons. However, all will be taken care of just as fast as arrangements can be made; also we will catch up on issues as circumstances permit. Please bear with us—we are doing our best.

A number of national associations of homosexuals exist. One of the best known is the Mattachine Society, Inc. of 1133 Broadway, New York, N. Y., which has members from coast to coast. They promote legislation, give legal advice and even employ a Washington lobbyist.

A national group of females only is known as "The Swingers" and attracts lesbians who are married or single for contact and pairing up purposes. The Executive Director is a man, Ernest P. Thompson, 6731 East End Ave., Chicago 49, Ill. He uses P. O. Box 7082, Chicago, Ill. There are area presidents. A national directory lists members who pay dues of ten dollars per year.

The World Service sells lists of broad-minded ladies or men — ladies wanting lady pen pals, the same for men, teen-age girl lists (age 14-20) with descriptions, teen-age boy lists (age 14 up), male models and impersonators. Each list is one dollar.

The Bandolier Press, P. O. Box 932, Chicago 90, Ill. sells lists of teen-agers and specifies that they have ten thousand teen-age boy or girl names and addresses and will make up a list "in your area." They state ages are from 14 to 19.

The Homosexual League of New York, P. O. Box 318, New York 9, N. Y., distributes packets of homosexual publications, supplies free speakers and will assist in radio, TV or motion picture presentations "concerning homosexuals," also have tapes on "homosexual living and culture."

The East Coast Homophile Organizations sponsored by Daughters of Bilitis, New York Chapter, Janus Society of Delaware Valley (Philadelphia, Pa.) and the Mattachine Society held a Convention, August 31 to Sept. 1, 1963 at the Hotel Drake in Philadelphia, Pa. On Sept. 20, 1963 Dr. Albert Ellis spoke at Freedom House, New York, N. Y. for the Mattachine guests. The subject of his talk was "Sexual Freedom and Homosexuality — The Right to be Wrong."

Efforts are being made to convince the public (and the homosexuals themselves) that a homosexual functions normally except for his perversion and should not be persecuted for it. However, this is not true. The homosexual's personality is affected, making him a security risk.

While it is undoubtedly true that every sex club and degeneracy-promoting scheme is not necessarily run by a Communist, it is certain that they take advantage of such activities for securing blackmail material and have often created the interest in the subject through Communist-published pornographic books and so-called "scientific studies."

So many people are involved, including those in important positions, that almost nothing is done to suppress those responsible for promoting the destruction of the character and morals of many Americans. Only the demands of an aroused public for investigation can force action from intimidated officials.

There is still a difference between right and wrong in spite of a campaign to erase it. In the period of peril in which we are living acceptance of immoral, indecent, illegal and unconstitutional actions on the part of our citizens and officials will lead to the acceptance of tyranny.

Common Sense.

Sir:

I have some disturbing rumors I have heard about your financial backing and I do not want to believe they are true butk since you are on the House Un-American Activities Committee, it is only fair we get the truth when things like this are rumored around.

It is said down here in the South that some of your supporters during your campaign were Communists and that this is a documented fact and these are KNOWN COMMUNISTS.

Is this true?k I know of no where to go to get a straight answer except straight to the "horses mouth" to use old phrase.

If you did have the backing of known communists then we will ask that you remove yourself gracefully from your exalted post on the House Un-American Activities Committee, since there would be a conflict of interest there, wouldn't you say?

Please let us hear from you.

Thanking you I am,

cc: J. Edgar Hoover,

Gentlemen:

Could you please send me some information in regards to the enclosed newspaper which we receive regularly.

It has caused some concern among the Brothers here, to the point that it may even be a communist backed paper even though it dose'nt appear that way.

Even if you have no available information in regards to the paper, your opinion about the validity of its contents will be highly valued and appreciated.

Since in the future we will be engaged in the education of youth we think it very important to be well informed in these matters.

Wishing you Heavens blessings on all your work, and a remembrance in our prayers,

Dear Mr. Hoover:

We are concerned Americans and want you to know how much we appreciate your work in fighting Communism through the years.

Please give us information on a paper called "Common Sense" published by a negro Editor. It is published by the Christian Educational Assn, 530 Chestnut St., Union New Jersey. I had a brief glimpse of a copy and believe the negroes to be sincere but it could be another way for the NAACP and Communist to work. Negroes who have pride in their race can do much to help settle this race war, but we are always afraid that the Communist are behind so many of the Christian (so called) Educational organizations.

We will appreciate this information from you as soon as possible.

Yours for a return to Constitutional Government

Most Sincerely,

Invasion Of South - Communist Directed

Negroes in U.S. ... "constitute largest and most important racial target of Communist Party"

—J. Edgar Hoover

Communist forces both inside and outside the United States of America are pressing for a negro revolution in this country. The communist-inspired, communist-led, and communist-directed invasion of Mississippi and Alabama under the banner of so-called "civil rights" activities has succeeded in magnifying racial tension and capitalizing upon racial unrest to create violence and bloodshed, all in furtherance of the communist objective of weakening this nation internally to advance the day of the planned communist takeover.

On January 11, 1965, the New York Times published an article (page 26) referring to 21 lawyers who were "pledged to go to Mississippi to take depositions in efforts to oust Mississippi's 5 present members from the House of Representatives."

The New York area lawyers pledged for this deposition caravan to Mississippi included Morton Stavis, national coordinator of the group, Alan H. Levine, Ernst Rosenberger and Barney Rosenstein.

Morton Stavis was born Moses Isaac Stavis on May 26, 1915 in New York City. He changed his name legally to Morton Stavis in 1939 and now maintains a law office in Newark, N. J.

According to Senator James Eastland (Feb. 3, 1965, Congressional Record), Morton Stavis was a member of the Communist Party in 1945 and 1946 in New York and New Jersey. Senator Eastland also stated on Feb. 3 that in 1950, Stavis was a member of the Communist Party in Union County, New Jersey.

Stavis has been active in the Emergency Civil Liberties Committee from 1955-1964, during which time he has been a member of that organization's national council. "... the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-communist group, actually operates as a front for the Communist Party ..." (Committee on Un-American Activities, 1958 Annual Report, House Report 187, March 9, 1959, pp. 34 & 35.)

Morton Stavis was defense attorney for Mrs. Sylvia Neff, who was convicted in May 1952, for swearing falsely to a Federal grand jury that she had no communist connections. Federal Judge Madden of Camden, N. J. had this to say about Morton Stavis: "You followed the obvious line of the Communist Party to such an extent that it was open and obvious to the jury what your methods were." (Philadelphia Evening Bulletin, May 29, 1952.)

From 1945-1962 Morton Stavis has been listed as a member of the executive board of the National Lawyers Guild. The National Lawyers Guild was cited as a communist front which "is the foremost legal bulwark of the Communist Party, its front organizations, and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including

Nicholas Katzenbach

Attorney General Nicholas Katzenbach, like Robert F. Kennedy, says the Communist Party has no control over civil rights organizations or their leaders.

known espionage agents." (Committee on Un-American Activities, House Report 3123, September 21, 1950.)

Stavis and his wife both invoked the fifth amendment before the House Committee on February 23, 1956, in refusing to answer all questions put to them regarding past or present Communist Party membership.

The San Francisco Examiner of Jan. 19, 1965 reported that several attorneys from the San Francisco area were proceeding to Mississippi to "perfect the challenge to the Mississippi congressional delegation." One group of California lawyers, which reportedly left for Mississippi on January 19, was alleged to include Alvin H. Goldstein, Benjamin Dreyfus, Edward Stern and Jack Berman.

Benjamin Ballinger Dreyfus was born in 1910 and presently maintains a law practice in his native San Francisco. He was identified on June 19, 1957, by Dr. Jack Beverly Patten, in testimony before the House Committee on Un-American Activities, as a former member of the Communist Party, U.S.A. Patten testified under oath, and identified Dreyfus as a fellow member of the professional section of the Communist Party in San Francisco in the early 1940's.

Dreyfus himself testified before the House Committee on Un-American Activities on June 21, 1956, and invoked the first and fifth amendments of the Constitution in refusing to answer questions regarding Communist Party membership.

**THE ONES THEY SMEAR
ARE THE ONES THEY FEAR**

Benjamin Dreyfus is a former president of the National Lawyers Guild, a cited communist front organization.

Edward Stern is a member of the San Francisco chapter of the National Lawyers Guild.

Jack Berman was a sponsor of the Los Angeles Committee for the Protection of the Foreign Born. (California Committee on Un-American Activities, 1961 Report, p. 112.) This organization is an affiliate of the American Committee for the Protection of the Foreign Born, cited as subversive and communist by former Attorney General Tom Clark (June 1, 1948; September 21, 1948.)

Two Michigan lawyers also joined in the so-called "legal task force" invasion of Mississippi—Robert Abram and Ernest Goodman.

Robert Abram has been a member of the National Lawyers Guild since at least 1961. Ernest Goodman is a legal representative of the Michigan District Communist Party. In April 1964, Goodman was the President of the National Lawyers Guild. (Congressional Record, March 18, 1965.)

The cited National Lawyers Guild was well represented in the illegal invasion of the State of Mississippi. During the summer of 1964, a total of 66 National Guild lawyers from all parts of the country descended on Mississippi for various intervals. Among them were Fred Cohn, Chicago; Pauline Epstein, New York City; Howard Feldman, N.Y.C.; David Finkel, Los Angeles; Irwin Gostin, San Diego; Sanford Katz, N.Y.C.; Marvin Kessler, N.Y.C.; Ralph Shapiro, N.Y.C.; Robert Stein, Detroit.

Also assisting in the 1964 summer invasion of Mississippi were Barry Goldstein, New York City (Barry's father, Isadore, was a partner of the convicted atom spies Julius Rosenberg and David Greenglass in early 1946); Del Greenblatt, N.Y.C.; and Rabbi Arthur J. Lelyvekl, Cleveland, Ohio.

The Jewish thread throughout the so-called "civil rights" struggle is well-defined. When Martin Luther King had to admit in a Montgomery, Alabama courtroom that he did not intend to march all the way to Montgomery from Selma on March 9 in apparent defiance of a federal court order, it was NAACP attorney Jack Greenberg who pleaded his case. (Time magazine, Mar. 19, 1965). Nearly 100 officers and members of the American Jewish Congress answered King's request to join in the climax of the Selma-Montgomery march. (N.Y. News, March 24, 1965). David Dubinsky, president of the International Ladies Garment Workers' Union, said on March 25 that \$15,000 was being donated by his garment workers to Martin Luther King's Southern Christian Leadership Conference. (N.Y. Journal American, March 26, 1965). Dubinsky's ILGWU healthmobile was on active duty during the Selma-Montgomery demonstrations.

Invasion of the South

— Continued from page 1 —

The 141-member Alabama legislature unanimously passed a resolution stating that there had been "evidence of much fornication" at the marchers' camps and that "young women are returning to their respective states apparently as unwed expectant mothers." (Time magazine, April 2, 1965).

On April 4, 1965, a spectacle was held in the Majestic theatre, New York City, entitled "Broadway Answers Selma." Checks made payable to the Anti-Defamation League of B'nai B'rith were to benefit CORE, Martin Luther King's SCLC, the Reeb and Jackson families, and the Louis M. Rabinowitz Fund of the Student Non-violent Coordinating Committee. (N. Y. News, March 22, 1965).

The president of the Louis M. Rabinowitz Foundation is Victor Rabinowitz, who has appeared as a witness before the Senate Internal Security Subcommittee and the House Committee on Un-American Activities on a number of occasions. Each time he has invoked the fifth amendment in refusing to testify regarding his Communist Party membership. Victor Rabinowitz is an attorney who represented the Communist Government of Cuba in a case before the U. S. Supreme Court in 1963, and who is registered under the Foreign Agents Registration Act as an agent of the Castro government.

In spite of the overwhelming evidence of communist infiltration into the so-called civil rights movement, U. S. Attorney General Nicholas Katzenbach recently stated that the Communist Party has no control over civil rights organizations or their leaders and that it has been "remarkably unsuccessful in actually influencing any decisions, and certainly has not captured any of the leadership." (Sunday Star Ledger, Newark, N. J., April 4, 1965.)

One would gather that Attorney General Katzenbach is unfamiliar with the public records of Morton Stavis (Moses Stawisky), Benjamin Dreyfus, Victor Rabinowitz, etc. ad nauseum.

In the winter of 1953 the National Convention of the Communist Party, U.S.A., issued the following statement: "The next period ahead will witness momentous struggles of the negroes. Given the vanguard leadership of the Communist Party, we may be confident that the negro liberation movement will ally itself more fully with the camp of decent democracy."

In 1964 F.B.I. Director J. Edgar Hoover told the House Appropriations Committee in executive session, that negroes in the United States "today constitute the largest and most important racial target of the Communist Party." Mr. Hoover told the committee that "communist influence does exist in the Negro movement and it is this influence which is vitally important." (Sen. James Eastland, Feb. 3, 1965, Congressional Record.)

Some day the people of this nation will come to realize what they owe to the people of Mississippi and Alabama, and to the people in other areas of the South who are now being called upon to resist in their own communities the forces of racial hatred, violence and civil disorder which have been unleashed in the name of civil rights, but which serve most effectively the purposes and objectives of the world communist conspiracy.

ARE YOU GOING TO LET THEM INTIMIDATE YOU?

According to the United Press, The American Jewish Congress (AJC) has started a nation-wide campaign to counter what it calls programs of "smear and intimidation" sponsored by extremist groups.

C. Irving Dwork, national secretary of the congress, told the organization's National Governing Council yesterday that right-wing activities have increased since election.

Dwork said the AJC campaign would directly attempt to discourage contributions to ultra-rightist groups from corporations, foundations and wealthy individuals.

Don't Bite the Hand That Feeds You

Allen L. Hearst

Under a Chicago date line of November 17, 1964, Lewis H. Weinstein, President, Community Relations Advisory Council and a Boston lawyer, while speaking before a Chicago meeting of the Jewish Welfare Fund, was quoted as saying: "American Jews should take the lead in combating the Radical Right," and he continued, "Extremism did not die in last week's election; the Radical Right believes that it has lost a battle, but not the war."

"They oppose Civil Rights legislation, they decry fair legislative apportionment, they cry treason when we support the United Nations, and in the name of preserving America they would destroy American Democracy."

If Mr. Weinstein is a lawyer it seems strange that he used the word "Democracy" to describe our Constitutional form of government. Had he ever studied American History he would be aware that the first official of the United States government to ever use the word "Democracy" to describe our government was the Zionist controlled President, Woodrow Wilson.

That President Wilson was completely Zionist controlled could easily be established by Mr. Weinstein if he would take the time to read the biography of Jacob Schiff, President of Kuhn, Loeb and Company; or were he to read the published papers of Col. Mandell House, personal advisor to President Wilson; additional information can be obtained from the biography of Justice William Brandeis. It would seem from the above evidence that the use of the word "Democracy" was intentionally introduced into our lexicon for the exact usage and connotation it now has—"the Dictatorship of the Proletariat."

Mr. Weinstein, if he has studied Jewish history, must be acutely aware that the United States is the only nation in history which has not forced his fellow religionists out of its boundaries. In fact our nation has acted quite to the contrary; the first synagogue in the United States was erected in the Colony of Rhode Island early in the 18th Century.

Millions of West European Jews began early in 1944 during World War II to breach our immigration barriers and continued to do so at such a rate that by March 18, 1952, a Jewish historian and lecturer had reached a most accurate conclusion.

On the above date Dr. Cecil Roth, Jewish historian and lecturer at Oxford University, while speaking at the B'nai B'rith Jehuda Synagogue in Kansas City stated that two

thirds of the world's Jewish population lived in the United States.

At that time Dr. Roth was considered to be the foremost authority on questions relating to World Jewry. He had been in the offices of the British Information Service in New York City during and for some time after World War II. He was responsible for and directed Palestine policy. He had available in his possession the authentic population statistics of World Jewry. At no time did Dr. Roth dispute the figures published on February 22, 1948, by the Jewish owned New York Times, which in 1947 had taken a census of the total number of Jews in the world. In the Times of the above date there were published figures taken from their 1947 census which indicated a maximum total of 19,200,000 Jews in the world as of 1947. Taking Roth's estimate of two thirds of these people living in the United States, we find that over 12,000,000 Jews now live in the former Land of the Free. In 1940 there were approximately 4,000,000.

That many of those people who sought sanctuary under our constitutional form of government have tried to bite the hand that now feeds and protects them is demonstrated by their efforts to destroy our nation by subversion and political intrigue. Witness the following front organizations that have been cited by official agencies of the Federal Government that were lawfully charged with the responsibility of exposing anti-Americanism, sedition and treason wherever it might be found:

American Committee for the Settlement of Jews in Birobidjan, Inc. Cited E. O. 10450-9/28/53.

It is indeed difficult to understand how the Jewish people who had found sanctuary in our nation from the ghettos of Europe before the turn of the century could join such organizations as the JEWISH WORK-

Jewish Penetration of Ecumenical Council Fatal to Christian Unity

"Communism is intrinsically wrong, and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever." —Pope Pius XI

By Fra Ottone, Rome Correspondent

The founding in Rome, Italy, October, 1964 of the Catholic-Jewish Research Center within the International University for Social Studies Pro Deo must have given reason for alarm to the entire Christian world and to other religious groups whose religion is based on Universal values and not "nationality."

To those who are deeply interested in the final accomplishments of the Ecumenical Council whose last sessions will be held in September of this year, the mentioned Center has a special significance because among the groups responsible for its institution are the same Zionist oriented Jews whose news media were almost successful in exploiting the visit of Pope Paul VI to the Holy Land.

Ralph Friedman, committee executive board chairman, representing the American Jewish Committee, stated that the "Center will help carry out . . . the growing impulse to eliminate the religious roots of bias and prejudice. . . . The Center has been established in Rome for the purpose of analyzing and combating the roots of prejudice in worldwide religious teachings."

It might be pointed out here that while the Catholic-Jewish Research Center is interested in the study of religious prejudice of all kinds, it is particularly concerned with the prejudices against the Jews (anti-Semitism); it further has the avowed purpose to "implement Ecumenical Council Vatican II initial approval of a declaration repudiating the Deicide charge against the Jews."

Since the time of the convoking of the Ecumenical Council by Pope John XXIII it should be noted that the city of Rome was host to several national Jewish political organizations whose mission was to prevail upon Cardinal Augustine Bea, President of the Secretariat for the Promotion of Christian Unity, to introduce as part of the Council's agenda a statement aimed at condemning anti-Semitism based on the Jews' role in the Crucifixion. One can wonder at the ease in which a political faction of the world Jewry has succeeded in introducing the problem of "anti-Semitism" and the charge of the culpability of the Jews for the conviction and death of Christ as part of the agenda for discussion within the Ecumenical Council.

Fortunately the success was a short-lived one for these Zionist oriented Jews who at all costs were determined to introduce a highly controversial question wholly unrelated to the aims of the Ecumenical Council. Their efforts were not fruitful since no Council statement on Jews was formally declared at the closing of the third session of the Council.

However the regrettable uproar experienced at the third session of the Council must have been dismaying to the entire Christian world that was greatly concerned with the Council's efforts in behalf of Christian unity. Reports from the Far East have informed us that "scars were left in wake of uproar over the Council's statement on Jews."

What brought forth this turmoil within the Ecumenical Council? The N. C. News Service states as follows: "The uproar in Syria by the Jewish relations has now died down. But it has left deep scars, and in the course of several weeks managed to spoil the Ecumenical atmosphere that has been years in the making. . . . The very inclusion in the text of favorable reference to

Pope Paul VI welcomes Martin Luther King, Jr. to Vatican. King belongs to over 60 communist fronts.

Jewish religion was bound to unleash a violent reaction not only on the part of the Arab government and Moslems, but also by Arab Christians, Catholic as well as Orthodox. . . . The most violent reactions occurred in Jordan, where for a time it appeared that the Catholics might leave the Church."

It would be well to recall at this time that the Council Fathers during the meetings of the second session of the Council deemed it wise to remove from the 4th Schema the vexing problems on anti-Semitism and the Deicide charge. These Council Fathers did foresee that the introduction of the mentioned problems would have brought to nought the intended visit of Pope Paul VI to the Holy Land. Because of this timely pruning of the inopportune insertion of the question on anti-Semitism the visit of Pope Paul became a fruitful one and closed it as well from the attempts of Jewish political organizations for exploitation.

However shortly following the return of Pope Paul from the Holy Land the same Jewish political groups, fearing the results of the Council's efforts for Christian unity, again renewed their efforts a hundred fold during the few months preceding the third session to bring again the question of anti-Semitism into the agenda of the Council. The leaders of these organizations—World Jewish Congress, American Jewish Committee, the Anti-Defamation League of B'nai B'rith—were well aware that the introduction of the question on anti-Semitism and the charge of Deicide for discussion within the Council would lead to a rift among the Council Fathers as many of them represented Christian Churches in the Orient. These Council Fathers are sanguine in their declarations, and rightly so, that anti-Semitism experienced in the Far East does not stem per se from religious prejudices but owes its origin to the world Jewish Zionism that identifies religion with "nationality." They are adamant in stating that anti-Semitism is a by-product of Zionism. Are these Council Fathers to forget that Zionism was responsible for "fathering the State of Israel"? Are they not aware that a million or more Christian and non-Christian Arabs have

been dispossessed of all their belongings and expelled to live in the Desert of Jordan?

To political bodies nothing is sacred and any means may be employed to achieve their ends. These many Zionist oriented political organizations, supporters of world Zionism, felt that the Ecumenical Council was the highest body within the Christian Court to consider their case on anti-Semitism. It seems that the Council must have been especially convoked for the discussion of the problems and mistakes brought into the world by Zionism. These political Jewish organizations felt sure of themselves at this time and did not hesitate to put Christianity on the defensive in their attempts to have the Council Fathers openly declare that anti-Semitism stems from Christianity. And it would amount to such a declaration should the Christian Council Fathers agree with the Jewish political faiths that the charge of Deicide is a major source of anti-Semitic attitudes. Deicide is not official doctrine of the Catholic Church nor is it deeply imbedded in traditional teachings.

It is absurd for the Jewish organizations mentioned above patronizing Zionism to want to attribute all their misdemeanors and sorrows to the writings of the Evangelists recorded in the New Testament. Perhaps these political leaders of the Jewish organizations have the hidden desire to rewrite for the Christian world the "New Testament." Suffice it to say that the Evangelists in writing on the drama of the Crucifixion used the names of persons and groups solely to indicate who were the historical instruments to bring about the fulfillment of a divine drama predestined by God.

To what can one attribute at this time, a short period preceding the culmination of the present Ecumenical Council, the attempts of the Zionist oriented Jewish organizations through the Catholic-Jewish Research Center "to further implement Ecumenical Council Vatican II initial approval of a declaration repudiating the ancient Deicide charge against the Jews"?

A safe answer would be to state that these political groups feel that now is the time to consolidate their gains in behalf of Zionism and to restrain more strongly than ever the efforts of Christians in their own defense by means of an official edict emanating from the highest authority of a Christian body—the Ecumenical Council—condemning "anti-Semitism." The feeling of security enjoyed by these political leaders is perhaps warranted. The cause of Zionism has been progressing for a period better than a half century. The mission of the B'nai B'rith and its Anti-Defamation League during the past fifty years has been the stamping out of all anti-Semitism (activities prejudicial to the cause of Zionism); the forceful occupation of Palestine for the past 19 years; the creation of Council of Human Relations, Work Shops on Human Relations, Inter-faith Council work, Judeo-Christian relationships, and a host of other front organizations serving to soften up the Christian world to accept docilely the incongruous charge that anti-Semitism began with Christianity.

Good faith, to say the least, was certainly lacking on the part of the Jewish leaders who forcibly presented the question of anti-Semitism for discussion within the third session of the Ecumenical Council, causing thereby the near wrecking of the Council itself. Surely these clever politicians are well

Viet Nam—the Solution

Just as Generals MacArthur, Willoughby, Wedemeyer, Stratemeyer, Del Valle and other military strategists could have won the Korean War of 1950-1953 in one month if "The Establishment" had not blocked them . . . so could we win the war now in Viet Nam—fast!

Here is the U. S.—the world's greatest military power—and we cannot defeat one hundred thousand Asiatic guerillas! Isn't that ridiculous!

Solution: Turn the job over to Chiang Kai-shek and his Nationalist Chinese Army of Formosa, and we to supply the weaponry . . . and not one U. S. soldier would be lost! They could enlist Filipinos to help them and proceed as follows:

- Whenever a red Buddhist "monk" or "nun" threatens suicide, give them the gasoline and matches.
- Whenever the red "students" in Viet Nam riot in protest, slap the leaders and agitators into solitary confinement, or into island prison camps.
- Do likewise to every infiltrator and spy.
- Use flame-throwers and Aerial Napalm Fire Bombs to "burn them out" of the forests and swamplands.
- Completely liquidate the supply bases and airfields in North Viet Nam . . . and in Laos, if necessary.

Would Red China enter the war? Certainly not! This "Red Chinese Threat" is a bugaboo—a harmless scarecrow. Red China can't even feed itself, much less conduct a full scale war! "Nationalist" China (Formosa)—with its 2 million well-trained and well-equipped troops—would defeat Red China all by itself!

Another solution to "The Viet Nam Problem" would be to give Japan a mandate to keep the peace in Southeast Asia. Japan would end the strife in short order!

Still another solution to the Viet Nam war would be as follows: Ship only the sons and daughters of the government officials and Cabinet members and bureaucrats to be the soldiers and nurses in Southeast Asia. This would really end the Viet Nam fiasco in a hurry! But it will drag along for years as long as Christian patriots are being maimed and slaughtered.

But why does not the U. S. want to win this brush war? The answer is obvious: The socialists, one-worlders, reds and pro-communists in our Departments of State, Defense and War do not want us to rescue Southeast Asia from the reds. It would spoil their master-plan of one-world U. N. control! That is why we must win in Viet Nam—in spite of these subversive elements in our government!

The Hand that Feeds You

—Continued from page 2—

ERS FEDERATION and the JEWISH SOCIALIST FEDERATION, whose declared aim was the overthrow of the only government in the world that had given the diaspora freedom and opportunity.

But join they did, and on December 3, 1921, these two Jewish organizations joined with five other anarchic groups to issue a convention call to organize the Worker's Party of America. The Worker's Party of America was formed as an open and legal organization to further the planned destruction of our nation while the Communist Party of America remained underground.

What caused the Rosenbergs, the Golds, the Greenglasses, the Oppenheims, plus hundreds of others, to turn against the nation which had given them sanctuary and the privileges of citizenship? Why did they wish to aid our enemies who had sworn to bury us? Why?

Perhaps Rabbi Stephen Wise's comment in 1921 after having spent some sixteen months in Russia is apropos: "Some call it Communism, we call it Judaism."

Patrick Henry Put It This Way

Patrick Henry, a lawyer, a statesman and orator by will and grace, a patriot, heart and soul, was a member of the House of Burgesses, but he was also an individual. In March, 1775, before the Virginia Provincial Convention, alone, with only his faith to protect him, he stood up against the hostile majority to utter words which we still remember. Perhaps we should ponder those words uttered at another time of crisis in American history. One man with Faith, constitutes a majority against a world that is usually wrong.

"Should I keep back my opinion at such a time, through fear of giving offense, I should consider myself as guilty of treason towards the majesty of Heaven, which I revere above all earthly kings. Are we disposed to be of the number of those who, having eyes, see not, and having ears, hear not, the things which so nearly concern their temporal salvation? For my part, whatever anguish of spirit it may cost, I am willing to know the whole truth; to know the worst and to provide for it."

They tell us, sir, that we are weak; unable to cope with so formidable an adversary. But when shall we be stronger? Will it be the next week or the next year? Shall we gather strength by irresolution and inaction? Shall we acquire the means of effectual resistance by lying supinely on our backs and hugging the delusive phantom of hope, until our enemies have us bound hand and foot?

Sir, we are not weak, if we make proper use of those means which the God of nature hath placed in our power. Besides, sir, we shall not fight our battles alone. There is a just God who presides over the destinies of nations, and who will raise up friends to fight our battles for us.

The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave. Besides, sir, we have no election. If we were base enough to desire it, it is now too late to retire from the contest. There is no retreat, but in submission and slavery!

It is vain, sir, to extenuate the matter. Gentlemen may cry, Peace, peace—but there is no peace. Why stand we here idle? What is it that gentlemen wish? What would they have?

Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery?

Forbid it, Almighty God!

I know not what course others may take; but as for me, give me liberty or give me death!"

Freedom's Frontier

By Edward L. Delaney

FREEDOM'S FRONTIER is the kind of book this country needs badly. Only a writer with first hand knowledge, a passion for truth and the ability to write forcefully, can undo the brainwashing the American public has been subjected to for the past several Red Decades. The Washington appeasement policy must be converted into constructive anti-communism. Soviet expansion must be checked, the Captive Nations must be liberated, the Iron Curtain must disappear in Europe, the Berlin Wall must come down and Castroism must expire in Cuba. Mr. Delaney's FREEDOM'S FRONTIER is a book-bomb promoting these liberations.

Jewish Penetration

aware that the Christian Church has other appropriate Sacred Offices to which they might have presented their problems.

How unlike is this Zionist oriented group to the patriotic and religious American Jewish group (American Council for Judaism) whose philosophy is based upon the concept that Judaism is a religion of universal values, rather than a nationality; that encourages American Jews to meet obligations in public affairs, religion and philanthropy in ways compatible with their religious beliefs, rather than in the Jewish nationalist pattern of Zionism.

Christians have cause to be morally indignant and politically aghast at the implication in the forceful presentation of the question of anti-Semitism by the Zionist oriented Jews. It is the hope of all Christians that the Council Fathers will review the happenings occurring at the third session and will avoid further dissension stemming from a problem that is wholly alien to the very purpose of the Council itself. Any further attempt by the political gentry among the Jews, through their proselyting to further pressure the Council Fathers, will bring upon themselves the charge of "saboteurs." This charge will make them suspect forever as genuine promoters for good to honest Judeo-Christian relationships.

A few months now remain before the fourth and last session of the Ecumenical Council. This period should afford the Zionist politicians ample time to review the folly of their efforts and to resolve not to continue to inject themselves into the Ecumenical Council. And the Council Fathers had better use this period to reflect upon the calamitous effects of allowing the Jewish question to enter into the Ecumenical Council's considerations, which prime considerations were to have been of Christian Unity.

"Fundamentally, Judaism is ANTI-Christian."
